**Nicolas Notovitch**

The Life of Our Lord Charles Dickens, 2013-01-22 Charles Dickens's other Christmas classic, with a new introduction by Dickens's great-great-grandson, Gerald Charles Dickens. Charles Dickens wrote *The Life of Our Lord* during the years 1846-1849, just about the time he was completing *David Copperfield*. In this charming, simple retelling of the life of Jesus Christ, adapted from the Gospel of St. Luke, Dickens hoped to teach his young children about religion and faith. Since he wrote it exclusively for his children, Dickens refused to allow publication. For eighty-five years the manuscript was guarded as a precious family secret, and it was handed down from one relative to the next. When Dickens died in 1870, it was left to his sister-in-law, Georgina Hogarth. From there it fell to Dickens's son, Sir Henry Fielding Dickens, with the admonition that it should not be published while any child of Dickens lived. Just before the 1933 holidays, Sir Henry, then the only living child of Dickens, died, leaving his father's manuscript to his wife and children. He also bequeathed to them the right to make the decision to publish *The Life of Our Lord*. By majority vote, Sir Henry's widow and children decided to publish the book in London. In 1934, Simon & Schuster published the first American edition, which became one of the year's biggest bestsellers.

The Life of Our Lord in Simple Language for Little Children Anonymous, 2024-11-23 In preparing this brief account of the chief incidents in Our Lord's Life, the writer has endeavoured to keep as close as possible to the sacred text; its divine simplicity being far preferable to any other style of writing the story. The easiest words and those most familiar to children have generally been used and every effort has been made to adapt the volume to the intelligence of the young with the view of instilling into their minds the love of our Saviour for mankind as shown in the beautiful story of His life. KING DAVID. In ages past God made the world: the earth, the sea, the hills, the streams, the trees; the fish, birds and beasts; last of all He made Adam, the first man, and Eve his wife, and they lived in the Garden of Eden. They were quite good at first, but tempted by Satan they ate the fruit of a tree God told them not to eat, and that brought sin into the world; they could not live for ever now, they must die; but that their souls might go to heaven, God's own Son said He would come down on earth and die to save them. God said His Son should be born of Abraham's nation, and should be one of the sons of the line of King David, who sang the sweet psalms in praise of God. Abraham was a good man, so good that God called him His friend; and from him came the people called Jews. David was one of their kings. God always keeps His word, but He makes men wait till it is His

time to do as He says; and it was a long, long time after Abraham and David that our Lord came to live among men. At last God sent His angel Gabriel to a young maiden, named Mary, who lived at a town called Nazareth, to tell her that God loved her, and that she should have God's Son for her own son. Our Lord would be her little babe. When Mary saw the angel she was at first afraid, but he said to her, Fear not, Mary, and he told her that she must call the child's name Jesus that means Saviour for He would save the people from their sins. Then Mary must have been glad. She said, I am God's servant; may His will be done. Mary was to be the wife of her cousin Joseph they were both of David's family so the angel went and told him too, that Mary should have God's Son for her own, and that he must call the child Jesus.

**God Has a Wonderful Plan for Your Life** Ray Comfort, 2010-05-17 Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the wonderful plan message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life--and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel--and will teach you how to reach unbelievers the way God intended. A must-read for all who care about the lost. Over a quarter million copies in print!

*Brothers, We Are Not Professionals* John Piper, 2013-02-01 In this revised and expanded edition of *Brothers, We Are Not Professionals* that includes a new introduction and select all-new chapters, best-selling author John Piper pleads through a series of thoughtful essays with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry. "We pastors are being killed by the professionalizing of the pastoral ministry," he writes. "The mentality of the professional is not the mentality of the prophet. It is not the mentality of the slave of Christ. Professionalism has nothing to do with the essence and heart of the Christian ministry. The more professional we long to be, the more spiritual death we will leave in our wake. For there is no professional childlikeness, there is no professional tenderheartedness, there is no professional panting after God. "Brothers, we are not professionals. We are outcasts. We are aliens and exiles in the world. Our citizenship is in Heaven, and we wait with eager expectation for the Lord (Phil. 3:20). You cannot professionalize the love for His appearing without killing it. And it is being killed. "The world sets the agenda of the professional man; God sets the agenda of the spiritual man. The strong wine of Jesus Christ explodes the wine-skins of professionalism."

