The American Joes Don Otey,Otey Don Otey,2009-12 The American Joes by novelist Don Otey reveals the plan of a small group of modern-day patriots who vow to return the country to the federalist principles of its Founding Fathers. Working over decades, these men and the protégés they groom have worked peacefully from within to return the government to conformance with the U.S. Constitution. In constant fear of exposure, they move slowly to reverse the trend toward socialism and big government. The quintessential hero of the novel is 'the American Joe' personified by four dedicated achievers. Their initial foes are domestic and international special interests, but they soon find the greatest threat of all is from within—corrupt, self-serving politics. Written in tense, nail-biting prose, this political thriller could be ripped from today's headlines. It is a cautionary tale that puts the reader on guard to a basic truth: each one of us shares the responsibility for insisting on a return to the principles that made our country great.

*Upon the Altar of Freedom* Jill Smith,Terry Smith,Richard Salcido,2023-10-02 Heart-gripping accounts from family, friends, and military brethren show that the battle seldom ends when veterans come home. The physical and psychological scars mar them for life, a permanent bane that they endure for our peace and safety. Such scenarios have occurred countless times throughout our country's history to defend the red, white, and blue. Remarkably, most would do it all over again if needed. Despite PTSD, one such veteran, Jeremy Smith, continues to deeply touch the lives of those around him. Upon the Altar of Freedom shares the soul-touching quest of Jeremy and his family as they endeavor to ensure that he lives the American dream for which he fought valiantly, despite his torments. Marvel as you read how they silently embrace suffering so that we can enjoy freedom and liberty.

**Cataract City** Craig Davidson,2014-07-08 A searing novel about two friends on opposite sides of the law, from the author of *Rust and Bone*, a writer of immense power (Peter Straub) On the Canadian side of Niagara Falls, life beyond the tourist trade isn't easy. Locals like Duncan Diggs and Owen Stuckey have few chances to leave. For Duncan, that means shift work on a production line. For Owen, it means pinning it all on a shot at college basketball. But they should know better; they've been unlucky before. As boys, they were abducted and abandoned in the woods. Though they made it out alive, the memory of that time won't fade. Over the years they drift apart, but when Duncan is drawn into a chaotic world of bare-knuckle fighting and other shady dealings, Owen, now a cop, can't look the other way any longer. Together, they'll be forced to survive the wilderness once more as their friendship is pushed to the limit in *Cataract City*, a white-hot novel by the rising star Craig Davidson.
