Muhammad: the Demon Possessed False Prophet of Islam Jamaal Williams, 2024-04-01 "Woe is me poet or possessed..." — Muhammad Could it be that one of the most influential men in history was manipulated by satanic powers? It's time to unveil the many unsavory truths about the founder of Islam, Muhammad, drawn directly from Islamic sources. The prophet of Islam was arguably demon-possessed or severely demonically influenced. Muhammad's prophetic career began with an encounter with a spirit entity in the cave of Hira. Islamic literature states that the alleged angel, Gabriel, manhandled and abused him, leaving him terrorized, suicidal, and in a state of madness. This encounter alone should raise red flags. Moreover, Islamic texts report that Muhammad was under a black magic spell, uttered the words of Satan in the infamous "Satanic Verses" event, and had a demonic spirit guide or familiar spirit. Again, this is all coming from Islamic texts! Additionally, Muhammad and many of his contemporaries believed he was demon-possessed. Indeed, he experienced many

strange physical manifestations such as twitching, foaming at the mouth, convulsing, roaring, or snorting like a camel that was falsely believed to be “divine inspirations” from the supposed angel Gabriel and/or Allah. These disturbing accounts form the basis of our e-book, which gives an uncensored and uncompromised look at Muhammad and the religion he founded, Islam. The content of Islamic texts is shocking, appalling, and downright disturbing. Much of such information is not even known to educated Muslims. Nothing is held back when Muhammad's deplorable morality is scrutinized. Would God, who is righteous and holy, work behind a person who sanctioned many atrocious acts and practices—child marriage, wife beating, assassinations, torture, and sex slavery? Was Muhammad a perfect example for mankind, as many Muslims believe, when Islamic sources document actions that many today would describe as cruel, discriminatory, oppressive, and tyrannical? What is also covered is his controversial consummation of marriage to a 9-year-old girl named Aisha at the age of 54. What spirit was moving behind Muhammad to practice what many today would consider to be gross crimes against humanity? This e-book has a wealth of evidence that Muhammad was indeed demon-possessed and thus should be considered a false prophet of God. We thoroughly examine the idea of him being demonically influenced using over 1,000 direct quotations (all hyperlinked directly to the source) from the most authoritative Islamic sources (the Quran, authentic hadiths, tafsirs, sirah literature, etc.). The idea that the enemy manipulated Muhammad is not the conclusion of a mere layman in demonology but of someone with many years of experience in deliverance ministry (i.e., expelling demons out of people by the power and authority of Jesus). With this expertise, the e-book uncovers not only the evidence but also the broader implications: What would be the purpose of Satan using Muhammad? One reason is to blind people's minds from believing the Gospel—that Jesus is the only-begotten Son of God who died on the cross for the sins of the world and was resurrected. Without the belief in the Gospel, there is no salvation. This analysis serves a critical purpose for all truth-seekers. It is a great resource for those involved in Christian apologetics and polemics, with many references refuting the religion of Islam.

Consanguinity - Its Impact, Consequences and Management Lutfi A. Jaber ,Gabrielle J. Halpern,2014-05-23

Consanguineous marriages have been practiced for hundreds of years, predominantly by Moslems. Although it is generally accepted among communities that the social advantages outweigh other, the rate of congenital malformations and genetic diseases among the offspring borne of consanguineous marriages is higher and an increase in sterility, rates of abortions, stillbirths and neonatal deaths has been suggested by some researchers. These problems result in a substantial economic burden within the communities involved in the practice. Strategies for reducing the frequency of consanguineous marriages include expansion of educational programs, promotion of genetic testing services, and research to identify the genes responsible for genetic defects. Nowadays, with the migration of large numbers of Moslems towards Western countries, consanguinity is becoming a practical issue in places where it was barely known, previously. This eBook serves as a guide for health care workers and counselors of the phenomenon and its associated problems. This eBook begins with an introduction

of the topic from a social, legal and biological perspective. It then progresses to research about associated genetic disorders, reproductive and social awareness issues through the proceeding chapters. The eBook concludes with 2 chapters exploring strategies to counter the effects of consanguinity within the general population.

Gender and Succession in Medieval and Early Modern Islam Alyssa Gabbay, 2020-03-19 In *Gender and Succession in Medieval and Early Modern Islam: Bilateral Descent and the Legacy of Fatima*, Alyssa Gabbay examines episodes in pre-modern Islamic history in which individuals or societies recognized descent from both men and women. Fatima, daughter of the Prophet Muhammad, features prominently in this study, for her example constituted a striking precedent for acknowledging bilateral descent in both Sunni and Shi'i societies, with all of its ramifications for female inheritance, succession and identity. Covering a broad geographical and chronological swath, *Gender and Succession in Medieval and Early Modern Islam* presents alternative perspectives to patriarchal narratives, and breaks new ground in its focus upon how people conceived of family structures and bloodlines. In so doing, it builds upon a tradition of studies seeking to dispel monolithic understandings of Islam and Gender.

