M Tight

Wake Up America!!!! Earl Pitts, Tim Mizak, Gary Burbank, 2013-12-19 Earl Pitts, American has been entertaining hundreds of thousands of people daily with his legendary commentaries heard on radio stations across the country since 1985. For the most part - he's just like you. (That is - if you entertained hundreds of thousands of people daily with radio commentaries.) He works in a factory by day....and picks up shifts at The Duck Inn Bar at night to make ends meet. Meanwhile - his family - wife Pearl and kids, Earl Junior and Sandra Dee keep pushing his ends farther apart. (Wow - except for that radio thing - this is your life!). Earl's buddies, Dub and Junior Meeker, and Runt Wilson will never be mistaken for MENSA members. In fact - they probably couldn't even spell 'MENSA'. Earl's 14-year old son is getting over a break-up after a two year relationship with his teacher....and Earl's daughter has been in her room crying for the last three years after Homeland Security arrested her fiance in the middle of their wedding. And what can you say about Earl's wife Pearl? Some people hit the lottery in life - and find the perfect life companion, an extension of their own soul. Others marry people like Pearl. Enough said. In other words - it's your typical American life. And it all contributes to Earl's unique take on the world around him.

In the Shadow of Your Wings Elizabeth Nelson, 2014-10-03 For Love of God, Patriotism, and All Things Four-Legged could also have been the title of this book. Everything written in this book is true. It is a story of God's great love and grace in one person's life. This is also a story of God's great blessings of Christian parents who took the time to teach honest values and virtues to their children. It is a story of great love for family, for America, and for friends. The story includes some amazing horses and one incredible dog. It is the story of loss, grief, and of life's lessons learned. Above all, I wrote it in gratitude to the good Lord for allowing me to live out my life in the shadow of His wings.

Tougher Than Woodpecker Lips Al Rudolph, 2008-10 Al Rudolph has been a member of Toastmasters International for 20+ years. He has entered, and won, numerous speech and evaluation contests. His speaking skills have allowed him the opportunity to present numerous motivational and inspirational speeches to untold audiences. His uncanny ability to capture the attention of his audience members holds true in both the oral and written formats. Al is a shepherd of First Capital Christian Church where he leads and teaches classes pertaining to Christian living. He lives in southern Indiana with his beautiful wife of 39 years, Linda. They have one daughter, Stephanie, who lives in New York City. I've known Al Rudolph for nearly twenty years and he is the real deal. I have no doubt that the values and principles he writes about in this inspiring

book have been lived out in his life. Tougher than Woodpecker Lips will certainly stretch you and challenge you, but your soul will be infused with new hope. Full of spiritual depth and practical insights, heavy on witty sayings and humor, Al's book is a 'must-read' for anyone committed to growing. Readers will be encouraged, equipped, and eager to put the principles that Al espouses into action in their lives. I highly recommend this delightful new book for anyone with a pulse, who isn't anxious to visit a mortician, and who wants to really revolutionize and fortify their life with powerful, Bible-based character traits. We only have one life to live; as Al says, 'Let's not just survive - let's thrive ' Dru Ashwell Executive Editor, College Press & HeartSpring Publishing Professor, Ozark Christian College Joplin, Missouri

God's Plan To Save America L. Nelson "Mac" McAlexander, 2013-11 In a dream I had back in 1977 thousands of people were shouting out, in unison, an unusual name that I had never heard before. What I saw in that dream compelled me to try and find out if this name had any special meaning. That same day a language professor at the University of Maryland told me the only word he knew of that sounded like the one I heard in the dream was a Greek word. He said the word had three possible definitions; which changed when the accent over the -e- changed. Those definitions are very significant and I write about them in the chapter on Dreams and Visions. The definitions and an interpretation of the dream by a Rabbi three days after the dream led me to eventually believe that this unusual name could be the fulfillment of Revelations 2:17 and/or 3:12. In subsequent dreams I was writing a book titled -God's Plan to Save America-, and in one of those dreams a man was passing out white stones that had the name written on it that I heard in the dream. It is important to note that I learned of these Biblical Scriptures after I had these unusual dreams. Revelations 2:17. -Let the one who has an ear hear what the spirit says to the congregations: To him that conquers I will give some of the hidden manna, and I will give him a white pebble, and UPON THE PEBBLE A NEW NAME written which no one knows except the one receiving it.-

A Spy in Plain Sight Lis Wiehl, 2022-05-03 A legal analyst for NPR, NBC, and CNN, delves into the facts surrounding what has been called the “worst intelligence disaster in U.S. history”: the case of Robert Hanssen—a Russian spy who was embedded in the FBI for two decades. As a federal prosecutor and the daughter of an FBI agent, Wiehl has an inside perspective. She brings her experience and the ingrained lessons of her upbringing to bear on her remarkable exploration of the case, interviewing numerous FBI and CIA agents both past and present as well as the individuals closest to Hanssen. She speaks with his brother-in-law, his oldest and best friend, and even his psychiatrist. In all her conversations, Wiehl is trying to figure out how he did it—and at what cost. But she also pursues questions urgently relevant to our national security today. Could there be another spy in the system? Could the presence of a spy be an even greater threat now than ever before, with the greater prominence cyber security has taken in recent years? Wiehl explores the mechanisms and politics of our national security apparatus and how they make us vulnerable to precisely this kind of threat. Wiehl grew up among the same people

with whom Hanssen ingratiated himself, and she has spent her career trying to find the truth within fractious legal and political conflicts. *A Spy in Plain Sight* reflects on the deeply sown divisions and paranoias of our present day and provides an unparalleled view into the functioning of the FBI, and will stand alongside pillars of the genre like *Killers of the Flower Moon*, *The Spy and the Traitor*, and *No Place to Hide*.
