The Ancient Greek Hero in 24 Hours Gregory Nagy, 2020-01-07 What does it mean to be a hero? The ancient Greeks who gave us Achilles and Odysseus had a very different understanding of the term than we do today. Based on the legendary Harvard course that Gregory Nagy has taught for well over thirty years, *The Ancient Greek Hero in 24 Hours* explores the roots of Western civilization and offers a masterclass in classical Greek literature. We meet the epic heroes of Homer's *Iliad* and *Odyssey*, but Nagy also considers the tragedies of Aeschylus, Sophocles, and Euripides, the songs of Sappho and Pindar, and the dialogues of Plato. Herodotus once said that to read Homer was to be a civilized person. To discover Nagy's Homer is to be twice civilized. "Fascinating, often ingenious... A valuable synthesis of research finessed over thirty years." —Times Literary Supplement "Nagy exuberantly reminds his readers that heroes—mortal strivers against fate, against monsters, and...against death itself—form the heart of Greek literature... [He brings] in every variation on the Greek hero, from the wily Theseus to the brawny Hercules to the 'monolithic' Achilles to the valiantly conflicted Oedipus." —Steve Donoghue, Open

Letters Monthly

Our Mythical Childhood... The Classics and Literature for Children and Young Adults ,2016-11-01 In *The Classics and Children's Literature between West and East* a team of contributors from different continents offers a survey of the reception of Classical Antiquity in children's and young adults' literature by applying regional perspectives.

Plot Summary Index ,1981

The Song of the Sirens Pietro Pucci,1998 In this collection of his essays on Homer, some new and some appearing for the first time in English, the distinguished scholar Pietro Pucci examines the linguistic and rhetorical features of the poet's works. Arguing that there can be no purely historical interpretation, given that the parameters of interpretation are themselves historically determined, Pucci focuses instead on two features of Homer's rhetoric: repetition of expression (formulae) and its effects on meaning, and the issue of intertextuality.

A Special Model of Classical Reception Maria de Fátima Silva,David Bouvier,Maria das Graças Augusto,2020-09-03 The contributions to this volume cover a large diachronic, geographical, and cultural space. Some of the texts go back to antiquity, using the Odyssey as the most significant source for several reflections, both ancient and contemporary, and therefore the safest link between old and contemporary versions. In addition, in the modern and contemporary summaries and tales analysed here, predominance is given to epics (Homer and other famous stories known from the epic cycle) as a source, exemplified by texts belonging to various literary works from across the globe, focused on the influence that major political phenomena can have on universal creativity.

Greek Myth Lowell Edmunds,2021-04-06 This volume provides a guide to research in the field of Greek Myth, introducing the main questions, theories and methods related to the study of Greek Myth today. The author points out, with critical reappraisal, the key themes and ideas in recent scholarship and makes suggestions for future lines of study. Aimed at students and scholars in Classics, it will also be of interest to larger audiences in the Humanities.

Epic Singers and Oral Tradition Albert Bates Lord,2018-08-06 Albert Bates Lord here offers an unparalleled overview of the nature of oral-traditional epic songs and the practices of the singers who composed them. Shaped by the conviction that theory should be based on what singers actually do, and have done in times past, the essays collected here span half a century of Lord's research on the oral tradition from Homer to the twentieth century. Drawing on his extensive fieldwork in living oral traditions and on the theoretical writings of Milman Parry, Lord concentrates on the singers and their art as manifested in texts of performance. In thirteen essays, some previously unpublished and all of them revised for book publication, he explores questions of composition, transmittal, and interpretation and raises important comparative issues. Individual chapters discuss aspects of the Homeric poems, South Slavic oral-traditional epics, the songs of Avdo Metedovic, Beowulf and Anglo-Saxon poetry, the medieval Greek Digenis Akritas and other medieval epics, central Asiatic and Balkan

epics, the Finnish Kalevala, and the Bulgarian oral epic. The work of one of the most respected scholars of his generation, Epic Singers and Oral Tradition will be an invaluable resource for scholars and students of myth and folklore, classicists, medievalists, Slavists, comparatists, literary theorists, and anthropologists.

