Sanathana Sarathi English Volume 05 (2000 to 2010) Sri Sathya Sai Media Centre,2022-11-11 Started in 1958,

Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paeon of triumph when universal Ananda is achieved.

**Indian Diaspora in the Caribbean** Rattan Lal Hangloo, 2012 This volume seeks to explore some aspects of the history of Indian emigration to the Caribbean, which is one of the most significant events in the history of Indian indentured migration that took place to different parts of the world during the second half of the nineteenth century. The Indians faced many hardships in the Caribbean during the initial stage of their migration. However, over the years, they have become one of the most successful immigrant ethnic groups in the Caribbean. This book studies key facets of this retention of the Indian ethos. While doing so, it also analyses notions of religiocultural transformation, identity reconstruction, political participation and transformations, as well as resistance to enslavement and other oppressions. The contributors to this volume, who are recognized scholars and academics in the field of Caribbean studies, also have the advantage of first-hand knowledge and the experience of being a part of the Indian diaspora in the Caribbean.

Indo Nepalese K.K. Muktan, 2018-01-01 This book makes a critical re-appraisal of the ethno-cultural dimensions of Nepal and India and traces the parameters of socio-cultural, political, religious and linguistic unities and uniformities that exist

between the two countries. The Gangetic valley of India was the cradle of Indo-Aryan civilization while Gandaki river of Nepal happened to be the ancient habitat of the Nepalese people. The former was known as Aryavarta (land of Aryans) while the latter was called Sapta-Gandaki (basin of seven tributaries of Gandaki). As the Aryans grew-up in population they advanced further towards the east and pushed the indigenous tribes living there up the sub-Himalayan region. As a result, the Kiratas were the first historically known people to enter Nepal from the North-Eastern frontiers of India. A few centuries thereafter, more advanced Hinduised people from northern India known as the Lichchhavis, Thakuris, and Mallas went to Nepal and established their kingdoms. They carried with them India's vedic culture and religion and initiated the people of Nepal into their culture and faith. The advent of the Rajputs in 14th century and the rise in power of the Gorkha dynasty, eventually succeeded in uniting the small principalities into a greater Nepal in the middle of 18th century. Mr. Muktan, in this book, lucidly brings out the close affinities of culture, religion, language and ethnicity that exist between the peoples of India and Nepal and yearns for a closer relationship, harmony and richness of life between them.
