

Marcia Muller Books In Order

Marcia Muller

Somewhere in the City Marcia Muller, 2007 A new collection of Muller's best short fiction from the past 20 years, including hard-boiled private-eye, horror, western, and psychological suspense stories.

The McCone Files Marcia Muller, 2011-10-01 Marcia Muller is, as Sue Grafton pointed out, the creator of the modern female private eye story, and Sharon McCone is one of the finest and most sensitive of all current sleuths. Sharon came upon the scene in 1977 with *Edwin of the Iron Shoes*, the first of fifteen novels and fifteen short stories filled with cluing and caring. The *McCone Files* gathers all of Sharon's short cases into a single volume covering her entire career as staff investigator at All Souls Legal Cooperative in San Francisco. From the death of a clown in Diablo Valley to the disappearance of a young socialite on the Golden Gate Bridge, from the murder of a teenage gang leader in San Francisco to the drowning of an aged Japanese herb-gatherer, and from streets filled with juvenile runaways to the quietness of a mausoleum, Sharon investigates not only who committed the crimes but also what they say about the world toward the end of the twentieth century.

Where Echoes Live Marcia Muller, 2012-04-15 Since the Gold Rush, California prospectors have siphoned off the waters of isolated Tufa Lake, exposing the fragile, otherworldly mineral formations of the lake basin. Now a local environmental group seeks to block the latest incursion by developers—a massive mining operation funded by TransPacific, a US-Hong Kong interest that seems to be behind a series of break-ins, disappearances, and shady land deals. Into this stark, lunar landscape treads San Francisco PI Sharon McCone, searching for a local eccentric now missing after a suspicious land deal. When the bullet-ridden corpse of an investor surfaces in the lake's silvery waters, McCone finds herself on a twisted trail that leads to San Francisco and then back to where it all began—the eerie desert mesas where a murderer prepares to kill again.

Looking for Yesterday Marcia Muller, 2012-11-06 New York Times bestselling author, Marcia Muller, brings you another thrilling mystery with her famous private investigator, Sharon McCone. Three years ago, Caro Warrick was acquitted for the murder of her best friend Amelia Bettencourt, but the lingering doubts of everyone around Caro are affecting her life. Sharon McCone is confident that she can succeed where other detectives have failed (though at times it's hard to shake her own misgivings about what happened), but when Caro is brutally beaten right at Sharon's doorstep, the investigation takes on a whole new course. How many more people remain at risk until Amelia's murderer is finally caught?

Burn Out Marcia Muller, 2008-10-27 New York Times bestselling author, Marcia Muller, brings you another thrilling mystery with her famous private investigator, Sharon McCone. Traumatized by a recent life-or-death investigation, Sharon McCone flees to her ranch in California's high desert country to contemplate her future. Deep depression shadows her days and nights, and a chance encounter with a troubled, highly secretive Native American woman begins to haunt her dreams. Even though she is determined not to investigate anything during her stay -- and perhaps not ever again -- McCone is drawn into the plight of the young woman and her dysfunctional family. A murder and traces of violence at a deserted resort lead her across the desert and into Nevada, and finally to a remote and isolated ranch, where danger lies closer than she expects and where her future and life itself may hang in the balance.

Coming Back Marcia Muller, 2011-10-01 In *Locked In*, San Francisco private eye Sharon McCone was shot in the head and suffered from locked-in syndrome: almost total paralysis but with an alert, conscious mind. Now, as Sharon struggles to regain control over her body, she wants everything to go back to normal, but realizes that it may not be possible to return to her old life. Meanwhile, Sharon's relationships are suffering. Her husband is impatient with her refusal to accept help and some of her colleagues doubt her abilities after the accident. But when Sharon's friend from physical therapy goes missing, she must call upon those closest to her to find out the truth behind the disappearance. The investigation soon points to issues of national security and proves to be the most dangerous and critical case yet for Sharon and her colleagues.

Food, Drink, and the Female Sleuth Patricia Wells Lunneborg, 2001 From the author of books about women police officers and a retired editor who's now a volunteer cop in small town America, *Food, Drink, and the Female Sleuth* gathers together the best food scenes in mainstream detective fiction. Over 140 flavorful contributors, over 250 slurpy excerpts, 23 rich chapters with titles like "Undercover Grub and Stakeout Takeout," "Junk Food on the Run," "A Dozen Ways to Feed Your Lover," "Bribing with Food," and "The Last Bite." Like us, PIs, cops, and amateur sleuths ARE what they eat. Also they are known by how they eat, where they eat, why they eat, and by who does the cooking. What better way to flesh out a sleuth's work partner than "Let's Have A Drink," or spell out social class with humor in "Upper and Lower Crusts"? What better way to get a plot underway than breakfast? Or stir in suspense and foreshadow events in "Let's Do Lunch"? This book is for anyone whose shelves are stacked with really good detective novels and really good food. Face it, if you like to eat, put *Food, Drink* on your table.

