W. A. Criswell

**Charismatic Chaos** John MacArthur, 1992 Recognizing the importance of the charismatic movement and the need for a biblical evaluation of it, MacArthur analyzes the doctrinal differences between charismatics and non-charismatics in the light of scripture.

The Charismatics John MacArthur, 1978

**Strange Fire** John MacArthur, 2013 Scripture calls us to worship the Lord in the beauty of holiness. Anything un-holy--including prophecy, and religious hypocrisy-- is a kind of strange fire, deserving of the most severe judgment. MacArthur provides a rigorous evaluation of those whose foundation and direction have betrayed the God they claim to represent.

**Experiencing God (2008 Edition)** Henry T. Blackaby, Richard Blackaby, Claude V. King, 2008 A modern classic--revised with more than 70 percent new material--is based on seven Scriptural realities that teach Christians how to develop a true relationship with the Creator.

**Holy Fire** R. T. Kendall, 2014 Debate about the Holy Spirit has been around for a long time. In Holy Fire, best-selling author and respected theologian R. T. Kendall sets the record straight about the Holy Spirit's role in our lives and in the life of the church.

Safe in the Arms of God John F. MacArthur, 2003-07-08 Is my baby in heaven? This is the most important question a grieving parent can ask. And even if the little one is someone else's child, the issue remains: What happens to children? those unborn, stillborn, or youngsters? when they die? Can you hope to see them again? Can you let go of your fear and guilt? Can God's love soothe a wound so jagged? With scriptural authority and the warmth of a pastor's heart, bestselling author John MacArthur examines the breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care for every life. I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support. John MacArthur offers truth from God's Word that puts the doubts of any grieving parent to rest. Safe in the Arms of God reveals that confidence of heaven for the child you love is based on much more than mere sentimentality; it is revealed in the Word of God and reflective of the very heart of God. ?Nancy Guthrie, author of Holding On to Hope

The Murder of Jesus John F. MacArthur, 2004-03-30 The pieces are in place. The curtain rises for the final act. God is

about to die. An unprecedented conspiracy of injustice, cruelty, and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised. The victim was no mere man. Jesus was God in the flesh. The Creator of life died. How did such a thing come to be? Who were the onlookers, the players, the fakes, frauds, and heroes? What was it like in the Upper Room that night, in the shadows of Gethsemane, or in the Praetorium awaiting Pilate's verdict? What is the meaning of the last words Jesus uttered as He gasped for breath on the cross? What if all the facts you now so well could come alive in your mind and heart as a living story, rather than as a 2000-year-old ancient account? By piecing together the narrative from the perspective of the participants, John MacArthur invites you to relive the most awesome injustice in the history of man, the unparalleled triumph of the sovereignty of God, and the passion of Christ.

*The Corinthian Catastrophe* George E. Gardiner, 1974 An outstanding exposition that contrasts scriptural principles with charismatic practices based on the experience of the church at Corinth. Also available in Spanish!

**On the Cessation of the Charismata** Jon Mark Ruthven, 2011-02

*Christian Ethics* Norman L. Geisler, 2010 This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective.

*Right Thinking in a World Gone Wrong* John MacArthur, 2009-02-01 "Our response to moral questions is not determined by politics, economics, personal preference, popular opinion, or human reasoning. It is, instead, grounded in what God has told us is true about ourselves and our world....God's Word offers sanity, clarity, and hope." --John MacArthur Trusted Voices Offer Biblical Responses to Today's Hot Issues One of the greatest challenges facing Christians today is the powerful influence of secular thinking. From all directions we're fed a constant barrage of persuasive—yet unbiblical—worldviews. This makes it difficult to know where to stand on today's most talked-about issues. The leadership team at Grace Community Church, along with their pastor, John MacArthur, provide much-needed discernment and clarity in the midst of rampant confusion. Using the Bible as the foundation, you'll learn how to develop a Christian perspective on key issues—including... political activism environmentalism the cult of celebrity entertainment and escapism homosexual marriage abortion, birth control, and surrogacy euthanasia and suicide disasters and epidemics immigration God and the problem of evil Also included is a topical reference guide of Bible verses that address key concerns—a guide that will arm you with right thinking and biblical answers to challenging questions.

