**Out of Season** Rev. James M. Munyi, 2017-09-15 One of the aspects of my professional practice and which I have truly owned and enjoyed is writing daily reflections for my coworkers. Herein are assorted reflective subjects to encourage identity focus and meaningmaking in places where we are placed for Kingdom representation. Kingdom citizens must carry their identity wherever they are placed, particularly in the workplace. On the afternoon of Wednesday, the 23rd of May 1973, a Kingdom citizen, Justus Mbulikhe, introduced me to King Jesus because he carried his Kingdom identity with him. This fits well with our Kingdom witness, our new identity in Christ Jesus as Christian believers. St. Paul, quoting Aratus the Greek poet, puts it beautifully: For in him we live and move and have our being (Acts 17:28). As a professional chaplain in a hospital context, I help patients, families, and staff discover, utilize, and draw from their own spiritual reservoirs. As I offer compassionate presence, I am sensitively careful to respect individuals spiritual state. And while I have no personal agenda, I allow my Kingdom identity to speak for itself. I hope that these reflections will nurture the readers spirit as they have nurtured mine.

From Prison to Possibilities Kim Nugent, 2021-11-06 The purpose of this book is to develop a plan for your successful transition from incarceration to living a full and productive life post-release. Ideally, the process of getting ready for the transition starts six months prior to your release. The ideal structure is for you to have a mentor and go through this program every week while still in prison and twelve weeks post-incarceration. The objective is to reduce recidivism by addressing community-reintegration issues and providing a structure for transition success. In other words, to keep you from returning to prison by helping you build a successful life as you address typical problems in the free world outside of the prison walls! The book provides some prework to get you ready to reach out to a mentor. Once you are ready, you and your mentor will meet weekly to discuss the chapter. The design of the book is to provide you with an opportunity to work on life and employability skills. Finally, a checklist and templates are provided to ensure post-release readiness. By the grace of God, most people have not been incarcerated and probably cannot imagine how their life would have turned out if they had gone to prison. It is my prayer that if you or your family member or a church partner are reading this book, they will believe you are worth it and want to reinvest in you to give you a second chance. We all deserve a second chance. Certainly, God has provided for a lifetime of chances!

**Holy Mavericks** Phillip Luke Sinitiere, Shayne Lee, 2009-04-01 Joel Osteen, Paula White, T. D. Jakes, Rick Warren, and Brian McLaren pastor some of the largest churches in the nation, lead vast spiritual networks, write best-selling books, and are among the most influential preachers in American Protestantism today. Spurred by the phenomenal appeal of these religious innovators, sociologist Shayne Lee and historian Phillip Luke Sinitiere investigate how they operate and how their style of religious expression fits into America's cultural landscape. Drawing from the theory of religious economy, the authors offer new perspectives on evangelical leadership and key insights into why some religious movements thrive while others decline. Holy Mavericks provides a useful overview of contemporary evangelicalism while emphasizing the importance of supply-side thinking in understanding shifts in American religion. It reveals how the Christian world hosts a culture of celebrity very similar to the secular realm, particularly in terms of marketing, branding, and publicity. Holy Mavericks reaffirms that religion is always in conversation with the larger society in which it is embedded, and that it is imperative to understand how those religious suppliers who are able to change with the times will outlast those who are not.
