The Earth Walkers Helen Goldstein, 2019-08-25 *The Earth Walkers* is a story of the relationship of horses, humans, and planet earth. It is a simple story that over time we, as humans, have complicated. Once, all three lived in harmony, but humans viewed this as primitive, savage, or wild. And so we began to make our existence together more civilized. In our interference, we began to lose respect for our planet and all that lived upon it, including ourselves. One of the three, though, remained steadfast throughout the story. Horses, except in their physical appearance, have neither changed nor tried to change anything, just being themselves, constantly at our sides. Tracing the story of the relationship from the beginning of time, the unique bond between humans and horses is explored through different civilizations and cultures up to present day. It tracks the journey of the two species and the effect they had on earth as they walked around it. It also tells the story of how—when in times of disruption, chaos, and imbalance—earth has spoken to us, giving us signs; and horses have always been there, guiding us to a path back home. It is a path to a home on earth where all can live in harmony and at peace—a path that we will hopefully choose to walk together once again.

The Beckoning Michael Minot, 2014-10-15 “Encouraging to fellow believers and a revelation to skeptics . . . a fascinating read.” —Jerry B. Jenkins, #1 New York Times–bestselling coauthor of the Left Behind series I’m often asked to describe what happened during the months I spent researching these issues. They want to know what facts were so persuasive that an atheist attorney would become a believer in God. But I never felt I could respond in a way that told the true story. No short answer seemed sufficient. So now, in the following pages, I’ll describe for the first time the specifics of what jolted me out of my atheism . . . Michael felt he was living the American dream. For a number of years he’d been reaping the professional and financial rewards of being a commercial litigation attorney. To him, life was great and getting better all the time. He first gained notoriety around his hometown as a nationally ranked tennis player. But now, years later, he was becoming known for his skills as a lawyer and as the youngest elected official in the area. And then, in his late twenties, Michael unexpectedly discovered something that turned his world and his entire idea of life upside down. In response to a challenge from a friend, Michael agreed to investigate issues relating to science, philosophy, and the Scriptures. Comfortable with his life as an atheist, he began reading with an indifferent attitude. But what started as a casual inquiry soon turned into a time of intense research. This is the story of Michael’s journey in his own words, his thoughts and reactions to the evidence he discovered—and the new life that soon followed.

Father, Son, and the Other One Jeff Kennedy, 2014-02-04 God's Spirit Lives in You. Do you believe it? What's more, are you experiencing His power in your life? All too often we settle for merely learning about God rather than experiencing the present reality of His Spirit. But you have access to the presence and power of the Holy Spirit right now and if you want to live out your Christian faith with vibrancy and authenticity, it is essential that you get to know Him. Father, Son, and the Other One addresses the vital importance of the Holy Spirit in your life and shows you how to experience His presence as a transforming, empowering reality. If you have ever wondered if the Christian faith is more than mere creeds, doctrines and denominations, or if you long to know that the Jesus of history still lives and dwells in you by the Spirit of God, or if you struggle to tap into God's presence as a transforming, empowering reality, this book is for you.

After You Die Frank Santora, 2012-09-04 At a time when people’s curiosity about the afterlife is stronger than ever, Pastor Frank Santora tackles this issue head-on, delivering cultural, scientific, philosophical, and biblical evidence to unveil

the truth about the mysteries of the afterlife. Pastor Frank covers issues such as: * Is there life after death? * Is there a God? * Do heaven and hell exist? * Is hell the torture chamber that it's been purported to be? * Are there second chances after we die? * Do we have a soul, and what does it look like? * What qualifies a person to get into heaven? * And what does Jesus have to do with it all? Written for both nonbelievers and those familiar with the Bible, *After You Die* gives insightful answers to life's most probing questions while offering hope to everyone who has ever wondered what happens to us after we leave earth.

