## Lillian Stinson

Four-Month Nightmare: Take the Time to Know the Signs Lillian Stinson, 2016-06-17 Most people hope to find love in their lives. When you are a single parent, finding the right person can be more complicated. But that does not mean one wants a loving relationship less. In her book, *Four-Month Nightmare: Take the Time to Know the Signs*, author Lillian Stinson introduces April Washington, a strong, African American, single mother. When she meets Bobby Miller, she hopes he is the one. He's nice, caring, attractive, and helpful. He has a past, but April can look beyond that as long as Bobby stays out of jail. Things start out well, but when April wants to take things slowly, Bobby would have none of it. He turns into a mean, hurtful, heartless man. April has to take quick, life-changing action to keep her and her daughter safe. Stinson is not unfamiliar with the drama April and her daughter go through in *Four-Month Nightmare: Take the Time to Know the Signs* because she went through a similar experience. And like April, with the help from God, family, and friends, she got her life back.

**European Asylum Law And International Law** Hemme Battjes, 2006 Community asylum law is becoming ever more essential to asylum law in Europe. But many intricate questions about this new body of law remain to be resolved. Do the

Community rules weaken or improve the position of asylum seekers? Would a future Community asylum law have to observe international norms? What role should the Court of Justice play in asylum matters? And does the communautarisation of asylum law affect the possibilities of asylum seekers to approach domestic courts, or the European Court of Human Rights? These and other questions are addressed in this book. It offers, besides an in-depth study of the relation between European and international asylum law, a practical manual for European asylum law. It discusses the content and meaning of all Community regulations and directives on asylum, as well as their possible use (and reliability) in domestic proceedings.

Shelter Security in Urban India Darshini Mahadevia,2015-01-01 There is either glamourizing of informal sector or a desire to rapidly formalize it, the latter leading to exclusions and disruptions in people's life. But, the residents of these informal settlements desire change, but at a pace and way suitable to them. This book is a collection of articles on shelter security in urban India based on the research work undertaken at the Centre for Urban Equity (CUE), CEPT University over the last few years. The articles are on formation of informal settlements and living conditions in them, rental housing in the informal sector, learning from interventions to change living conditions in the slums and other informal settlements and efficacy of the public housing programmes, mainly under the Jawaharlal Nehru National Urban Renewal Mission.
