Guardian Angel Anthony Bell,2011-01-07 When Aufero gets punished in Heaven he discovers a side of Heaven he never knew existed. In his attempt to get back in the good graces of God, he discovers love, an awkward partnership, and his dark side. Satan has discovered a new way to defeat the guardian angels and is eager to take the throne of God for himself. Determined to change the course of battle Aufero guides his fellow angels into a battle meant to change Satan's mind about attacking the Gates of Heaven. The battle doesn't go as planned and the object of Aufero's affection (Aphasia) is abducted and taken to Hell. Now against the wishes of God he must find a way to retrieve her and escape banishment from Heaven. Things don't go as well as he plans when he meets his match in battle. He finds himself helpless, hopeless, and in Hell. Unwilling to accept defeat Aufero challenges Satan and discovers a side of the fallen angel he hadn't expected. When Satan offers him paradise, he must make a tough decision that could find him in a no win situation. Forced to fight to the death he must find the will and strength to defeat a demon that's never been bested. Should he succeed in his action against the devil he is faced with another dilemma. Will his success in Hell lead to his failure in Heaven?

Angels, Let's Talk Orlando Constantine,2007-10 The anointing received is the deciding factor of the truth on this subject, which is unparallel in content as being current, biblical and to the point. Why are you angels here, where are you coming from and do you give a ?damn? where you are going!? This book intend to bring a resolution to these questions and if eternal damnation is obvious, redemption is also plausible; as one extremity has a equal opposite, except in the case of God. Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool (Isaiah 1:18).

Revelation James M. Hamilton Jr.,2012-01-31 In the book of Revelation, God unveils the world as it really is, identifying an unseen spiritual war and announcing a very real day of judgment. We need to be convinced that Jesus is reigning as the risen King. We need to have him speak to the situation in our churches. We need to see how God will pulverize wickedness, obliterate those who oppose him, and set up his kingdom. Revelation has exactly what we need. Useful for personal study, as

well as for preaching and teaching (Hamilton even includes helpful charts and tables to highlight key themes and literary elements), the thirty-seven sermons in this volume have a clear structure: introduction, body, and conclusion. Hamilton successfully grabs the reader's attention, raises awareness of a real need, and states the main point of the sermon text. In addition to explaining the meaning of each passage, Hamilton connects the main ideas to applicable analogies and actionable points. Revelation is a prophecy of epic proportions and Hamilton invites readers to love God and his people by expositing this revelation of Jesus, and to say along with the apostle John, Come, Lord Jesus. Part of the Preaching the Word series.
