**Becoming an Invitational Leader** William W Purkey, Betty L Siegel, 2013-09-17 Invitational Leadership is a fresh and innovative model based on a single theoretical framework. The model shifts from emphasizing control and dominance to one that focuses on connectedness, cooperation, and communication. Based on sound philosophical and psychological assumptions, Invitational Leadership has been tested and successfully applied by leaders in numerous fields, including administration, business, nursing, dentistry, counseling, and other professions. Invitational Leadership is the basis for the International Alliance for Invitational Education, a network of over a thousand professionals from all 50 states as well as Great Britain, Canada, China, South Africa, and countries throughout Central and South America. William Purkey and Betty Siegel have written much more than a guidebook to becoming a healthier and more effective leader; they proffer a radically profound, compelling argument that it is time for people in positions of authority to forge a new kind of relationship with others based on dialogue, respect, and collaboration. This insightful work is long overdue in an age of “might makes right,” and contains great wisdom in promoting solid values found in various democratic and spiritual organizations. Supervisors and coaches, CEO’s and shop stewards, managers and parents — anyone and everyone who deals with others, take notice. This is a truly inspirational book in its invitation for all people to join together in a shared vision of promise and greatness.

**Light Side** David Muntzel, 2021-07-01 The title of this book, *Light Side*, was developed by the author, who believes people are happier and more successful if they have a positive attitude. Since the response to the book can be humorous and inspirational, one might say, it is on the Light Side with a Christian attitude. This book consists of short stories, poems, statements, and phrases with a Christian overtone that could be used by speech writers, guest speakers, ministers (sermon openers), church offices (newsletters), Bible study groups, etc., or individuals looking for some Christian-based inspirational reading. The contents of this book were compiled from hundreds of emails received by the author, over as many as twelve or more years, and were saved in a drawer. The emails saved attracted the attention of the author by being inspirational and/or humorous. Once the drawer filled, evaluation time came as to what to do with this collection. Sorting, categorizing, and editing resulted in a decision to make them available in book form for others to benefit and enjoy. The author's main reason for taking this action was to respond to a calling that kept popping into his mind to share with others that might inspire readers to be touched by the desires of the Lord. The author believes that anytime he promotes the desire of the Lord in thought, word, or deed, the Lord smiles at him. That smile can be felt. If you read this book and there is at least one of the messages you passed along to someone else and it moves them in the direction of the Lord, chances are, you will experience that feeling, that smile from above. Except for, *Message from the Author*, The author makes no claims to any of the stories in the book to be true or not. He also makes no claims or representations, either expressed or implied, as to the source of the material except to say that these are not the original thoughts or stories of the author, but a compilation of materials written by others and collected by the author over the years to be shared with others. With the exception of the *Message from The Author*, all content of the material contained in this book was received by non-restricted emails, and the author makes no claims as to originality or personal ownership rights with respect to these works.

*The Hidden War* Constance Louie-Handelman, Ph.D., 2018-07-12 Driven by her passionate desire to serve, psychologist Connie Louie-Handelman joined the US Army at the age of 56. Disturbed by the high rates of PTSD and suicide among warriors, she wanted to make a difference. After training, she was deployed at a forward operating base in the hot and dusty plains of Kandahar, Afghanistan. There she found soldiers fighting more than the enemies they encountered in the battlefield. The casualty rate from invisible enemies like anxiety, depression, low self-esteem, and fear was high. When improvised explosive devices killed or wounded warriors near the base, she would journey outside the wire to units that were under attack. Besides their shattering experiences on the battlefield, many warriors were also locked in domestic tragedies, with spouses having affairs or wanting divorces, or children going astray. Connie and her fellow mental health professionals faced enormous obstacles as they treated their patients. Basic supplies were scarce and they worked out of tiny spaces where privacy was impossible. Many warriors were rotating through different duty stations and Connie often had only one session to help them before they moved on. Besides her conventional psychological training, Connie had a secret weapon for treating trauma. Emotional Freedom Techniques (EFT) combines elements of cognitive therapy with acupressure, in the form of fingertip tapping on acupuncture points. She describes how she used EFT to treat PTSD, anger, insomnia, depression, and stress. Many of her patients calmed down within a few minutes of tapping and were able to make substantial progress, often in just a single session. They learned EFT quickly and many referred their buddies. In this lucid and compelling account, she shares the knowledge she gained while treating 199 warriors over a total of 574 sessions. She went on to become a passionate advocate for EFT as well as work for the Veterans Administration.