The B.U.I.L.D. Project Bernard Ruffin, 2021-08 They say that a good book can change your life. That's the mindset Bernard Ruffin took hold of when putting together The B.U.I.L.D. Project. So often people find themselves stranded and astray from the lives they hoped for or feel like they deserve, and once you're lost to the world, it's hard to find your way back to the position you want to be in. No one should face up against the hardships of the world alone, and you don't have to. The B.U.I.L.D. Project is about providing you with a life plan template that will result in an overall positive change to your experience. Yes, the roots are based in Christianity, but this book is about so much more. Through the pages of The B.U.I.L.D. Project, you will learn the importance of family and personal health, while also tackling business and your financial life. Prayer is a necessary part of many of our lives, but with this piece of work, Bernard Ruffin and PRAYpare take a look at why it's important to prepare and pray, not one or the other. The B.U.I.L.D Project is itself built upon 5 key bricks: B: Begin with Family. Making a positive change starts at home, and if we can't even reconcile with those to whom we are bonded by blood then how can we ever expect to actualize our own goals and desires? U: Understand your Ministry. This is where we get in touch with our lord and savior and unpack our own relationship with him and the house in which he presides. It's vital that we have a comprehensive understanding of how the church impacts our lives, and equally important to know how to balance it with every other moving part of being a human. I: Implement Better Health. Healthy body, healthy mind, healthy soul. These are three core building blocks for a happier, more fulfilling life, and unsurprisingly, they all inform one another. Ensuring that we feel our best physically, mentally, and spiritually is key to achieving real progress. L: Lead in Business. This is where you get down to brass tax to begin implementing the teachings in this text. With empathy and knowledge of self, you will be more capable than ever to tackle the dog-eat-dog world of business and finance. D: Develop a Better Financial Life. Life does not begin and end with money, but without it, there's not much good we can do for the kingdom. Taking everything you've learned from the project so far and using it to secure a more stable future is the best way to set yourself up for success personally and as a contributor to others.

Recover All Robert G. Reid, 2007-10-01 *Recover All* is a needed and telling guide enabling family members, companions, and friends of a chemically dependent person to comprehend the process of addiction. Written from a unique, dynamic perspective, the book equips loved ones of a chemically dependent person with practical tools to find help for the one close to

them. Having been diagnosed a chemically dependent polysubstance abuser at age twelve, author Rob Reid entered treatment more than nine times. After his ultimate recovery from the addictive hopelessness he once knew, Reid worked in a long-term residential drug and alcohol recovery program for men. While working hands-on with addicts and their families, Reid noticed a dire need to bridge the chasm of understanding between chemically dependent persons and their loved ones. The work opens by addressing what addiction is, how it develops, and the dynamics of the addictive personality. Most, however, this book shares real-life experiences from both the personal and treatment-administration perspectives. Such rare, two-perspective insight communicates the experience, strength, and hope that any person with a chemically dependent loved one longs for. *Recover All* not only shares information about addiction, but it also addresses fundamental issues and questions facing loved ones of those struggling with addiction. These issues include identifying the signs of addiction, dealing with denial both in the addict and among the addict's family and friends, overcoming rationalization, identifying and preventing manipulation, dealing with selfishness, and saying no effectively. *Recover All* provides a sensible, realistic overview of chemical dependency treatment options as well as a simple method for determining the usefulness of each treatment option in specific circumstances. Reid concludes by outlining the phenomenon of relapse and by providing the ten most detrimental behaviors a family member or friend could exhibit in a loved one's recovery process.

Constant Fellowship Miriam K. Champlin, 2011-11 So what is meditation, and how does one cultivate this lofty-sounding habit 'day and night?' Meditation has multiple facets... First, meditation is an intentional focusing of your mind and heart on God and His Word. Why meditate? Stop and think about it. The Bible never commands you to read your Bible every day. Why? Because, for the vast majority of believers throughout history, that has been an impossibility. Nevertheless, although the Bible does not command the believer to read Scripture on a prescribed schedule, it clearly emphasizes the primacy of the Word by repeatedly giving another command one that is much more far-reaching and difficult to obey. The Bible tells us to meditate day and night. The goal of meditation is to know God and to walk with Him; and because God has revealed Himself in His Word, meditating on Scripture is an essential discipline for the believer. Therefore, meditation is indispensable to knowing and obeying God. *Constant Fellowship: A Handbook on Scripture Meditation* is designed to help the believer develop Biblical life patterns of meditation.

All Creatures Elizabeth Simmons, 2016-09-02 Is it possible to learn valuable lessons about faith, family, and friendship through daily interactions with animals? Sharing life with a pet of any kind can have such a profound effect on your worldview, both globally and personally. Because there is so much to learn during our brief stint on this earth, we are best served when we allow ourselves to be schooled by even the unlikeliest of professors. If you have ever known the unconditional love of an animal, you will undoubtedly relate to the experiences recounted in *All Creatures*. Within these pages you will find a variety of stories that are sure to bring tears of both sorrow and joy. "What if our relationship with God

was such that we experienced an ache inside, a true yearning to be with him? What if we couldn't wait for the next time we would get to share a moment with him? I don't know about you, but I want my desire for communion with my Father to become an unquenchable thirst. I want to long for it with breathlessly intense eagerness, just as the dogs pant for bowls of cool water after a long day in the heat of a summer sun. I want to be refreshed, not by what the world has to offer, but by what God alone can give." —from All Creatures

A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation - Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.