Cultural Sociology of the Middle East, Asia, and Africa Andrea L. Stanton, Edward Ramsamy, Peter J. Seybolt, Carolyn M. Elliott, 2012-01-05 In our age of globalization and multiculturalism, it has never been more important for Americans to understand and appreciate foreign cultures and how people live, love, and learn in areas of the world unfamiliar to most U.S. students and the general public. The four volumes in our cultural sociology reference encyclopedia take a step forward in this endeavor by presenting concise information on those regions likely to be most foreign to U.S. students: the Middle East, Asia, and Africa. The intent is to convey what daily life is like for people in these selected regions. It is hoped entries within these volumes will aid readers in efforts to understand the importance of cultural sociology, to appreciate the effects of cultural forces around the world, and to learn the history of countries and cultures within these important regions.

The Rashidun Caliphate Sultan-ul-Ashiqeen Sultan Mohammad Najib-ur-Rehman, 2022-10-09 The Rashidun Caliphs are the eminent stars of the Holy Prophet who led Muslims not just physically but also spiritually. The policies and rules they implemented in their respective eras were the true reflection of the teachings of the Holy Prophet. This is why the Rashidun era was the golden era of the Muslims. Implementing the teachings of Prophet Mohammad, made them not only the pioneers in introducing the concept of the welfare state, but they also set its exemplary foundation for the world to follow. This book is unique because unlike other history books it provides proofs of Imam Hassan as the fifth rightly guided Caliph. The end of Rashidun Caliphate was the beginning of downfall of Muslims because the Muslims let go the spiritual values of Prophet Mohammad given to them by the Rashidun Caliphs. The author, Sultan-ul-Ashiqeen Sultan Mohammad Najib-ur-Rehman in an unbiased manner and picturesque words has described the incidents from history for the readers to decide for themselves who was at fault and what caused the end of Rashidun Caliphate. He has also mentioned the spiritual orders that emerged

from each rightly guided Caliph. These spiritual orders are definitely a medium of guidance for the seekers of Allah.

The Hand of Fatima Eva-Maria von Kemnitz, 2023-02-06 The Hand of Fatima traces the development and symbolism ascribed to the hand motif in the Arab and Islamic world, and beyond. Richly illustrated, it details the many types of khamsas produced historically and today – such as khamsas with swords, and khamsas with eagles – and the many objects on which khamsas appear, such as on amulets and flags. It traces the journey of the khamsa into the contemporary world of social and fine art, including museum highlights. Special sections are dedicated to the khamsa in Algeria; cultural crossover in Spain, Portugal, and Brazil; and the symbol of the hand in Shi'ism.

Ibn Arabi's Small Death Mohammad Hassan Alwan, 2022-04-15 Ibn Arabi's Small Death is a sweeping and inventive work of historical fiction that chronicles the life of the great Sufi master and philosopher Ibn Arabi. Known in the West as "Rumi's teacher," he was a poet and mystic who proclaimed that love was his religion. Born in twelfth-century Spain during the Golden Age of Islam, Ibn Arabi traveled thousands of miles from Andalusia to distant Azerbaijan, passing through Morocco, Egypt, the Hijaz, Syria, Iraq, and Turkey on a journey of discovery both physical and spiritual. Witness to the wonders and cruelties of his age, exposed to the political rule of four empires, Ibn Arabi wrote masterworks on mysticism that profoundly influenced the world. Alwan's fictionalized first-person narrative, written from the perspective of Ibn Arabi himself, breathes vivid life into a celebrated and polarizing figure.

Othman ibn Affan: The Trusted Companion of Prophet Muhammad (Peace Be Upon Him) An Inspiring Children's Biography of One of the Greatest Caliphs of Islam Dr. Rabea Hadi, 2025-04-26 Discover the inspiring story of Othman ibn Affan—the noble companion of Prophet Muhammad (peace be upon him) and one of the greatest Caliphs in Islamic history. Written for young readers aged 8-17, this engaging children's biography brings to life the story of Othman (may Allah be pleased with him)—a man of deep faith, remarkable humility, and unmatched generosity. Read what everyone's saying about my books: Your kids will love this, but you will learn a lot too! I was often surprised by things in this book! . Reader review, ██████ Abu Bakr was one of the first to stand by Muhammad. The friendship of him and Muhammad made this story more personal and at times emotional than I was expecting. While I've heard how important Abu Bakr was before, I didn't understand his character until reading this. Although he was born wealthy, he cared more about Allah and other people than money. This book is very easy to follow and helped me get a fuller perspective on early Islam. Reader review, ██████ As a Muslim I was aware of the story of abu bakr siddik but never in this way. This book tells the story in a way that will make you really understand why he is remembered as The truthful from believing in the first words of the prophet (peace

be upon him) to his last days. He really taught us a great lesson in self mastery in the darkest of times; when he held the umma together at the death of the prophet (peace be upon him) even though he was his life companion and best friend, he didn't allow himself to grief until he was all alone by himself at his home. This book was a wonderful read especially now in Ramadan, I highly recommend it. Reader review, □□□□□ Through rich storytelling based on authentic sources, children and teens will learn how: □ Othman became the only man to marry two daughters of the Prophet □ □ He preserved the Qur'an by uniting the Ummah on a single written copy □ He bought a well and donated it to the Muslims for free—for the sake of Allah azza wa jall □ He funded the entire Army of Tabuk with his own wealth □ He remained patient, strong, and faithful until his final days
