White as the beloved children's book author who gave us Charlotte's Web and Stuart Little, but did you know that most of his career was spent writing for famous magazines like The New Yorker? His lifelong dream to write a children's book about a mouse would take years to get published before it became the classic book we know and love today. A few years later, White would publish yet another children's book inspired by a pig he had raised and a spider whose webs he loved to admire in his barn.

Charlotte's Web/Stuart Little Slipcase Gift Set E. B. White, 2004-10-26 This is the first children's book by the distinguished author E. B. White. Stuart Little, the hero, is a mouse in the family of Frederick C. Little and is a debonair little character with a shy, engaging manner and a somewhat philosophical turn of mind. He is a great help around the house, and everybody except Snowbell the cat likes him a great deal. In spite of his small size, Stuart gets around in the world, riding a Fifth Avenue bus, racing (and winning in) a sailboat in Central Park, teaching school for a day, and so on. His size -- just over two inches -- does give him some trouble now and then, like the time he was rolled up in the window shade, or when he got dumped into a garbage scow. But on the whole his life is a happy one. His great adventure comes when, at the age of seven, he sets out in the world to seek his dearest friend, Margalo, a beautiful little bird who stayed for a few days in the Littles' Boston fern. It is on this search that we leave Stuart, going north in his little car, sure he is heading in the right direction. In

this special gift-book edition of a beloved classic, renowned artist Rosemary Wells has lovingly added delicate watercolor to the original black-and-white drawings by Garth Williams. Stuart Little, small in size only, has the indomitable spirit of a heroic figure, and his story, funny and tender and exciting by turns, will be read, reread, and loved by young and old.

Letters of E. B. White, Revised Edition E. B. White,2006-11-28 Originally edited by Dorothy Lobrano Guth, and revised and updated by Martha White Foreword by John Updike These letters are, of course, beautifully written but above all personal, precise, and honest. They evoke E.B. White's life in New York and in Maine at every stage of his life. They are full of memorable characters: White's family, the New Yorker staff and contributors, literary types and show business people,

farmers from Maine and sophisticates from New York-Katherine S. White, Harold Ross, James Thurber, Alexander Woolcott, Groucho Marx, John Updike, and many, many more. Each decade has its own look and taste and feel. Places, too-from Belgrade (Maine) to Turtle Bay (NYC) to the S.S. Buford, Alaska-bound in 1923-are brought to life in White's descriptions. There is no other book of letters to compare with this; it is a book to treasure and savor at one's leisure. As White wrote in this book, A man who publishes his letters becomes nudist-nothing shields him from the world's gaze except his bare skin....a man who has written a letter is stuck with it for all time.