**THE EMMAUS WALK** Gordy Carlson, 2024-02-06 Roughly two thousand years ago, two men were on a journey from Jerusalem to Emmaus when Jesus unexpectedly joined them. Their hearts burned within them as He conversed back and forth with them. Don't we all need a lifetime of walking with Jesus like that? This book recalls many of the author's own experiences on his Emmaus walk with Jesus. LUKE 24:13-35

**A Woman's Worth** Naomi Hafford - Smith, 2011-12 Do you feel like you have been robbed of the finer things in life? Have you emptied out more of yourself into someone than what has been deposited in you? Is the energy lost worth the results you have received? I want to stir your mind on evaluating the core essence of who you are as an individual and how life's experiences can be shaped based on the journey you take to fulfillment. This book will help you to make the necessary adjustments into living a fulfilled life, appreciating your worth and value as a woman. God created us in our original state as whole and complete. Courage is the beat that initiates the heart to love again and prophecy is the tool that brings the masterpiece to life.

*My Life Back Movement* Shane W. Kervin, 2021-02-01 Not to disrespect the many great works of art in books by authors for centuries, but other than the Bible for those who believe, never in my lifetime have I ever seen or read a more powerful life-changing tool. This work of art specializes in using easy ways to remember what you've learned. This book, which is much, much more, brings to light the darkness that has blinded the eyes of the masses for centuries. It exposes the broken human, the money racket that AFFECTS US ALL, and YOU AS WELL! The goal is to bring about awareness and present real rehabilitation that can and will change the lives of anyone held captive, not knowing their true purpose in life, from the inmate to the depressed, from the gluttonous to those plagued by chaos, anger, or anything else that has been given power over the hearts and minds of men and women since the beginning of time! THIS BOOK IS A MUST-READ!

Life Without My Point Guard Denis Hodge, 2012-12-03 Denis married his high school sweetheart, Shannon, and to that union three children were born. Tragically, their middle child, Jake, died unexpectedly in his sleep in the summer of 2008. Doctors never gave a definitive reason for his death. The loss brought unrelenting pain to the tightly-knit family, which turned to its unwavering faith for answers. It also created an environment ripe for introspection. After a great deal of soul-searching, the author found renewed purpose to his life after seeing the legacy left by his 12-year-old son. Denis shares his story in this book, which he hopes can inspire others to live a life worthy of a positive legacy.

*When God Stopped Keeping Score...* R A Clark, 2010-04-15 Anger... Resentment... Guilt... Pain... For millions of people, not every prison comes with a set of bars. That's because at some point, no matter who you are, regardless of your race, creed, religion or even gender, everyone has suffered at the hands of another person. You are not alone. The question is whether this wrong happened two minutes or twenty years ago, whether this person is living or dead, why are you still allowing yourself to suffer because of it? Why is this pain still being allowed to destroy the very relationships that you have with your friends, family, God and even yourself? There is help, but are you ready to accept it? In this ground breaking study of the power of forgiveness, R.A. Clark, an award-winning educator and life coach, challenges not only what you thought that you knew about forgiveness, but also questions the heavy emotional price that you are willing to pay to live without it. In a world where it is hard to love and there is so much to hate, finally somebody will tell the truth about the lies that we tell ourselves about forgiveness. Including... - Why you should never forgive and forget? - When is the right time to forgive anyone for anything? - Why your silence maybe slowly destroying your family? - The only biblical way that there is to forgive anyone. - Also, discover just who is the one person that you should always forgive, even when your heart tells you not to. Prepare yourself. This book is the first step in a remarkable journey to help you to become the spouse, parent, and/or friend that you were truly meant to be; the one person that many people wish they were and others only pretend to be.

I Fail to Miss Your Point Jim O'Bryon, 2007 O'Bryons new book is packed with quotes, trivia, historical interest, inspiration, and wisdom. (Christian)

**Before I Forget** Wynette Alexander-Greene, 2011-09-07 My ancestors went to Guyana, only English country in South America, by boats from different continents. My mother, Indian, father, Negro, ate the forbidden fruit. I was rejected from conception, amidst the hate and confusion. Old enough to walk, I became my older brothers Datson and Davids keeper. They were mute, deaf and later blind; I was their ears, mouth and later eyes Allegedly, curse on my mother from her father for marrying a Black man. Nothing stopped me from loving, caring, being proud of them. Bigotry, hatred, ignorance engulfed my childhood in a providently Indian village. We were dehumanized like animals, freaks and slaves. Even the good Madras people of Whim couldnt stop the horror of being Mixed. In the house of silence, practicing my vocabulary/hearing on animals. Am an animal lover till today. Was told am Indian, speak, pray in Hindi and Sanskrit, keep away from Blacks; they eat Indian children with curly hair. After ten, this barefooted Indian found her other half. Allowed to enter their homes, gravitated and become a runaway. Giant ants, deepwater, dunce cap, ostracized Mommy died, Cinderella abuse stopped when my dearest Uncle Bertram set me free on an elephant - five-dollar bill. Like barnacle, I clamped to the first man in freedom town. He gave me three beautiful children, when nothing left to clamp onto, he forced me to fly without wings. Flew to America, cold, homeless, penniless. A Stranger gave me some silver. I slept under friends table, a kind family made me and mine American Citizens. No job was too many. Goodwill perfect for low-maintenance like us. Education and focus, #1 priority I thank/forgive

those haters who looked down at me, they gave me the will to rise. I have my David, and, for not eating my young, God blessed me with six grandchildren.