Dead Midnight Marcia Muller, 2008-11-15 New York Times bestselling author, Marcia Muller, brings you another thrilling mystery with her famous private investigator, Sharon McCone. Sharon McCone has decided to throw herself into work so she can get past her brother's suicide, but the wrongful-death suit she is working on hits too close to home. It's a civil case in which the family of a young 'zine employee claims his suicide was the result of his company's treatment of him. In his final journal entry, Roger Nagasawa describes his fatal plunge from the San Francisco Bridge as being swept away

from sadness. With the help of her friend, J.D. Smith, McCone investigates the InSite offices and soon learns of its publisher's less-than-professional activities. She also learns that Roger had been afraid for his life since he was a witness to computer espionage. Faced with the death of her friend, Smith, and the sudden disappearance of Roger's associate, McCone must keep one step ahead of the game and solve this mystery -- or else become the next victim.

City of Whispers Marcia Muller, 2011-10-26 Private eye Sharon McCone's search for her emotionally disturbed half-brother in San Francisco turns up a dead body with a connection to the unsolved murder of a young heiress, in this new mystery from the author of *Coming Back*. 50,000 first printing.

Someone Always Knows Marcia Muller, 2016-07-05 New York Times bestselling author, Marcia Muller, brings you another thrilling mystery with her famous private investigator, Sharon McCone. Finally settled into their new home after losing their house in a fire, and fully established in their new shared offices, private investigator Sharon McCone and her business partner husband Hy are starting to feel comfortable. That calm is shattered when Hy's former colleague Gage Renshaw--a shady troublemaker who they had presumed dead--reappears, and it's unclear what he wants from his prosperous former associate. Meanwhile, Sharon has a new client with a desire to rid a derelict house he's just bought in the city's notorious Western Addition neighborhood from intruders, drug users, and thugs. However, the abandoned house holds its share of secrets, and soon Sharon is contending with more than a simple eyesore as she searches for the individual who is obsessed with destroying her life....

The Dangerous Hour Marcia Muller, 2007-07-31 San Francisco's toughest private eye, Sharon McCone, is back and fighting for her life in Marcia Muller's acclaimed series. Sharon McCone's detective agency is growing and the future is looking bright. But when one of her employees--the streetwise and savvy Julia Rafael--is arrested for stealing a credit card from a client, the entire firm's reputation could be ruined. Although the evidence against her is strong, Julia swears she's innocent. And as McCone begins to dig deeper, she discovers that someone is out to destroy everything she's built. Now it's her turn to prove just how tough she really is, and how far she'll go to get justice...and some payback of her own.

There's Something in a Sunday Marcia Muller, 2013-02-01 It's a cold Sunday in San Francisco. Sharon McCone's alone on a routine surveillance job, following a man named Frank Wilkonson through the city's lush horticultural hot spots to the sere foothills of the Diablos. But when she returns to find her kindly, old client in a pool of blood, nothing she's learned explains it. The search of answers takes her from Wilkonson's sullen brood on Burning Oak Ranch, to the eccentric havoc of a household in the Haight, to Golden Gate Park and the desperate digs of the homeless. Unraveling the threads that link a homeless man, a pair of prominent activists, a wayward rancher, and a mysterious missing beauty, Sharon is plunged into the depths of domestic mayhem ... entering a realm where dreams shatter and marriage leads to bloody murder.

Vanishing Point Marcia Muller, 2006-07-10 In the latest installment in this critically acclaimed series, Sharon McCone is

hired to investigate one of San Luis Obispo County's most puzzling cold cases. A generation ago, Laurel Greenwood, a housewife and artist, inexplicably vanished, leaving her young daughter alone. Now, new evidence suggests that the missing woman may have led a strange double life. But before McCone can penetrate the tangled mystery, she must first solve a second disappearance--that of her client, the now grown daughter of Laurel Greenwood. The case, which forces Sharon to explore the darker sides of two marriages, comes uncomfortably close on the heels of her own marriage to Hy Ripinsky, and she begins to doubt the wisdom of her impulsive trip to the Reno wedding chapel.

Locked In Marcia Muller, 2010-10-01 Shot in the head by an unknown assailant, San Francisco private eye Sharon McCone finds herself trapped by locked-in syndrome: almost total paralysis but an alert, conscious mind. As she lies in her hospital bed, furiously trying to break out of her body's prison, all the members of her agency fan out to find the reason she was attacked. Meanwhile, Sharon becomes an incapacitated detective, evaluating the clues from her staff's separate investigations and discovering unsettling truths that could put her life in jeopardy again. But as the case draws to a shocking conclusion, her husband, Hy, threatens to return to his own violent past--and exact fatal vengeance on Sharon's would-be killer.

