

One Hand One Heart Lyrics

Wendy Corsi Staub

Leonard Bernstein: West Side Story Nigel Simeone, 2017-07-05 One of the Broadway musicals that can genuinely claim to have transformed the genre, *West Side Story* has been featured in many books on Broadway, but it has yet to be the focus of a scholarly monograph. Nigel Simeone begins by exploring the long process of creating *West Side Story*, including a discussion of Bernstein's sketches, early drafts of the score and script, as well as cut songs. The core of the book is a commentary on the music itself. *West Side Story* is one of the very few Broadway musicals for which there is a complete published orchestral score, as well as two different editions of the piano-vocal score. The survival of the original copied orchestral score, and the reminiscences of Sid Ramin and Irwin Kostal, reveal details of the orchestration process, and the extent to which Bernstein was involved in this. Simeone's commentary considers: musical characteristics and compositional techniques used to mirror the drama (for example, the various uses of the tritone), motivic development, the use and reinvention of Broadway and other conventions, the creation of dramatic continuity in the score through the use of motifs and other devices, the unusual degree of dissonance and rhythmic complexity (at least for the time), and the integration of Latin-American dance forms (Mambo, Huapango and so on). Simeone also considers the reception of *West Side Story* in the contemporary press. The stir the show caused included the response that it was the angular, edgy score that made it a remarkable achievement. Not all reviews were uncritical. Finally, the book looks in detail at the making of the original Broadway cast recording, made in just one day, included on the accompanying CD.

Acting the Song Tracey Moore, Allison Bergman, 2010-06-29 *Acting the Song* offers a contemporary, integrated approach to singing in musicals that results in better-trained, smarter performers everyone wants to work with. Directors, teachers of musical theater, and students-including actors, singers, or dancers-will find time-tested advice, exercises, and worksheets for all skill levels. This book guides readers through musical theater elements, classroom workshops, and the world of professional auditions and performances. Chapters cover: --Singing and acting terminology --Modern microphone use --Legit singing and belting --Vocal and physical warm-ups --Body movement and gesture --Finding subtext --Creating a character --Personalization --Song structure --Interpreting music and lyrics --Risks and spontaneity --Collaborating with other actors --Keeping a performance fresh and new Teachers and students alike will appreciate the sections for beginning, intermediate, and advanced performers. Everyone involved in musical theater, from new students to working professionals,

will benefit from this rich resource. Additional teaching materials and downloadable worksheets are available at www.actingthesong.com.

Finishing the Hat Stephen Sondheim, 2010-10-26 ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR • Titled after perhaps Stephen Sondheim's most autobiographical song, from Sunday in the Park with George—Finishing the Hat not only collects his lyrics for the first time, it offers readers a rare personal look into his life as well as his remarkable productions. Stephen Sondheim's career spanned more than half a century; his lyrics are synonymous with musical theater and popular culture. Sondheim—the winner of seven Tonys, an Academy Award, seven Grammys, a Pulitzer Prize and more—treats us to never-before-published songs from each show, songs that were cut or discarded before seeing the light of day, along with the lyrics for all of his musicals from 1954 to 1981, including West Side Story, Company, Follies, A Little Night Music and Sweeney Todd. He discusses his relationship with his mentor, Oscar Hammerstein II, and his collaborations with extraordinary talents such as Leonard Bernstein, Arthur Laurents, Ethel Merman, Richard Rodgers, Angela Lansbury, Harold Prince and a panoply of others. The anecdotes—filled with history, pointed observations and intimate details—transport us back to a time when theater was a major pillar of American culture. Best of all, Sondheim appraises his work and dissects his lyrics, as well as those of others, offering unparalleled insights into songwriting that will be studied by fans and aspiring songwriters for years to come. Accompanying Sondheim's sparkling writing are behind-the-scenes photographs from each production, along with handwritten music and lyrics from the songwriter's personal collection. Penetrating and surprising, poignant, funny and sometimes provocative, Finishing the Hat is not only an informative look at the art and craft of lyric writing, it is a history of the theater that belongs on the same literary shelf as Moss Hart's Act One and Arthur Miller's Timebends. It is also a book that will leave you humming the final bars of Merrily We Roll Along, while eagerly anticipating the next volume.

The Sound of Broadway Music Steven Suskin, 2011 This title examines the careers of Broadway's major orchestrators and follows the song as it travels from the composer's piano to the orchestra pit.

Led by the Spirit Randy Faulk, 2011-04-29 A Synopsis of Book #60062 In his sequel to Devil at my Doorstep, the author focuses on events from early 1993 until the present. His focus has completely changed from his earlier and rather hard-nosed lessons, to more insightful ones, inspired by the whisperings of the Spirit. He explains how Jeanne unexpectedly came back into his life after almost twenty-seven years. He describes his conversion to the Gospel, and Jeanne's conversion to the Church. He ties up a lot of loose ends which were created earlier. Beginning with the premise that we first learn, then believe, and then know and understand, he directs us to become what we were meant to become.

