What You, Animal Lover - Need To Know Right Now James Dazouloute,2019-09-15 Think Like An Animal, because you must, in order for them to communicate with you, also because all the atrocious murders that take place along with all the animal abuse taking place in this world, are all because we refuse to think like the animals in our world, nor do we love them as we love ourselves. And so I wrote this book in order that you may get to know the many animals that you will encounter during your lifetime, whether at The Zoo, or in your National Park, or at your Local Animal Shelter and even in your house and backyard as your pets. So that the more you know about the Characteristics and lifestyle about a particular animal, the more likely you will take time to appreciate what it's doing, and will not have to call Animal Control to have that particular animal put down. So this is why this book: What You, Animal Lover - Need To Know Right Now was written with you in mind, since you love the animals that God placed in your world so much. - <https://www.JamesDazouloute.net/> - For More:

Learned Dependency Citizen Kim,2021-06-21 This book examines the insights of a common man as he examines problems within our country and problems people most deal with on a daily basis. Did you know that our country is over \$20 trillion in debt? The average American can't even comprehend how many zeros that is. How did we accumulate that much debt, and how do seemingly intelligent people make similar life-altering mistakes in their personal lives? Why do people scream "Defund the police!" yet immediately dial 911 when it's their own personal safety at risk? Why must government entities solve our personal problems? Are you capable of logical and rational thinking? Do you see yourself as being self-sufficient, resilient, and capable of solving your own problems? If so you, you have taken the first steps to independence, self-worth, and personal success. Are you willing to accept the challenges of thinking for yourself and being responsible for your own well-being and success? Do you object to your hard-earned money being wasted on taxes and government programs designed to make totally capable people dependent on the government and others? If you want an everyday workingman's answers to these questions then take up the challenge, open the front cover, and let's see what happens.