The Color of Fear Marcia Muller, 2017-08-08 In New York Times bestselling author Marcia Muller's captivating mystery, private detective Sharon McCone's investigation hits closer to home than ever before? The Color of Fear When a knock on the door in the middle of the night wakes Sharon, she's wholly unprepared for the horrifying news: her father has been the victim of a vicious, racially-motivated attack. A nationally recognized Shoshone artist, Elwood had been visiting Sharon for the holidays, browsing for gifts in San Francisco's exclusive Marina district when he was set upon by a mob of angry young men. Now he lies in a coma, hovering between life and death. With little progress on the investigation from the overworked, short-handed police, Sharon resolves to track down Elwood's attackers herself. But when Sharon begins receiving hate-filled, racist threats from a shadowy group, it becomes clear that her pursuit of justice may be putting her own life in jeopardy...

The Breakers Marcia Muller, 2018-08-14 New York Times bestselling author Marcia Muller is at her page-turning best in *The Breakers*, as she digs into a particularly disturbing corner of San Francisco's history--one that Sharon McCone may not escape alive. Sharon gets a request from her former neighbors the Curleys. Their usually dependable daughter, Chelle, hasn't answered their calls in over a week. Would Sharon check on her? Chelle, a house flipper, has been living at her latest rehab project: a Prohibition-era nightclub known as the Breakers, formerly a favored watering hole for San Francisco's elite, now converted into a run-down apartment building. There's something sinister about the quirky space, and Sharon quickly discovers why. Lurking in a secret room between two floors is a ghastly art gallery: photos and drawings of mass murderers, long ago and recent. Jack the Ripper. The Zodiac and Zebra killers. Charles Manson. What, an alarmed Sharon wonders, was Chelle doing in this chamber of horrors? And as Sharon begins to suspect that the ghoulish collage may be more than just a

leftover relic of the Breakers' checkered history, her search for Chelle becomes a desperate race against the clock before a killer strikes again. [Marcia Muller's] stories crackle like few others on the mystery landscape. -- San Francisco Examiner & Chronicle Muller undoubtedly remains one of today's best mystery writers. -- Associated Press

Ice and Stone Marcia Muller, 2021-08-10 Private Investigator Sharon McCone goes undercover to investigate the murders of two Indigenous women in remote Northern California in this gripping, atmospheric mystery in the New York Times bestselling series. When the bodies of two Indigenous women are found in the wilderness of northern California, it is only the latest horrific development in a string of similar crimes in the area. Despite all evidence to the contrary, officials rule the deaths isolated incidents, which soon join the ranks of countless other unsolved cases quickly dismissed by law enforcement. In a town where too many injustices are tolerated or brushed under the rug, only a few people remain who refuse to let a killer walk free. But Private Investigator Sharon McCone is one of those few. She is hired by an organization called Crimes against Indigenous Sisters to go undercover in Meruk County—a community rife with secrets, lies, and corruption—to expose the truth. In an isolated cabin in the freezing, treacherous woods, McCone must work quickly to unravel a mystery that is rooted in profound evil—before she becomes the killer's next target.

A Walk Through the Fire Marcia Muller, 2016-03-01 New York Times bestselling author, Marcia Muller, brings you another thrilling mystery with her famous private investigator, Sharon McCone. Sharon McCone, weary of San Francisco's persistent rainy weather, jumps at the chance to investigate sabotage on the set of a documentary film being shot on the island of Kauai. Based on the writings of Hawaiian scholar Elson Wellbright, the film has incited major controversy among some of Wellbright's family members who aren't anxious to see the project reach completion. Vandalism quickly escalates into big-time violence, and McCone discovers a world of family secrets, drug dealing, political insurgency, and murder in this new crime novel by one of the world's most beloved mystery writers.

A Wild and Lonely Place Marcia Muller, 2009-05-30 The bestselling author of *Till the Butchers Cut Him Down* presents her latest mystery starring Sharon McCone. Investigating a terrorist bombing at the Consulate of an Arab Emirate, Sharon is thinking only of the million-dollar-reward—until she meets the consul general's daughter. When the girl disappears, Sharon risks everything to save her.

Wolf in the Shadows Marcia Muller, 1993 While investigating her lover's disappearance, San Francisco private investigator Sharon McCone stumbles upon some unpleasant truths

FAQs About Marcia Muller Books In Order Books

What is a Marcia Muller Books In Order PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Marcia Muller Books In Order PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Marcia Muller Books In Order PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Marcia Muller Books In Order PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Marcia Muller Books In Order PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to

set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss.

Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