The Ballad of John Latouche : an American Lyricist's Life and Work Howard Pollack, 2017 In his short life, the Virginia-born John Treville Latouche (1914-56) made a profound mark on America's musical theater as a lyricist, book writer, and

librettist. His signature achievements include theatrical works with composers Earl Robinson, Vernon Duke, Duke Ellington, Jerome Moross, and Leonard Bernstein.

Here for the Hearing Michael Buchler, Gregory John Decker, 2023-05-22 This book offers a series of essays that show the integrated role that musical structure (including harmony, melody, rhythm, meter, form, and musical association) plays in making sense of what transpires onstage in musicals. Written by a group of music analysts who care deeply about musical theater, this collection provides new understanding of how musicals are put together, how composers and lyricists structure words and music to complement one another, and how music helps us understand the human relationships and historical and social contexts. Using a wide range of musical examples, representing the history of musical theater from the 1920s to the present day, the book explores how music interacts with dramatic elements within individual shows and other pieces within and outside of the genre. These essays invite readers to consider issues that are fundamental both to our understanding of musical theater and to the multiple ways we engage with music.

Original Story by Arthur Laurents, 2001-04 The director, screenwriter, and playwright provides a look into his world, introducing the wide array of stars he has met over the years and revealing the hardship and joy that comes with a life in show business.

Something's Coming, Something Good Misha Berson, 2024-03-26 *Something's Coming, Something Good: West Side Story and the American Imagination* takes a critical, comprehensive look at one of the most inventive, influential, and internationally beloved Broadway musicals of all time – from its inception by a brilliant quartet of creators (Robbins, Bernstein, Sondheim, and Laurents) to its smashing success on film, to its ongoing popularity on stages around the world and its potent impact on the Great American Musical. Featuring intriguing chapters on *West Side Story* in relation to *Romeo and Juliet*; as a recording phenomenon; as a film rated the second-best movie musical of all time by the American Film Institute; as part of a wave of juvenile delinquency dramas; as the first great choreographer-auteur musical; and as the granddaddy of “youth musicals” such as *Hair* and *Rent*, *Something's Coming, Something Good* is a revealing guide for those who have seen the show; for those who wish to study it for pleasure or inspiration; and for actors, designers, and directors planning on producing it.

Sondheim and Lloyd-Webber Stephen Citron, 2001 In the third volume of Citron's distinguished series *The Great Songwriters*, the eminent musicologist has taken on the glorious dual biography of two giants of the modern musical. Includes an exploration of such milestones as Sondheim's lyrics for *West Side Story* and *Gypsy* and Lloyd-Webber's contributions from *Jesus Christ Superstar* to *Whistle Down the Wind*.

Sondheim's Broadway Musicals Stephen Banfield, 1993 The first in-depth look at the work and career of one of the most important figures in the history of musical theater

Dearly Beloved Wendy Corsi Staub, 2003 Three women are lured to a remote New England inn, where they will have to fight for survival.

Theory for Today's Musician Ralph Turek, Daniel McCarthy, 2014-07-16 The package (ISBN 978-0-415-73036-5) contains the second edition of *Theory for Today's Musician* (ISBN: 978-0-415-66332-8) and the *Theory for Today's Musician Workbook* (ISBN: 978-0-415-66333-5). The package is available for print books only. Ebook users should purchase the textbook and workbook separately. *Theory for Today's Musician, Second Edition*, recasts the scope of the traditional music theory course to meet the demands of the professional music world, in a style that speaks directly and engagingly to today's music student. It uses classical, folk, popular, and jazz repertoires with clear explanations that link music theory to musical applications. The authors help prepare students by not only exploring how music theory works in art music, but how it functions within modern music, and why this knowledge will help them become better composers, music teachers, performers, and recording engineers. This broadly comprehensive text merges traditional topics such as part-writing and harmony (diatonic, chromatic, neo-tonal and atonal), with less traditional topics such as counterpoint and musical process, and includes the non-traditional topics of popular music songwriting, jazz harmony and the blues. Written by an experienced textbook author and new co-author, both active classroom teachers for many years, *Theory for Today's Musician* is the complete and ideal theory text to enable today's student to accomplish their musical goals tomorrow. New Features to the Second Edition: An expanded unit on form that includes introductory chapters on sonata & rondo, to prepare students for learning form New Back to Basics online drills, keyed to the text, allowing students to brush up their fundamentals as needed New musical examples, including over 80 new musical excerpts from both art and popular music repertoires Expanded in-chapter exercises to promote and facilitate classroom interaction Carefully edited in response to market demands to create a more streamlined, flexible text New audio of musical examples (for both text and workbook), 50% re-recorded for improved audio quality An updated and relocated Chapter 33 on song composition in the jazz and popular folk styles, applying principles of text setting, melody composition/harmonization Companion website that houses online tutorial with drills of basic concepts

