**James Hastings**

Dictionary of the Old Testament: Wisdom, Poetry and Writings TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch, the histories or the prophets. The divine voice does not peal from Sinai, there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet. Here Scripture often speaks in the words of human response to God and God's world. The hymns, laments and thanksgivings of Israel, the dirge of Lamentations, the questionings of Qohelet, the love poetry of the Song of Songs, the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature. Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives. This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job, Proverbs, Ecclesiastes, Psalms, Song of Songs, Lamentations, Ruth and Esther. Over 90 contributors, many of them experts in this literature, have contributed to the 'Dictionary of the Old Testament: Wisdom, Poetry and Writings'. This volume maintains the quality of scholarship that students, scholars and pastors have come to expect from this series. Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation. Additional articles amply explore the literary dimensions of Hebrew poetry and prose, including acrostic, ellipsis, inclusio, intertextuality, parallelism and rhyme. And there are well-rounded treatments of Israelite wisdom and wisdom literature, including wisdom poems, sources and theology. In addition, a wide range of interpretive approaches is canvassed in articles on hermeneutics, feminist interpretation, form criticism, historical criticism, rhetorical criticism and social-scientific approaches. The 'Dictionary of the Old Testament: Wisdom, Poetry and Writings' is sure to command shelf space within arm's reach of any student, teacher or preacher working in this portion of biblical literature.

**Beatitude of the Righteous** Olushina T. Olotu, 2007-04-01 As we behold our bright hope from the blue sky, in sigh for our ecstasy Land of mirth, where our joy will know no bounds, we shall see through the talking white wall, the stream of our

wealth, grace and regal elegance in the promises of God that shine in bright letters. Let us embrace this beckon light that guides us to where still waters glide, that polishes rays of joy on our open hearts of faith, and makes our portals cheerful. There is always an experience that will clear our clouded skies and make us sing jubilant psalms; soar upward for aye on wings like a dove and our summer flowers will blossom again! As our calm lake mirrors the fair haven of our redemption, It will be our glad story. Our heart will beat high with joy as we trace the rainbow of our beatitude thru the rain of these rich words of hope. It is this providential privilege to join the victors' band where life is grand that this book brings to you. You will never forget this Experience of the Beatitude of the Righteous!

**The Bible and the Dead Sea Scrolls: The scrolls and Christian origins** James H. Charlesworth,2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date. These three volumes, the very best of critical scholarship, demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible, the character of Second Temple Judaism, and the Jewish beginnings of Christianity.

**The Expositor's Bible: The Book of Isaiah Volumes I & II** Rev. George Adam Smith, M.A.,2017-01-28 This weighty work goes over the entire book of Isaiah in two volumes to make you think of what the text of this mighty book says and in the proper context. Many books reflect on works in the Bible without considering why the book was written and to who but this work challenges you by going over the history at the time of writing and making you see what issues made the work so relevant to the people of Judah and now to us today.

Exalting Jesus in Psalms 119 Daniel L. Akin,2021-01-01 Exalting Jesus in Psalms, Volume 2, Psalms 51-100 is part of the Christ-Centered Exposition Commentary series. Edited by David Platt, Daniel L. Akin, and Tony Merida, this commentary series, to include 47 volumes when complete, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition presented as sermons and divided into chapters that conclude with a "Reflect & Discuss" section, making this series ideal for small group study, personal devotion, and even sermon preparation. It's not academic but rather presents an easy reading, practical and friendly commentary. The author of Exalting Jesus in Psalms is Danny Akin.

**New Kind of Conservative** Joel C. Hunter, 2011-08 Conservative spokesman, author and pastor Dr. Joel C. Hunter forges a new path with *A New Kind of Conservative*. Hunter takes a provocative look at how faith and politics have interacted in America, giving civic-minded people a balanced and biblically-based approach to political involvement. The author speaks as a conservative Christian with traditional biblical stands regarding abortion and homosexuality, but expands it to include other biblical concerns, such as the environment, poverty, justice issues, AIDS, etc. This is not the ideology and rhetoric associated with the extreme religious right, but rather a broader look at politics that the Bible would have us address. Hunter shows how religion and politics do not have to be at odds with one another, and offers the information and motivation needed to take responsible action. Can a Christian/biblical worldview effectively mesh with postmodern society and secular government? Should Christians be involved in political action and, if so, how? How can Christians more effectively relate and present their faith in the context of contemporary and political society? Readers, regardless of their beliefs, will find this thoughtful, helpful and compelling reading.

