One Moment In Time Linda Hudson-Smith,2002-10-01 When Tarynton Batiste encounters her college sweetheart, TV sportscaster Drakkar Lomax, they pick up where they left off years earlier, getting a second chance at love as they celebrate Kwanzaa together. Original.

Cuba: One Moment in Time Jackie Cannon,2016-04-15 In December 2014, Cuba and the United States resumed diplomatic relations after over half a century of hostility and political distance. The following year saw many visits to the island of US governmental representatives and others, as well as the opening of reciprocal Embassies in Havana and Washington. President Obamas March 2016 visit to the island represented the first by a serving US President since 1928. Far removed from the soaring ruminations of international diplomacy, however, *Cuba: One Moment in Time* reflects an intimate journey of exploration into elements of life as lived on the island and the ongoing challenges faced. It is a collection of observations: testimony, memoir, and struggle to understand a country with many contradictions. It captures a moment in time. This moment ... the one filled with expectation, hope, curiosity, pride, anticipation, and caution.

One Moment in Time Lauren Barnholdt,2015-06-16 The second book of Lauren Barnholdt's exiting Moment of Truth series: three books, three girls, one life-changing senior trip. When the email arrived in Quinn Reynolds's in box on the morning of her flight to Florida, she sent it straight to her trash folder. The last thing Quinn needed was to be reminded of the pact she made with her ex-best friends—the one where she promised she would do something crazy before graduation. But that was before everything on the trip went wrong. Now, after a lifetime of playing it safe, Quinn figures that she might as well get a little wild...after all, what does she have to lose? When Abram, a local boy she met on the beach, asks her to hang out, she says yes. But while a vacation romance could be the best way to fulfill the pact, it might be the worst thing for her heart.... Each book in this trilogy is told from the perspective of a different girl—Lyla, Aven, and Quinn—former best friends who, back in freshman year, wrote emails to their future selves about the one thing they hope to accomplish before they graduate. Over the course of the series, each girl will learn about life, love, and the truth about the fight that ended their perfect friendship.

From the Inside Russ DiBella,2011-03-03 In 1978, when music found its way into Russ DiBellas life largely by way of external circumstances, a natural progression of sorts began to unfold which would eventually marry his affection for words

with a nascent interest in drumming and lyric writing. What began as a teenage rite of passage his first rock concert would spawn a lifelong passion for all things music, manifesting itself in ways both deliberate and unanticipated. Part memoir and part backstage pass, *From the Inside* is actually written from the perspective of an outsider looking in although very often and surreptitiously from within. With a detailed history of how music became such an actively integral part of his life (even before an awareness of his parents unintended influence) and an in-depth, behind-the-scenes look at several concerts (to include a respectable gathering of drumsticks along the way), DiBella recounts with enthusiasm and occasional humility more than thirty years of experiences as admirer, accomplice and collector. Less a narrative about unofficial access to rock stars, *From the Inside* sneaks a peek behind the proverbial curtain to discover some of the inner workings of live concerts. Meeting drum techs, guitar techs and other assorted crew and band members and observing load-ins, soundchecks and even a few shows from the other side of the stage offers an intimate look at activities otherwise inaccessible to the typical concert-goer. Not wanting for moments of rocknroll flash, encounters with rockers Mick Jagger, Eddie Van Halen and Neil Peart as well as country artists Brad Paisley and Montgomery Gentry among many others provide additional insight and add elements of celebrity to this otherwise personal account. Clearly written with an appreciation both for music and those artists whose inspired, *From the Inside* is the story of a life examined through the lens of music.

Can one moment, one brief encounter, change the course of the rest of your life? If so, how will you recognize that moment? Will you let it pass you by? Will you let it defeat you? Or will you allow that moment, that experience, to help shape who you are and who you might become? *Moments of Being* reveals true stories that altered lives forever. Join celebrities, athletes, business and community leaders, and men and women from all walks of life as they share their amazing “twist of fate” tales. These are stories of courage, destiny, reunions, love, sacrifice, dreams, and the fears and triumphs that are an integral part of the human experience. More than that, they illustrate that, by recognizing and acting on a single, pivotal moment, a person can change his or her life forever. “A fabulous wake-up call . . . a must read.” —Donna LeBlanc, author of *The Passion Principle*

The Benefits of a Bankrupt Life Toni Luck, 2018-04-04 This is an ode to all my sisters who have thought that they could not go on, But then, heard the voice of destiny's love and risked all, for life. In my worldview, this lady that you are about to meet was real, but suppose she was not real, suppose it is just a story, a fairytale it yet has all the elements of what confronts far too many women today loneliness, despair, alienation, separation, doubt, fear, poverty of both purse and spirit. And, the

question it poses - how do we get out of these places? And the answers it provides by coming to the reality that placed within us at our beginning, is such enormous power hidden within every fiber of our being that we can create the world that we want, the world that we desire, the world that expresses our highest self, our real self. We come face to face with God's revelation to Einstein that E really does equal mc^2 How I so agree with the American Writer, Orison Sweet Marden when he says, The golden opportunity you are seeking is in yourself. It is not in your environment, its not in luck, or chance or the help of others. It is in you alone I thank you for coming on this journey of discovery with me.