*Eternal Life* Andrew Wommack, 2023-07-03 Do you ever feel saved and stuck—that there should be more to experiencing the Christian life? Well, you don't have to wait until you get to heaven to enjoy the full benefits of salvation. Jesus came so

that we could have an intimate, personal relationship with God in the here and now. In this thought-provoking booklet, learn how to begin experiencing the eternal life Jesus promised—today!

**Finally Alive** John Piper, 2009 The term New Birth has been devalued by the multitudes who claim to be 'born again' while living like everybody else. The New Testament defines new birth and new life completely differently.

The Game of Life Florence Scovel Shinn, 2024-02-12 The Game of Life by Florence Scovel Shinn is a transformative guide to understanding and playing the game of life with spiritual insight and practical wisdom. Originally published in the early 20th century, this classic work combines metaphysical principles with real-life anecdotes to provide readers with a comprehensive approach to living a life of purpose and fulfillment.

**Living As Jesus Lived** Zac Poonen, 1977

**The Life of Jesus Christ and Biblical Revelations Volume 1** Bl. Anne Catherine Emmerich, 2001-06 Contains many astounding revelations that support our faith, yet are not contained in the Bible or in any other sacred literature. Includes a day-by-day account of the public life of Christ, plus a rendition of the lives of the Blessed Virgin Mary and St. Joseph, St. John the Baptist, St. Anne and St. Joachim, plus many ancestors of Our Lord. Describes events from the creation of the world to the Apostles' early missionary work, plus the death of the Blessed Mother. Shows that the Church founded by Jesus Christ is the Catholic Church, identical in substance, and even in many details, with the Catholic Church of our times. Says the Egyptians falsified their calendar to make their nation appear older than it was. Says that the Holy Grail of the First Mass was the same chalice used by Melchisedech in his sacrifice of bread and wine. Says St. Peter worked more miracles than any other Apostle, also that he celebrated Mass exactly as Our Lord had done. A treasure trove of information obtainable from no other source. Seems an act of God these visions were permitted and recorded.

Help for the Hurting Family Larry E. Banta M.D.,2022-09-14 Families are the foundation of our culture and an integral part of our churches, but they face attacks from the world, the flesh, and Satan. Larry E. Banta, M.D., an experienced psychiatrist subspecialized in child and adolescent psychiatry, explores how to build a strong family in a chaotic world. He answers questions such as: Why is building a strong family an essential component of the Christian experience? How can we structure and maintain a family that will withstand the pressures of life and come out strong? Why should ministry to the family be one of the main activities of the local church? Often, parents are unable to fulfill the purpose of a family, or do not know how to build a strong family. This leaves children unable to secure a firm identity and self-concept. They often don't see the purpose of leaving home and being on their own, taking on the adult responsibilities of family and a job. Learn to build the family on the strong foundation of the Word of God and take on family challenges that the church sometimes misses with the wisdom in *Help for the Hurting Family*.

**Escape From Evil's Darkness** Robert Spitzer, 2021-02-19 In this second volume of the Called Out of Darkness trilogy, Father Robert Spitzer, S.J., draws together some of the best advice given by Catholic spiritual masters across the ages and brings it into harmony with modern scientific research, offering practical ways to live out the gospel in our busy days. It is a roadmap to a deeper relationship with the Lord and to authentic transformation through the imitation of Christ. Giving evidence that Jesus established just one Church, with Peter as its head, Spitzer shows that the Catholic Church—with its rich array of sacraments, teachings, prayer traditions, and lived examples of holiness—continues to be fertile ground for profound Christian conversion. But no true conversion is purely spiritual; it must bear fruit in our daily lives. Father Spitzer guides readers through the workings of moral transformation, with detailed sketches of all the cardinal and theological virtues, especially love. Using insights from Saint Ignatius of Loyola, as well as from modern psychology, *Escape from Evil's Darkness* concludes with an in-depth study of the sacrament of confession and the staggering power of God's loving mercy.
