Night Will Find You Julia Heaberlin, 2023-06-20 “Heaberlin’s work calls to mind that of Gillian Flynn.” —The Washington Post * A GOOD MORNING AMERICA BUZZ PICK * BEING DEVELOPED BY FOX TELEVISION AS A TV SERIES * KIRKUS REVIEWS BEST FICTION BOOKS OF THE YEAR * STARRED PUBLISHERS WEEKLY REVIEW * LONG-LISTED FOR THE UK’s GOLD DAGGER AWARD * In the new thriller from the author of the bestselling *We Are All the Same in the Dark*, a brilliant young astrophysicist with an uncanny gift is asked to find a girl who vanished. Their story will make you examine everything you believe. Vivvy Bouchet was only ten when she saved a boy’s life by making an impossible prediction. She doesn’t want to explain it. A wunderkind scientist, she just wants to be left in peace to scan the desert Texas sky with her telescopes in one of the darkest places on earth. But when the boy she saved, now a Fort Worth cop, begs for her help on a cold case, she can’t turn him down. In the past decade, Lizzie Solomon and the Victorian mansion where she disappeared have taken on almost mythic status. Conspiracy theorists feed the frenzy that Lizzie is still buried in the crumbling walls while her mother, who sits in prison convicted of killing her, loudly proclaims her innocence. Paired with a skeptical detective, Vivvy falls deeper into the mystery of why Lizzie has never been found. When a vicious podcaster takes aim at Vivvy’s own secrets—and those of the vanished girl—Vivvy’s life unravels like the mysterious galaxies she chases. Julia Heaberlin delivers a resilient and unforgettable heroine in Vivvy Bouchet, a woman who walks the line between evidence-based science and unexplained phenomenon. Sharply relevant, *Night Will Find You* explores the mysterious nature of belief—in science, in conspiracies, in a higher power—and the delicate dance with the things we can’t know.

Hope Will Find You Naomi Levy, 2010 In this moving, personal work, Levy tells of the painful circumstances she endured with her young daughter’s illness, how they grew together, and ultimately how much Levy learned from her daughter’s example.

Hope Beneath Our Feet Martin Keogh, 2011-06-21 An inspiring anthology for anyone seeking guidance, hope, and strength in the midst of our current environmental crisis—featuring writings from Barbara Kingsolver and Barry Lopez The environmental “tipping point” we approach is more palpable each day, and people are seeing it in ways they can no longer ignore—we need only turn on the news to hear the litany of what is wrong around us. Serious reflection, inspiration, and direction on how to approach the future are now critical. *Hope Beneath Our Feet* creates a space for change with stories,

meditations, and essays that address the question, "If our world is facing an imminent environmental catastrophe, how do I live my life right now?" This collection provides tools, both practical and spiritual, to those who care about our world and to those who are just now realizing they need to care. Featuring prominent environmentalists, artists, CEOs, grassroots activists, religious figures, scientists, policy makers, and indigenous leaders, *Hope Beneath Our Feet* shows readers how to find constructive ways to channel their energies and fight despair with engagement and participation. Presenting diverse strategies for change as well as grounds for hope, the contributors to this anthology celebrate the ways in which we can all engage in beneficial action for ourselves, our communities, and the world. Contributors include: Diane Ackerman Paul Hawken Derrick Jensen Barbara Kingsolver Francis Moore Lappé Barry Lopez Bill McKibben Michael Pollan Alice Walker Howard Zinn

Hell House Brenda Hampton, 2013-10 Six of the author's most controversial characters are thrown into a house together to compete for a \$100,000 reality television prize.

The Coming Race War? Richard Delgado, 1996-05 In *The Washington Post*, Julius Lester praised Richard Delgado's *The Rodrigo Chronicles: Conversations about America and Race* as free of cant and ideology. . . . an excellent starting place for the national discussion about race we so desperately need. *The New York Times* has hailed Delgado as a pioneer in the study of race and law, and the *Los Angeles Times* has compared his storytelling style to Plato's *Dialogues*. In *The Coming Race War?*, Delgado turns his attention to the American racial landscape in the wake of the mid-term elections in 1994. Our political and racial topography has been radically altered. Affirmative action is being rolled back, immigrants continue to be targeted as the source of economic woes, and race is increasingly downplayed as a source of the nation's problems. Legal obstacles to racial equality have long been removed, we are told, so what's the problem? And yet, the plight of the urban poor grows worse. The number of young black men in prison continues to exceed those in college. Informal racial privilege remains entrenched and systemic. Where, asks Delgado in this new volume, will this lead? Enlisting his fictional counterpart, Rodrigo Crenshaw, to untangle the complexities of America's racial future, Delgado explores merit and affirmative action; the nature of empathy and, more commonly, false empathy; and the limitations of legal change. Warning of the dangers of depriving the underprivileged of all hope and opportunity, Delgado gives us a dark future in which an indignant white America casts aside, once and for all, the spirit of the civil rights movement, with disastrous results.

When Silence Walks In Jibon Gogoi, 2025-05-29 In a world where love and tradition collide, “When Silence Walks In” tells the poignant story of Nandan, a man caught between his past and his purpose. His love for Dr. Kabita Toshniwal is torn apart by society’s rigid caste system, leading to a tragedy that changes the course of his life. Consumed by guilt, he renounces his privileged world and dedicates himself to building HopeHeal International, a global sanctuary for orphaned girls and marginalized communities. Yet, even as he becomes a symbol of hope, the shadows of his past refuse to fade. His wife, Bristi, still waits, her love unwavering yet unanswered. His best friend, Bikash, watches, torn between pride and sorrow. As Nandan’s journey of redemption unfolds, he must confront a painful truth—has he truly atoned for the past, or has he simply run from it? A deeply moving novel of love, loss, and sacrifice, “When Silence Walks In” explores the price of redemption and the enduring power of human connection. Thought-provoking and emotionally charged, it asks: Can one ever outrun the past, or is true healing found in facing it?

Is God for Real Chris Leonard, 2012-05-04 There are moments in life when the everyday is touched by something more glorious than we usually encounter. The beauty of a summer dawn, the kindness of a stranger, the comfort of feeling held during a time of great personal difficulty - perhaps an experience like this has got us wondering. Perhaps it has got us thinking about God. Is God for Real? is the question many struggle with. So Chris Leonard spoke to people from all kinds of backgrounds and asked them to explain how their relationship with God works out in practice, during crises, but mainly in normal, everyday life. The stories she has gathered together - of real personal experience - will be an encouragement to us whether we have known God for many years, or are just feeling our way to a trusting relationship with him.
