A quick flick through the screens and I find that maybe the range according to topography on the map display screen is less flaky. My main wish is that they've stopped the inappropriate implementation of EU HS ebike route restrictions in countries where they don't apply. That could quite possibly make ... **Bosch Lock function on multiple bikes? | Electric Bike Forums** Apr 11, 2021 · I originally purchased the lock function for my R&M Delite with the Kiox display.
