No One Is Alone Rachel Vincent,2022-07-12 From bestselling author Rachel Vincent comes a gripping and heartfelt story about a girl faced with a shocking revelation when her mom dies and she's forced to move in with her father's "real" family. Michaela is a junior in high school, living with her single mom. Her dad lives a few towns away and she only sees him on holidays and birthdays. They barely know each other, but Michaela is so close with her mom that she's never minded. That is, until her mom dies suddenly, and Michaela has to move in with her dad . . . who reveals he's been married with kids all this time and she's the product of an affair. Before she can even grieve her mother, Michaela is thrust into a strange house with a stepmom and three half siblings. Including her new sister Emery, who is less than thrilled at the prospect of sharing her room. Especially when they both try out for the school musical and Emery's theater star ex-boyfriend suddenly seems interested in Michaela. Can Michaela find a way to make a home with a family who didn't ask for her in the first place?

The Complete Lyrics of Johnny Mercer Johnny Mercer,Robert Kimball,Barry Day,Miles Kreuger,Eric Davis,2009-10-20 The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs-his words have never gone out of fashion-and with this superb collection, it's easy to see that his lyrics elevated popular song into art.

The Lyric Theory Reader Virginia Walker Jackson,Yopie Prins,2014-02 Reading lyric poetry over the past century. The Lyric Theory Reader collects major essays on the modern idea of lyric, made available here for the first time in one place. Representing a wide range of perspectives in Anglo-American literary criticism from the twentieth and twenty-first centuries, the collection as a whole documents the diversity and energy of ongoing critical conversations about lyric poetry. Virginia Jackson and Yopie Prins frame these conversations with a general introduction, bibliographies for further reading, and introductions to each of the anthology's ten sections: genre theory, historical models of lyric, New Criticism, structuralist and post-structuralist reading, Frankfurt School approaches, phenomenologies of lyric reading, avant-garde anti-lyricism, lyric and sexual difference, and comparative lyric. Designed for students, teachers, scholars, poets, and readers with a general interest in poetics, this book presents an intellectual history of the theory of lyric reading that has circulated both within and beyond the classroom, wherever poetry is taught, read, discussed, and debated today.

Traditional Music in Coastal Louisiana Joshua Clegg Caffery,2013-11-05 Alan Lomax's prolific sixty-four-year career as a folklorist and musicologist began with a trip across the South and into the heart of Louisiana's Cajun country during the height of the Great Depression. In 1934, his father John, then curator of the Library of Congress's Archive of American Folk Song, took an eighteen-year-old Alan and a 300-pound aluminum disk recorder into the rice fields of Jennings, along the waterways of New Iberia, and behind the gates of Angola State Penitentiary to collect vestiges of African American and Acadian musical tradition. These recordings now serve as the foundational document of indigenous Louisiana music. Although widely recognized by scholars as a key artifact in the understanding of American vernacular music, most of the recordings by John and Alan Lomax during their expedition across the central-southern fringe of Louisiana were never transcribed or translated, much less studied in depth. This volume presents, for the first time, a comprehensive examination

of the 1934 corpus and unveils a multifaceted story of traditional song in one of the country's most culturally dynamic regions. Through his textual and comparative study of the songs contained in the Lomax collection, Joshua Clegg Caffery provides a musical history of Louisiana that extends beyond Cajun music and zydeco to the rural blues, Irish and English folk songs, play-party songs, slave spirituals, and traditional French folk songs that thrived at the time of these recordings. Intimate in its presentation of Louisiana folklife and broad in its historical scope, *Traditional Music in Coastal Louisiana* honors the legacy of John and Alan Lomax by retrieving these musical relics from obscurity and ensuring their understanding and appreciation for generations to come. Includes: Complete transcriptions of the 1934 Lomax field recordings in southwestern Louisiana Side-by-side translations from French to English Photographs from the 1934 field trip and biographical details about the performers

For You Alone Terry A. Veling, 2014-04-18 The works of Emmanuel Levinas, a survivor of the Nazi horror, are striking in the constancy of their thought and the strength of their appeal. We are not condemned to evil and hatred; rather, we are called to be-for-each-other. *For You Alone* explores the relational and religious quality of Levinas' work. Our lives are always twofold rather than one and the same. A relational life is dependent on encounters that are revelatory. Revelation means that life is no mere sameness but is tied to the revelation of the other, to you. Here is transcendence par excellence. Here is what the name of God signifies, the relational and ethical bond that takes us outside ourselves toward the other in our midst. What could be more natural, more human, or more divine than to speak of the relational quality of life? An answerable life means that we are asked after, called, required. Here I am under your gaze, Levinas writes, obliged to you, your servant. In the name of God.

Stephen Sondheim and Andrew Lloyd Webber Stephen Citron, 2001-09-13 The New York Times called Stephen Sondheim the greatest and perhaps best known artist in the American musical theater, while two months earlier, the same paper referred to his contemporary, Andrew Lloyd-Webber as the most commercially successful composer in history. Whatever their individual achievements might be, it is agreed by most critics that these two colossi have dominated world musical theater for the last quarter century and hold the key to the direction the musical stage will take in the future. Here in the

third volume of Stephen Citron's distinguished series *The Great Songwriters*--in depth studies that illuminated the musical contributions, careers, and lives of Noel Coward and Cole Porter (*Noel & Cole: The Sophisticates*), and Oscar Hammerstein 2nd and Alan Jay Lerner, (*The Wordsmiths*)--this eminent musicologist has taken on our two leading contemporary contributors to the lyric stage. His aim has not been to compare or judge one's merits over the other, but to make the reader discover through their works and those of their contemporaries, the changes and path of that glorious artform we call Musical Theater. In his quest, Citron offers unique insight into each artist's working methods, analyzing their scores--including their early works and works-in-progress. As in Citron's previously critically acclaimed books in this series, great significance is given to the impact their youthful training and private lives have had upon their amazing creative output. Beginning with Sondheim's lyrics-only works, *West Side Story*, *Gypsy*, *Do I Hear A Waltz?* through his scores for *Saturday Night*, *Company*, *Anyone Can Whistle*, *Follies*, *Pacific Overtures*, *A Little Night Music*, *Sweeney Todd*, *Merrily We Roll Along*, *Sunday In the Park*, *Into the Woods*, *Assassins*, and *Passion*, all these milestones of musical theater have been explored. Lloyd-Webber's musical contribution from his early works, *The Likes of Us* and *Joseph to Jesus Christ Superstar*, *Evita*, *Cats*, *Starlight Express*, *Aspects of Love*, *By Jeeves*, *The Phantom of the Opera*, *Song & Dance*, *Mass*, *Sunset Boulevard* to *Whistle Down the Wind* are also thoroughly analyzed. The works of these two splendid artists are clarified for the casual or professional reader in context with their contemporaries. Complete with a quadruple chronology (Sondheim, Lloyd-Webber, US Theater, British Theater), copious quotations from their works, and many never before published illustrations, the future of the artform that is the crowning achievement of the 20th century is made eminently clear in this book. Sondheim & Lloyd-Webber is a must-read for anyone interested in the contemporary theater.

Petrarch's Lyric Poems Francesco Petrarca, 1976 Durling's edition of Petrarch's poems has become the standard. Readers have praised the translation of the authoritative text as graceful and accurate, conveying a real understanding of what this difficult poet is saying. The literalness of the prose translation makes this book especially useful to students who lack a full command of Italian.