What's His Name? David E. Rembert, 2009-09 *What's His Name?* explores the names attributed to God in the Bible. Names such as: Elohim, Yahweh, Adonay, El Shadday, El Elyon, Abba Father and Jesus to mention a few. Each name reveals in detail God's attributes (what He is like) and His divine nature (how He acts). By knowing and understanding His names we discover with indisputable evidence that He is the only true and living God. He is the holy, eternal, all-powerful, all-knowing One, who loves us and is always faithful to us. He is our Creator, our Rock, our Redeemer, our Righteousness, our Provider, our Protector and our Shepherd. He is always present in our midst working in our lives to draw us closer to Himself. Each name unveils personal applications showing us how God interacts with us and how we are to interact with Him. By knowing and understanding His names, we can experience an unwavering trust in Him, a deeper personal relationship with Him and the assurance that He will never forsake those who seek Him. David E. Rembert is a follower of Jesus Christ. His passion and

purpose in life is to help people grow in their knowledge and understanding of God, and in a personal relationship with God so they become faithful and fruitful followers of Christ. David left his secular career as an architect and manager with a Fortune-500 company in 1999 to more fully pursue that passion. He has served as an Associate Pastor for 2 years and a Senior Pastor for 61/2 years in two prominent churches in Southern California. David now pursues his passion from his home in Prescott Valley, Arizona through writing books, teaching Bible studies and through [www.livingevidence.org](http://www.livingevidence.org) and [www.rembertministries.org](http://www.rembertministries.org).

*The Perfect Law of Love* L. Lynn Derrick, 2018-11-21 This is not for the faint of heart, nor for Christians who want to be entertained. This is for hungry Bible students seeking vast, deep answers to a vast, deep subject—the all-important subject of Love. This book could and should be the standalone text for an 8 credit hour college course, mandatory for every accredited Bible student. And, it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level. - Jesse Steele, Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and to better know your Creator. It is intended to help clarify some lingering misunderstandings that trace back far into biblical history. The book deals with the righteousness and holiness of God as seen in His laws, but from a New Covenant perspective: love. Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God, the book focuses on love, as love is the focus of both the Law of God and the Law of Moses (Rom. 13:8). It's all about loving God with all your heart and loving your neighbor as yourself, even loving your enemy. With man this is impossible, but with God, all things are possible. These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today. With a clearer view of this line in the Bible, it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord. Seek first his kingdom and its righteousness, and all these things will be added unto you. The book also covers emerging research regarding the 364-day calendar of the books of 1st Enoch and Jubilees, and how to manage it in a 365-day context. I think you will enjoy studying this with us. Think about it, your Creator wants to have dates with you, on the dates that his feasts have been observed in the heavens since creation. As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through, which I document in the appendix. Several in our extended family have also been warned and encouraged in dreams. The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom. But it all begins with desperate searching in his Word. Keep asking, and you will receive. Keep seeking, and you will find. Keep knocking, and it will be opened to you!

**Understanding Christian Apologetics** Magnus Onyike, 2009-10-15 In the midst of perversion of gospel today, when heresy has become the order of the day for most preachers of the gospel, it becomes imperative for every Christian to know what he believes, why he believe it, how to share it with others, and how to defend it against falsehood and attacks. Also to make non-Christians see convictions to their misconception about Christianity. Over the years Christians has been made to always speak of the reason for their believe, but It's a high time non believers also make a defense of their own faith.

**The Trouble With Christians** Jon Jaroszewski, 2014-12-29 What if Jesus is smarter than we think? What if we valued his words like we do other great literature? What if we shrugged off shallow interpretations and looked for cohesive and purposeful insight from the mind of a master communicator? Might we come to a deeper understanding of his vision for humanity? This book attempts to do just that and shows us that the Sermon on the Mount is not just beautiful and profound, it also remains controversial and revolutionary in ways we have forgotten.
