Congressional Record United States. Congress, 1975 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

American Foreign Policy & Process James M. McCormick, 1998 Because policy actions are always taken within a value context, this comprehensive text uses values and beliefs as the basic organizing theme. The book portrays the way values and beliefs about foreign affairs have changed over the course of U.S. history and how foreign policy has changed from its earliest years through the end of the Cold War and beyond.
