**Vanderlei Dorneles**

**El nuevo orden mundial** RALPH EPPERSON,2015-05-25 El Gran Sello de Estados Unidos, en el que aparecen grabados una pirámide, un águila, frases en latín, etcétera, se reproduce también en los dos círculos del reverso de los billetes de un dólar, pero pocas personas saben qué significan esos símbolos. La clave para entender su sentido oculto es la traducción de la frase latina *Annuīt coeptis novus ordo seclorum* (Anunciando el nacimiento del nuevo orden mundial), presente en lo que se conoce como el reverso del Gran Sello. El historiador y autor Ralph Epperson se ha dedicado en cuerpo y alma a desentrañar qué hay detrás de todo ello, detrás del llamado destino secreto. Este destino futuro es tan funesto que quienes defendían los cambios que conlleva tuvieron que ocultar esa verdad valiéndose de símbolos. El nuevo orden mundial es un exponente ampliamente documentado de lo que significan esos símbolos.

El Nuevo Orden Mundial Cooltura,2023-05-26 La obra de Ralph Epperson, *El nuevo orden mundial*, postula que un grupo secreto de personas poderosas domina los gobiernos y sistemas financieros de todo el mundo. En su interesante investigación, con puntos fuertes y débiles, el autor argumenta que esta élite ha estado trabajando durante siglos entre bastidores para instalar un gobierno mundial y controlar los recursos de todos los países. Según Epperson, el objetivo final sería crear un estado totalitario, sin fronteras, en el que los derechos individuales sean eliminados y el control resulte absoluto.

*The New World Order* Ralph Epperson,2018-01-13 This book by A. Ralph Epperson purports to uncover hidden and sinister meanings behind all the symbols found on the Great Seal of the United States, committing America to A Secret Destiny.

*The New World Order* Cooltura,2023-05-26 Ralph Epperson's book, *The New World Order*, postulates that a secret group of powerful people dominates governments and financial systems around the world. In his interesting research (with strengths and weaknesses) the author argues that this elite has been working behind the scenes for centuries to create a world government and control all the countries' resources. According to Epperson, the goal would be to create a totalitarian, borderless state in which individual rights are eliminated and control is absolute.

**The New World Order** A. Ralph Epperson,1991 The Great Seal of the United States with a pyramid, an eagle, Latin phrases, etc., has been reproduced in the two circles on the back of every American dollar bill, but few in America know what

these symbols mean. The key to understanding the meaning behind these symbols is found in the translation of the Latin phrase Annuit coeptis novus ordo seclorum (Announcing the birth of the New World Order), found on what is known as the Reverse Side of the Great Seal. Historian/author Ralph Epperson has spent many years researching the history of the Great Seal, and has discovered that those who designed the two circles committed America to what has been called a secret destiny. This future destiny is so unpleasant that those who wanted the changes it entails had to conceal that truth in symbols. This book, The New World Order, is the amply documented explanation of what those symbols mean. The author is making his research available to the American people so that they may know just what their future is, and so that they can take corrective action. - Back cover.
