You know there is more. Even if you've walked through wilderness experiences, you will not die in the wilderness. This book is written with you in mind. Our generation is about to step into the fullness of God's time. Like Caleb, we will get our mountain. This book will reignite and equip you for your future. Walk out God's powerful purposes for you. Your best years are ahead.

Hence the Holy Spirit has released the prophetic revelations in this book in order to place us in good stead for a unique role in this end times. This manual is the first of its kind. This is the apex of deliverance. We are the threshold of a revival of spiritual warfare. The sweeping and the far reaching effect shall be best described as awesome!

In the world where most people are unaware of the secret of knowing their identity, this book stands as a noble answer. **War and the Making of Medieval Monastic Culture** Katherine Smith,Katherine Allen Smith,2013-09-19 An extremely interesting and important book... makes an important contribution to the history of medieval monastic spirituality in a formative period, whilst also fitting into wider debates on the origins, development and impact of ideas on crusading and holy war. Dr William Purkis, University of Birmingham Monastic culture has generally been seen as set apart from the medieval battlefield, as those who prayed were set apart from those who fought. However, in this first study of the place of war within medieval monastic culture, the author shows the limitations of this division. Through a wide reading of Latin sermons, letters, and hagiography, she identifies a monastic language of war that presented the monk as the archetypal soldier of Christ and his life of prayer as a continuous combat with the devil: indeed, monks' claims to supremacy on the spiritual battlefield grew even louder as Church leaders extended the title of soldier of Christ to lay knights and crusaders. So, while medieval monasteries have traditionally been portrayed as peaceful sanctuaries in a violent world, here the author demonstrates that monastic identity was negotiated through real and imaginary encounters with war, and that the concept of spiritual warfare

informed virtually every aspect of life in the cloister. It thus breaks new ground in the history of European attitudes toward warfare and warriors in the age of the papal reform movement and the early crusades. Katherine Allen Smith is Assistant Professor of History, University of Puget Sound.

*God Betrayed* Jerald Finney, 2008-08 *God Betrayed* explains: (1) the biblical principles concerning government, church, and separation of church and state which one needs to know in order to understand the First Amendment and why it was adopted; (2) the history of the theological warfare in the colonies that eventually resulted in the adoption of the First Amendment; (3) how and why, soon after the ratification of the Constitution and the First Amendment, many churches subjected themselves to the state; (4) how the Supreme Court has used the First Amendment religion clause to remove God from practically all civil government affairs; (5) how civil government entices many churches to abandon their Supernatural and First Amendment freedoms; and (6) how churches in America can operate totally under God and free from any control by civil government. After graduating from college in 1970 and serving as an army officer in the Viet Nam conflict, Jerald Finney worked for the railroad and then started and operated a photography studio in Fort Worth, Texas. He was saved in 1982. God called him to enter the legal profession. He entered the University of Texas School of Law in 1990, and was licensed to practice law in 1993. Since that time, the Lord has guided his career. In 2005, he became lead counsel for the Biblical Law Center. This book is the result of his in depth studies of the issue of separation of church and state, the main issue which is addressed by the Biblical Law Center.

*USA Prophecy* Kenneth Mburu, 2020-11-03 This book will help you find the USA in the Bible. It will help you find the vital role God has assigned the USA in His plan. USA is Ephraim. USA is the western gate of the world through which all divine movements in the physical world begin—Numbers 2:18. USA is God's first born—Jeremiah 31:9: "They shall come with weeping, And with supplications I will lead them. I will cause them to walk by the rivers of waters, In a straight way in which they shall not stumble; For I am a Father to Israel, And Ephraim is My firstborn." The USA is being called to repentance in this Jeremiah 31:9 verse that means offspring (31) of fruit of the spirit and divine completion from Him (9). Ephraim is half-Israel and half-Egyptian, and so is USA. The USA is being called out of the sin and idolatry of its Egyptian half such as seen in the eye of Horus on top of the pyramid at the back of the 1-dollar bill in Hosea 11:1: "When Israel was a child, I loved him, And out of Egypt I called My son." The USA is being called to repentance because it is the leader of the world; as the USA goes, so does the world. Satan is therefore keen to usurp the USA and use it to establish his kingdom through the New World Order global government. Satan has evolved this plot over thousands of years. All players and institutions are in place and ready to take over the entire globe. The only problem: the physical door of the world that is USA has been shut in Satan's face by God. God has done this by raising Donald Trump to block the final move of the antiChrist system. Read this book therefore to understand the phenomena that is Donald Trump and why God has raised him as a wall against the move of

Satan in these end times, despite all his many human flaws. Read this book to understand the future of America and what we, especially as believers must do, in this 2020 election period, when the USA will either end up in continued preservation (45) or tribulation (46) depending on our choices and our efforts to either support God's move, or Satan's move.
