The Curvy Girl's Firefighter Adriana French, Turns out, the curvy woman of my dreams is my boss's daughter, but there's no turning back now. I'll move heaven and earth to claim her as mine forever. I wasn't expecting to find her with green goo all over her face, trapped on a balcony, wrapped in a towel that barely covered her butt cheeks, but I'm not complaining. The sundress she wore on our date to the Farmers Market more than made up for it. Quinn drove me insane that day. I couldn't keep my hands off her, and got so protective, I almost knocked her idiot ex-boyfriend out cold. Later that night, Quinn and I barely made it through her front door with our clothes on. Now, I've been dreaming about her curves day in and day out— (awake dreams if you catch my drift...) It isn't only her body that has me falling fast, it's her heart, her artistic talent, her gentle demeanor, the way I can be honest with her about everything. I thought she was being honest too. But I just discovered her over-protective father just happens to be the Fire Chief of West Palomino—my new boss. There's going to be hell to pay for going anywhere near Quinn. But I'm in love with her, and there's no turning back now. I'll move heaven and earth to claim her as mine forever. Rescued by the Cowboy Firefighter is a short, sweet, rough and dirty cowboy-loves-his-curvy girl romance. The story is a perfect length for when you're craving a romantic escape on a short flight, while lounging by the pool, or just before bed. So grab the reins, and start your quickie with this sexy cowboy! *No Cliffhangers *No cheating. *Happily ever after guaranteed. The Curvy Girl's Hot Cowboy Summer Adriana French, A mix up with accommodations leaves a grumpy cowboy and a curvy bombshell stranded at their friend's ranch resort wedding on the Santa Barbara Coast. I'd given up on ever finding another woman to share my life with. When Amanda died, my world ended too. But the work on my family's Montana ranch leaves me too exhausted to waste time reminiscing about what might've been. Even though I've soured on love, I didn't have the heart to turn down the invitation to my buddy's destination wedding in California. To say I was surprised when I discovered I wasn't alone in my seaside cottage, is putting it mildly. One look at Sophia's curves in that short little nightgown was enough to make my head spin. I won't even mention what I was tempted to do to her the next day on a public beach. Let's just say slathering that suntan lotion on her luscious body put me over the edge. I'm not the kind of man to kiss and tell, so don't expect me to divulge what we did during the rehearsal dinner. I'll let you find that out for yourself. One thing is for sure though, when the time comes for us to head back home to Montana, if I have it my way, Sophia will be mine forever. Hot Cowboy Summer is a short, sweet and steamy, cowboy-loves-his-curvy girl romance. The story is a perfect length for when you're craving a satisfyingly romantic escape during a flight, while lounging by the pool, or just before bed. *Standalone Read. *Happily ever after guaranteed. . . . Wild For Her Adriana French, 2021-08-19 When the alpha cowboy you had your one and only one night stand with, turns out to be your new billionaire boss... Blade Even billionaires get lonely sometimes. That's why when my private jet landed early, I decided to kill some time at the airport bar before going home to the ranch—It was just me and my whiskey last night, until she walked in. Dressed in a suit that hugged her curves, the dark-haired beauty wasn't my usual type, but Lord have mercy, when she locked her big brown eyes on mine, my heart jack knifed. I made a beeline to her quicker than a stallion chases a mare. No names. That was the deal. Five whiskies, and the best night of my life later, I can't get her out of my head. And hell, I had no idea she was the attorney my parents hired for our Montana land deal. Now she's under my nose every second of every day. And am I supposed to think straight when she's sleeping ten feet away from me? She says we need to keep things strictly professional from here on out, but what I have in mind has nothing to do with business and everything to do with pleasure. She'll need several good long rides in my saddle to learn my cowboy ways. And when she does, there'll be no turning back. If I have it my way, that little filly will be driving me wild for the rest of my life. Saddle up, Sugar. A new breed of cowboy-cavemen is here. They're dirty and filthy rich.