Working with Bernstein Jack Gottlieb, 2010 Early on, critics often were distracted by the Maestro's dancelike style as a conductor.... But he always protested that he was not aware of it during the performance. His podium manner had to be a burning need to communicate the composer's thought processes to both orchestra and audience, whatever the physicality it took to make it manifest. At times it was as if he were in the title of one of his songs from *On the Town*-Carried Away. One is reminded of words from Psalm 35:

Enchanted Evenings Geoffrey Block, 2009-10-30 This new second edition of *Enchanted Evenings* offers theater lovers an illuminating behind-the-scenes tour of some of America's best loved, most admired, and most enduring musicals. Readers will

find such all-time favorites as *Show Boat*, *Carousel*, *Kiss Me, Kate*, *Guys and Dolls*, *My Fair Lady*, *West Side Story*, *Sweeney Todd*, *Sunday in the Park with George*, and *Phantom of the Opera*. Geoffrey Block provides a documentary history of each of the musicals, showing how each work took shape and revealing, at the same time, how the American musical evolved from the 1920s to today, both on stage and on screen. The book's particular focus is on the music, offering a wealth of detail about how librettist, lyricist, composer, and director work together to shape the piece. Block also includes trenchant social commentary and lively backstage anecdotes. Jerome Kern, Cole Porter, the Gershwins, Rodgers and Hart, Kurt Weill, Rodgers and Hammerstein, Lerner and Loewe, Frank Loesser, Leonard Bernstein, Stephen Sondheim, Andrew Lloyd Webber, and other luminaries emerge as hardworking craftsmen under enormous pressure to sell tickets without compromising their dramatic vision. The second edition includes a greatly expanded chapter on Sondheim, a new chapter on Lloyd Webber, and two new chapters on the film adaptations of the main musicals featured in the text (including such hard to find films as the original 1936 version of *Anything Goes* and the 1959 film adaptation of *Porgy and Bess*). Packed with information, including a complete discography and plot synopses and song-by-song scenic outlines for each of the fourteen shows, *Enchanted Evenings* is an essential reference as well as a riveting history. A solid and fascinating work that should become a model of how to investigate and report on the evolution of a musical. Block's research is persuasive and his writing vivid. . . Indispensable for anyone who cares to know more about Broadway musicals than Playbill can provide. --Steven Bach, *The Los Angeles Times Book Review*

The Broadway Musical Quiz Book Laura Frankos, 2010-08 Includes over 80 quizzes on every aspect of the Broadway musical, including stars, directors, choreographers, shows imported from England, biographical shows, jukebox musicals, and shows by the decade.

Songs of the Theater Richard Lewine, Alfred Simon, 1984 Provides a bibliographic listing of sheet music and compilations from musicals and other stage productions.

Shakespeare and the American Musical Irene G. Dash, 2010 The Bard on Broadway

Songwriters of the American Musical Theatre Nathan Hurwitz, 2016-09-01 From the favorites of Tin Pan Alley to today's international blockbusters, the stylistic range required of a musical theatre performer is expansive. Musical theatre roles require the ability to adapt to a panoply of characters and vocal styles. By breaking down these styles and exploring the output of the great composers, *Songwriters of the American Musical Theatre* offers singers and performers an essential guide to the modern musical. Composers from Gilbert and Sullivan and Irving Berlin to Alain Boublil and Andrew Lloyd Webber are examined through a brief biography, a stylistic overview, and a comprehensive song list with notes on suitable voice types and further reading. This volume runs the gamut of modern musical theatre, from English light opera through the American Golden Age, up to the mega musicals of the late Twentieth Century, giving today's students and performers an

indispensable survey of their craft.

The Stephen Sondheim Encyclopedia Rick Pender, 2021-04-15 Praise from Jesse Green, New York Times Chief Theater Critic, Arts, in the 2023 Holiday Gift Guide: "From A (the director George Abbott) to Y ('You Could Drive a Person Crazy'), The Stephen Sondheim Encyclopedia, by Rick Pender, offers an astonishingly comprehensive look, in more than 130 entries, at the late master's colleagues, songs, shows and methods. The Stephen Sondheim Encyclopedia is a wonderfully detailed and comprehensive reference devoted to musical theater's most prolific and admired composer and lyricist. Entries cover Sondheim's numerous collaborators, from composers and directors to designers and orchestras; key songs, such as his Academy Award winner "Sooner or Later" (Dick Tracy); and major works, including Assassins, Company, Follies, Sweeney Todd, and West Side Story. The encyclopedia also profiles the actors who originated roles and sang Sondheim's songs for the first time, including Ethel Merman, Angela Lansbury, Mandy Patinkin, and Bernadette Peters. Featuring a detailed biographical entry for Sondheim, a chronology of his career, a listing of his many awards, and discussions of his opinions on movies, opera, and more, this wide-ranging resource will attract musical theater enthusiasts again and again.