Chasing the Wind Iris Davis,2007-08 You're happily married with a beautiful family . when tragedy strikes not once but twice. Iris Davis is a woman of faith and courage who has relied on these traits to survive the sudden loss of her beloved husband and son. How do you go on when life deals such harsh blows? How do you make a life for yourself when the lives of those you love end so suddenly? The answers are here, in Iris Davis's memoir, CHASING THE WIND.

Embracing the Spirit Emilie Townes,2015-03-31 This book continues the conversations begun in Emilie Townes's path-breaking *A Troubling in My Soul: Womanist Perspectives on Evil and Suffering*. Once again, Townes brings together essays by leading womanist theologians, interweaving a concern for matters of race, gender, and class, as these bear on the survival and well-being of the African-American community. In *Embracing the Spirit* the emphasis is not on evil and suffering, but on hope, salvation, and transformation for individuals and their communities.--Jacket

Journey Doug Thornton, 2025-06-27 'Just a city boy. Born and raised in South Detroit...' so begins the iconic 'Don't Stop Believin'' heard in countless karaoke bars and classic rock stations around the world. It is one of over 250 tracks discussed in *Journey: On Track*, which covers 50 years of the band's recordings. The book follows the band from the extended jams of their early days to the heights of their popularity as an R&B-influenced powerhouse among America's arena rock gods, to their controversial career in the 21st century without 'The Voice', Steve Perry. Journey were the brainchild of Walter 'Herbie' Herbert, the visionary who steered them through their most successful period. He built them from the remnants of Santana, featuring keyboardist/vocalist Gregg Rolie, and guitar wunderkind Neal Schon. But they really surged into the limelight with singer Steve Perry and new keyboardist Jonathan Cain. The post-Perry history is filled with new music and the incredible story of vocalist Arnel Pineda. Critics dismissed them as 'corporate rock', but they've somehow managed to thrive commercially and culturally on the heritage rock circuit, releasing new albums and being inducted into the Rock and Roll Hall of Fame. They still fill arenas and stadiums with their devoted legions of fans. Doug Thornton is an author and healthcare technology executive living in Virginia, USA. Growing up in Cincinnati, Ohio, he attended many Journey concerts in the area before moving to Hawaii, where he saw Journey in better weather. He is an avid collector of books, music, and musical instruments that he can't play. After listening to *Infinity*, he bought Journey's first three albums, which initially confused him but helped him appreciate their prodigious talents. While he never achieved the size of Neal Schon's 1970s afro, he did perm his hair throughout high school in homage to one of his favourite guitarists.

Eminem Jeff Burlingame, 2014-07-01 With a childhood that was made up of no father, being beat up by schoolmates, and

dropping out of high school, no one expected much from Eminem, but in that same childhood, Eminem would find an escape from it all through hip-hop music. Not only does this hip-hop biography stress his struggles coming up, but it highlights how Eminem has become one of the most successful hip-hop stars of all-time.

This One Moment Stina Lindenblatt, 2016-04-05 Fame, fortune, and stadiums full of screaming fans are right around the corner for the rock band at the heart of Stina Lindenblatt's steamy, intense Pushing Limits series. But it's an epic love affair that steals the show in this opening act. When Nolan Kincaid skipped town to chase the music career of his dreams, he knew he wouldn't miss the reminders of his broken family—he wasn't so sure he could forget the girl he left behind. Now his band is touring nonstop, the recording sessions go all night, and the groupies are crazed. But when he hears that Hailey Wilkins is in trouble, he drops everything. Hailey thought she'd missed her chance with Nolan. Five years ago, the moment she realized she loved him was the moment he decided to leave. Now, when a brutal assault lands her in the ICU, Nolan flies straight to her bedside, acting like nothing's changed. What's a rock star like him doing, canceling shows and risking his record deal, just to nurse an old friend back to health? And why should Hailey believe he'll stay this time? With her attacker still at large, Nolan's ready to rise to the occasion. He knows he let Hailey down once before, but he's ready to give her everything, heart and soul—and he'll fight for the chance to prove it. Laura Pausini: The Essence of Music Fabricio Sales Silva, 2025-04-23 You know, life is full of unexpected moments. Some are beautiful, like the applause of a crowd that knows every word of your song. Others are challenging, like the days when you wonder if you're on the right track, if you have enough strength to keep going. I've lived both extremes. And today, as I look back, I see that every experience the good and the hard shaped who I am. I always say that music is my way of breathing. It's my way of translating feelings, of transforming pain into something beautiful, of sharing joy. Over the years, I've learned that this doesn't just apply to those on stage. Each of us has a song inside us a talent, a passion, something that makes you feel alive. And our mission, our greatest responsibility, is to listen to this music and let it guide our lives. Today, what I want to say to you is: don't give up. No matter how many times you fall, get up. It doesn't matter if the world seems

too big for your dream, because your passion will always be bigger. And most of all, be true to yourself. It's easy to be consumed by the desire to please others, but true happiness comes when you allow yourself to be who you are, with all your flaws and uniqueness.