*I Am a Follower* Leonard Sweet, Leonard I. Sweet, 2012 In this examination of leadership and followership, Sweet proposes an intentional shift from leadership cults to followership cultures. He critiques the issue of leadership obsession but focuses on reigniting a passion for the follow me theme found throughout the gospels and the entire New Testament.

Authentic Fire Michael L. Brown, 2014 In response to Pastor John MacArthur's call for a 'collective war,' against charismatics, Dr. Michael Brown has called for unity in Jesus based on a return to the truth of the Scriptures in the fullness

of the Spirit. As a charismatic biblical scholar and theologian, Dr. Brown responds to Pastor MacArthur's charges, making a biblical case for the continuation of the New Testament gifts of the Spirit and demonstrating the unique contribution to missions, theology, and worship made by the charismatic Church worldwide. He calls for an appreciation of the unique strengths and weaknesses of both cessationists and charismatics, inviting readers to experience God afresh, and he demonstrates how charismatic leaders have been addressing abuses within their own movement for decades--Back cover.

*MacArthur 2-in-1* John F. MacArthur, 2014-10-28 The Truth War Right now, Truth is under attack, and much is at stake. Christians are caught in the crossfire of alternative Christian histories, emerging faulty texts, and a cultural push to eliminate absolute Truth altogether. As a result, many churches and Christians have been deceived. Worse still, they propagate the deception that poses itself as Truth! In *The Truth War* John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal, immovable promises that are found in His Word. *Strange Fire* What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

**Criswell Guidebook for Pastors** W. A. Criswell, 2000-03 A practical manual that covers the bases of pastoral life for clergy in churches of all sizes and locations.

*Grace Unknown* R. C. Sproul, 1997 R.C. Sproul has undertaken to make Reformed theology clear and comprehensible to the general reader, focusing on its most fundamental doctrines and locating their source in Scripture. At the heart of Reformed theology, Sproul finds true grace.

Signs of the Apostles Walter J. Chantry, 1973 An examination of the Charismatic and Pentecostal movements in today's church, and an exposition of the biblical teaching on the work of the Holy Spirit.

Stop Taking Sides Adam Mabry, 2020-09-01 Love and wrath. Sovereignty and responsibility. Victory and suffering. Some of the truths we read in the Bible seem to be in opposition to each other. We naturally tend to gravitate towards a side, but when we lose sight of one truth in order to protect the other, we are in danger of becoming proud, creating division, and diminishing our faith. In this compelling, inspiring, and at times provocative book, Adam Mabry urges us to stop taking sides and refuse to participate in tribalism by mapping out a way to hold in tension truths that we so often divide over. You'll discover how our joy and our witness rest on us learning to hold to all that the Scriptures teach and growing in virtue as we do. You'll learn how to wrestle with all that the Scriptures say, to embrace mystery, to listen closely, and to speak with

clarity.

**Counseling** John F. MacArthur, Wayne A. Mack, Master's College Faculty, 2017-03-07 Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions. What do the Scriptures say about counseling? What is the biblical basis for using Scriptures in counseling? What does it mean to think biblically about counseling-related issues? At the root of this book is the confidence that Christ and his Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world. The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind. Written to pastors, elders, deacons, seminary students, and laypeople; well-known pastor John MacArthur and contributors present a system of biblical truth that brings together people, their problems, and the living God. This kind of counseling is based on the convictions that: God's Word should be our counseling authority. Counseling is a part of the basic discipling ministry of the local church. God's people can and should be trained to counsel effectively. *Counseling: How to Counsel Biblically* provides biblical guidelines to counsel people who are struggling. The contributors represent some of America's leading biblical teachers and counselors, including: Ken L. Sarles, David Powlison, Douglas Bookman, David B. Maddox, Robert Smith, William W. Goode, and Dennis M. Swanson.
