Battle for the Soul Edward-Isaac Dove, 2022-05-31 An award-winning political journalist for The Atlantic tells the inside story of how the embattled Democratic Party, seeking a direction for its future during the Trump years, successfully regained the White House. The 2020 presidential campaign was a defining moment for America. As Donald Trump and his nativist populism cowed the Republican Party into submission, many Democrats—haunted by Hillary Clinton’s shocking loss in 2016 and the resulting four-year-long identity crisis—were convinced that he would be unbeatable. Their party and the country, it seemed, might never recover. How, then, did Democrats manage to win the presidency, especially after the longest primary race with the biggest field ever? How did they keep themselves united through an internal struggle between newly empowered progressives and establishment forces—playing out against a pandemic, an economic crisis, and a new racial reckoning? Edward-Isaac Dove’s *Battle for the Soul* is the searing, fly-on-the-wall account of the Democrats’ journey through recalibration and rebirth. Dove traces this process: from the early days in the wilderness of the post-Obama era to the jockeying of potential candidates; from the backroom battles and exhausting campaigns to the unlikely triumph of the man few expected to win; and on through the inauguration and the insurrection at the Capitol. Dove draws on years of on-the-ground reporting and contemporaneous conversations with the key players—whether with Pete Buttigieg in his hotel suite in Des Moines an hour before he won the Iowa caucuses or with Joe Biden in his first-ever interview in the Oval Office—as well as with aides, advisors, and voters. Offering unparalleled access and an insider’s command of the campaign, *Battle for the Soul* takes a compelling look at the policies, politics, and people, as well as the often absurd process of running for president. This fresh and timely story brings you on the trail, into the private rooms, and along to eavesdrop on critical conversations. You will never see campaigns or this turning point in our history the same way again.

We Have Liftoff Michael Ashley, 2024-02-13 Ever wondered what space can do for you? The next great leap forward in human innovation is here. Introducing . . . the Orbital Age. And it’s all happening in low-Earth orbit (LEO), a mere 250 miles above Earth’s surface—roughly the distance between Boston and New York. Before you know it, the journey from Earth to space will be an everyday flight, not just for astronauts but also for tomorrow’s business professionals. Even more exciting, the new commercial space era will transform life here on Earth, generating incredible medical breakthroughs like 3D-printed organs and new cures for diseases, as well as producing revolutionary computing advances and inventions we can scarcely yet imagine. In *We Have Liftoff*, positive futurist Michael Ashley and visionary space exploration leader Tom Vice envisage a near future where regular people live and work in space, exploring untold entrepreneurial opportunities and scientific

developments. Switching between genres with each chapter, *We Have Liftoff* will take you on a unique, exciting voyage through a movie script filmed in space, a gourmet menu best consumed in microgravity, journals recording medical advances through 2088, and more—all to imagine the coming marvels of space travel. With insights from professionals revolutionizing the industry at Sierra Space, a leading space exploration company at the forefront of space innovation and commercialization, *We Have Liftoff* will show you what was once deemed science fiction will soon be reality.

Freedom Rhythm E-motion Focused Movement Dr. Tiffany Tajiri ABPP, Nicole Tajiri MEd, 2025-03-28 Freedom Rhythm is an emotion focused movement method informed by neuroscience research. It uses visualization, bilateral stimulation, positive affirmations, and movement with silks to help students process their emotions. Freedom Rhythm works to amplify and share our positive emotions and expel or transform emotions that keep us stuck. Freedom Rhythm uses a variety of silks to project our feelings in a beautiful & vibrant way, creating a story that sets us free. Drawing from evidence-based practices, Freedom Rhythm is a unique, creative, and imaginative approach to experience emotional release through authentic expression of movement. Together, we are a work of art, and each silk is like a brush stroke contributing to the masterpiece. Like never before, it is imperative for children to learn about the incredible power of their thoughts and emotions, and how to harness them for the benefit of themselves and humanity. Thoughts and emotions are what fuel creativity, inspiring students to take action to create in a way that has the potential to positively impact the world. This book shows us how to implement Freedom Rhythm as an add on to any academic curriculum. It has been proven effective in the following settings: PE, classroom, counseling, music, performing arts, team building, and professional development. Freedom Rhythm is a social and emotional super tool—capable of transforming student and teacher morale.

Rock: The Primary Text Allan Moore, Remy Martin, 2018-09-28 This thoroughly revised third edition of Allan F. Moore's ground-breaking book, now co-authored with Remy Martin, incorporates new material on rock music theory, style change and the hermeneutic method developed in Moore's *Song Means* (2012). An even larger array of musicians is discussed, bringing the book right into the 21st century. Rock's 'primary text' - its sounds - is the focus of attention here. The authors argue for the development of a musicology particular to rock within the context of the background to the genres, the beat and rhythm and blues styles of the early 1960s, 'progressive' rock, punk rock, metal and subsequent styles. They also explore

the fundamental issue of rock as a medium for self-expression, and the relationship of this to changing musical styles. Rock: The Primary Text remains innovative in its exploration of an aesthetics of rock.

The Universal Language of Music Benjamin Witkowski, 2021-09-22 Australian artist Ben Witkowski follows a journey of music's incredible power as a tool of cultural identity and expression. Inspired by a love of all things music, 'The Universal Language of Music' uncovers studies on the history of music, its impact on the brain, its function in society, and how it has become the true essence of life - the true universal language.

Manwhore +1 Katy Evans, 2015-07-07 Malcolm Saint was an assignment. A story. A beautiful, difficult man she was supposed to uncover for a racy expose. She intended to reveal him, his secrets, his lifestyle, not let him reveal her. But her head was overtaken by her heart and suddenly nothing could stop her from falling. She fell for him, and fell hard. Malcolm Saint is absolute sin, and she's become a hopeless sinner. Now that the assignment is over, Saint wants something from her - something unexpected.
