Be Water, My Friend Shannon Lee, 2020-10-06 Bruce Lee's daughter illuminates her father's most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. Empty your mind; be formless, shapeless like water. Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in *Be Water, My Friend*, Lee's daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee's teachings, expanding on the foundation of his iconic “be water” philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father's life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee's words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. *Be Water, My Friend* is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to inspire many around the world

to transform their lives.

To Be Like Water Margot Rossi, 2021-09-21 Drawing on South and East Asian philosophies and medicines, this book illustrates how our bodies and minds are influenced by our actions, habits, aging, trauma and thought patterns. Using the analogy of being like water, Margot Rossi presents a range of practices - including imagery, Daoyin therapeutic movement, yoga and mindful attention - that help build awareness and potentially shift our form, physiologically and neurologically. The first section of the book is dedicated to exploring the virtues of being like water, based on 30 years of Rossi's professional and personal experience. Each essay ends with Daoyin therapeutic movements, learned and interpreted from the oral teachings of 88th-generation Daoist master Jeffrey Yuen. The second section offers teachings of Classical Chinese Medicine theory for patients and practitioners alike. It includes detailed case studies, basic diagnostic steps and demonstrates how health concerns can be used as a foundation for change and growth.
