The Polar Express Ellen Weiss,Chris Van Allsburg,2004 A mysterious train. An amazing journey. A night you'll never forget. Starring Tom Hanks, and using ground breaking CGI effects, 'The Polar Express' is THE family film for Winter 2004 / 2005. Believing in Father Christmas isn't easy when all of your friends and family insist he's just make-believe. A boy's faith is rewarded one Christmas Eve when he's awakened by a steam train that pulls up in front of his house and takes him and other children to the North Pole. A magical journey begins. 'Trip to the North' is the novelisation of the evocative and touching film.

Orchestral "Pops" Music Lucy Manning, 2013-10-10 In this second edition of *Orchestral "Pops" Music: A Handbook*, Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music. Since the appearance of the first edition in 2008, this work has proven critical to successful "pops" concert programming. With changes in publishers and agents, the discontinuation of the publication of certain original material or, worst of all, presses going out of business, music directors, orchestra conductors, and professional instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire. This revised handbook alleviates the time-consuming task of researching these changes by offering a list of works for orchestral "pops" concerts that is comprehensive, informative, and current. Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style, instrumentation, and availability of the repertoire listed, as well as notes on its performance. The user-friendly appendices include expanded instrumentation choices, easy-to-find durations, and handy title cross-references. In addition to corrections and updates, this new edition of *Orchestral "Pops" Music* includes at least 1,000 new title listings. *Orchestral "Pops" Music: A Handbook* is the ideal tool for working conductors and orchestral librarians, as well as music program directors at colleges, conservatories, and orchestras.

Great Lost Albums Mark Billingham, David Quantick, Martyn Waites, Stav Sherez, 2014-09-25 We can all name the classic rock and pop albums of the last fifty years. But what about the great lost albums? The albums that fell behind the back of the musical sofa? The albums that, in a very real sense, have been completely made up by the authors of this book? It took a bestselling crime writer or three to hunt down these fifty lost classics, and an award-winning TV comedy scriptwriter to buy them a pint and make them write it. From the 60s to the 00s, with track listings and full histories, *Great Lost Albums* reveals the recordings that - just perhaps - never existed, but really should have done. Albums include: · Bob Dylan's legendary collaboration with Liberace · Joy Division's 'musical theatre' period · Coldplay's IKEA Sessions, including 'Conscious Uncoupling (See Leaflet for Details)' and 'In my Place (There's a Lovely HEMNES Shelving System)' · The Who's magisterial, abandoned rock opera 'Bingo Wizard' · Kraftwerk's hastily deleted Christmas album, featuring the melancholic classic 'I Wish to Return this Item' ...and many, many more.