Who Are the Joneses Anyway? Bob Karcher, Susan Karcher, 2016-01-26 Stop comparing and despairing—and discover an easier, happier life: “I encourage you to read this book” (Bob Buford, author of *Halftime*). Most of us have heard the expression “keeping up with the Joneses.” They’re supposed to be the perfect, successful American family that everyone wants to measure up to—but no one seems to have actually met them. The authors of this book have, though—and they’d like to introduce them to you. You might be surprised. Too often, we measure success by our accomplishments or the stuff we’ve accumulated. But life should be about so much more, like discovering who you are, why you are here, and the legacy you create. Think of the possibilities if you started living your life more intentionally, doing more of the things that matter most—and less of everything else. Could life be less hectic? What if you spent more time doing things today that could lead to a better tomorrow, instead of just trying to survive each day? What if you could live more simply, yet more fully? *Who Are the Joneses Anyway?* asks relevant questions and, with practical steps and resources, encourages you to be brave enough to seek the answers.

Woman of Grace Elizabeth R. Williams, 2021-12-13 What do you think when you hear the word grace? Is it meant for godly people alone? Is grace an opportunity to willfully sin since you’ll be forgiven anyway? Can we earn grace through our works? In *Woman of Grace*, author Elizabeth R. Williams answers these questions and more. A prophetess, teacher, writer, and mentor, Williams clarifies the true meaning of grace. Her life, full of experiences, demonstrates her understanding that nothing other than the grace of God could have sustained her. She documents her own stories and those of others to encourage women to rely on God’s grace to uphold them during any circumstances. The teachings in *Woman of Grace* help you understand your worth in Christ through his grace. It discusses how you have grace to seek God more than ever—grace to intercede for others, grace to be healed, grace to live a repentant and sinless life, grace to forgive, grace to overcome fear, and grace to enjoy God in all aspects of your life. This devotional brings healing and guidance to walk in the many graces of God. *Woman of grace*, you are an overcomer and that is what makes you beautiful and powerful.

When Tragedy Strikes Laura Diehl, 2016-01-26 “If you have suffered great tragedy and struggle to connect with God in your grief and disappointment, *When Tragedy Strikes* was written for you” (Wayne Jacobsen, author of *He Loves Me! Learning to Live in the Father’s Affection*). After the death of a child, there is no closure. It is like learning how to live with an amputation—you are forever changed and need to learn how to live a new “normal.” There can be a feeling of desperation to find someone farther ahead on the path who can understand the crushing pain that makes you feel like you can’t even

breathe at times. Laura Diehl was plunged into that place with the death of her daughter, and meets the deep need to connect with others who have experienced what cannot be put into words. When Tragedy Strikes is the raw account of her journey from deep darkness back into light and life, extending a hand of hope to those traveling on the path behind her, who need to rebuild their lives after the death of a child.

Hyper-Grace Michael L. Brown, 2014 * How do our sins affect our relationship with God?

Authentic Fire Michael L. Brown, 2015 In response to Pastor John MacArthur's call for a collective war, against charismatics, Dr. Michael Brown has called for unity in Jesus based on a return to the truth of the Scriptures in the fullness of the Spirit. As a charismatic biblical scholar and theologian, Dr. Brown responds to Pastor MacArthur's charges, making a biblical case for the continuation of the New Testament gifts of the Spirit and demonstrating the unique contribution to missions, theology, and worship made by the charismatic Church worldwide. He calls for an appreciation of the unique strengths and weaknesses of both cessationists and charismatics, inviting readers to experience God afresh, and he demonstrates how charismatic leaders have been addressing abuses within their own movement for decades. Dr. Brown speaks on behalf of millions who are not adequately trained to express in writing their own encounters with the supernatural power of God. - David Ravenhill I thank God for this biblically-robust, pastorally-sensitive, historically-informed, and graciously-articulated account of the work of the Holy Spirit in the church of Jesus Christ. - Sam Storms Dr. Michael Brown's Authentic Fire puts the brakes on John MacArthur's crusade against charismatics with irrefutable logic, extraordinary insight, Christ-like graciousness, and an undisputable handling of Scripture. - Frank Viola Michael Brown writes with clarity and courtesy as he confronts one of the most explosive issues among all those who uphold the Bible as the plumb line of truth. - David Shibley