**Journey Through Deuteronomy** Ajith Fernando, The temptations the Israelites faced to conform to Canaanite culture in the promised land are remarkably parallel to those facing Christians today. We, too, grapple with the issue of obedience in a world that offers other seemingly attractive ways of life. We wonder: How can we be faithful to God? And how do we help our children and the people we lead to be faithful? Moses tackled these challenges in his final speeches to the Israelites, which are recorded for us in the book of Deuteronomy. Discover why obedience is the necessary response to the God who loves and saves us. The Journey Through series provides assistance to those who desire to spend time with God in His Word, book by book. The biblical insights will help them discover the precious, life transforming wisdom of the Bible, inspiring them towards a closer walk with God.

*Just an Average Joe* Joe E. Gonzales, 2005-06 I have toyed and struggled with the thought of compiling this book for a long time; almost 35 years, in fact. Since graduating from West Point in 1974, I have visited over forty countries in my military and business career. Everywhere I've been I have looked for articles or stories that I could include in this book. Many short stories came from friends and sources marked -Unknown.' This book is dedicated to young people everywhere and written for their benefit. I realize that many young people today would rather buy a CD or DVD rather than a guidebook or an owner's manual- a book about how to improve their lives from just an average Joe. Some young people will only get this book if a parent, grandparent, aunt, uncle or probation officer gives it to them as a gift. I hope it is a gift worth keeping and sharing. Today, young people struggle with finding good examples of role models. My first role model was David Cortez while attending Rhodes Junior High School in San Antonio, Texas. David was a ninth grader and our Student Council President. He helped me with my successful political' campaign to be the next Student Council Secretary. I thought David walked on water.' David came from a strong family. He was smart, athletic, and good-looking. He had a beautiful girlfriend. David's story has a sad ending. He went on to Jefferson High, where he also excelled. He married his girlfriend- the girl of his dreams. A few years later, she tragically died in a car accident. Not much later in life, David, still a widower, died of a mysterious illness, leaving behind two young daughters. Parents should be their own kids' role models, but sometimes we, too, fall short of setting the good example for our kids. Parents lose credibility and respect because, from their kids' perspective, it seems like we were never young and rebellious. HELLO!!! We were. It is hard to believe, but we were and it was tough back then, too. It may actually be harder now in many ways- more distractions, more toys,' more peer pressure, more drugs, more gang violence, more graffiti, more sexual promiscuity, more TV, more video games and cyberspace but less family interaction and influence. Teachers, who genuinely care about their students' future success, are also rare. Teachers can be excellent role models and I applaud anyone who goes into this most honorable profession. In the business world, prudence is ignored and

now takes a backseat to personal gain at any cost, recklessness, corruption and greed in some of our largest banks and corporations. In politics, the candidates tell the electorate what's popular rhetoric: who can be against better healthcare for all, better education for our children, and a strong defense. Once elected or defeated they find it difficult to work with the opposition for the benefit of our communities and nation. Today's politicians are no longer statesmen but socialists' bent on ridiculous spending programs and bailouts of mismanaged banks, companies and corrupt governments around the world at an exorbitant cost to American taxpayers. Having said all this, I am still optimistic about our country and about many of our youth and their positive impact on our society and our world. I wish I could say that I am optimistic about all of them, but unfortunately, it will be just a few of them that will make a difference. But these few will be the leaders of tomorrow, the peacemakers, the inventors, the farmers, the space explorers, the scientists, the teachers and the caregivers that will make all the difference in our world. Their answers to our world's problems and challenges will come from within- from a strong sense of leadership, character and responsibility, self-discipline; and respect for self, the unborn, the elderly, religious freedoms, strong families, authority and the environment. This book attempts to inspire & motivate more of to

**3 to Get Ready** Frank Herbert Spittle,2015-02-21 Many opportunities surface only once. When meeting challenges, too often you'll only fire off one round. Make it your best shot. In 3 to Get Ready, Frank Herbert Spittle reviews life's aspects through "the way I see it," examining mistakes, and remedies for surviving rough patches. He offers a collection of essays, examinations, revelations, memoirs, and lamentations, all spiced with the humor found throughout his writings. The big puzzler: how to prepare the way for enjoying ones hundredth birthday. It's a large order, but everyone alive holds the gift of thirty additional years more than generational predecessors. We're all living longer.

*A Phrase for Any Occasion* Florence Powers,2007-11

The Princess and the Prince J. J. Matheis,2006-10 James, a young college student from a somewhat dysfunctional family, struggles to find his identity and his calling before the Lord.