The Travels of Odysseus Jonathan S. Burgess, 2025-06-11 The Travels of Odysseus employs the theme of travel to explore the Odyssey and its contexts. After an introductory chapter, Chapter 2 provides analysis of the “wanderings” or Apologos of Odysseus, Chapter 3 explores the “lying tales” told by Odysseus in disguise upon his return to Ithaca, and Chapter 44 discusses a variety of stories about Odysseus leaving Ithaca again (including Teiresias' prediction of an “inland journey” and the Telegony of the Epic Cycle). The introductory chapter explores various contexts of Odysseus' travels: the Epic Cycle (notably the Nostoi (“Returns”) and the Telegony), comparable travelers of myth (Gilgamesh, Heracles, Perseus), the genre of travel writing, ancient and modern, and the characterization of Odysseus within Homer and outside of Homer. Chapter 2 explores the hero's account of his wanderings to the Phaeacians in Books 9-12 by exploring the poem's explanation of the hero's nostos (“return”) in the proem, the spatial and temporal aspects of the wanderings, the Phaeacian context of the Odysseus' stories, the implications of the ancient term apologos for Odysseus' “wanderings,” the patterns, causality, and plot of the Apologos, and the socio-economic aspects of the “wanderings.” Chapter 3 explores the actions of Odysseus upon his return to Ithaca. Topics include the Homeric and non-Homeric aspects of Ithaca, the motif of “lying travelers at Ithaca,” the themes of the false travel tales that Odysseus tells while in disguise, the function of these “lying tales” to “test” suitors, slaves, and family, and an extensive comparison of the “lying tales” to the “wanderings.” Chapter 4 first discusses issues arising at the end of the Odyssey, which are described as indicative of existing or potential further adventures of Odysseus. These post-nostos travels include Teiresias' prediction of the need to take an “inland journey,” Odysseus' travel to Thesprotia in the Telegony, and other lost tales about Odysseus traveling to northwest Greece or the Italian world. Many tales involve locations linking themselves to the hero through genealogy or burial place.

Flavian Epic Interactions Gesine Manuwald, Astrid Voigt, 2013-08-29 This volume on the three Flavian epic poets (Valerius Flaccus, Statius and Silius Italicus) for the first time critically engages with a unique set-up in Roman literary history: the survival of four epic poems from the same period (Argonautica; Thebaid, Achilleid; Punica). The interactions of these poems with each other and their contemporary context are explored by over 20 experts and emerging scholars. Topics studied include the political dimension of the epics, their use of epic themes and techniques and their intertextual relationship among each other and to predecessors. The recent upsurge of interest in Flavian epic has been focussed on the analysis of individual works. Looking at these poems together now allows the appreciation of their similarities and nuanced differences in the light of their shared position in literary and political history and gives insights into the literary culture of the period. The different approaches and backgrounds of the contributors ensure the presentation of a range of viewpoints. Together they offer new

perspectives to the still increasing readership of Flavian epic poetry but also to anyone interested in the epic genre within Roman literature or other cultures more generally.

Buzz Books 2023: Romance Publishers Lunch, 2023-05-30 The eighth annual edition of Buzz Books: Romance provides substantial prepublication excerpts from 14 forthcoming romance titles. The Song of Roland Arthur Sanders Way, 1895

Arete and the Odyssey's Poetics of Interrogation Justin Arft, 2022 Justin Arft explores how the Phaeacian queen, Arete, is at the heart of an epic-scale poetics of interrogation used throughout the Odyssey to negotiate Odysseus' kleos, or epic renown. The queen and her question invite new applications of oral poetics that shed light on the structure, composition, and reperformance of the Odyssey.

Triphiodorus, "The Sack of Troy" Laura Miguélez-Cavero, 2013-10-29 The last full commentary on The Sack of Troy was published by Wernicke in 1819 and even the most recent analyses of the poem tend to see it as a quick halt in the evolution of epic poetry on its way towards Nonnus of Panopolis. This book offers a complete treatment of The Sack of Troy for its own sake. The introduction gathers all the information we have about Triphiodorus and his work, focusing on the reasons behind the election of topic, the outline of the poem, different forms of allusion, the use of the characterisation of individuals and

groups to sustain plot development, the nature of the narrator and the value of speeches. This part is followed by a detailed analysis of Triphiodorus' literary universe: his different forms of engagement not only with Homer and other distant poets, but also with Imperial literature and the contemporary cultural production. The line-by-line commentary of the poem attends to the position of each episode in the poem and in the tradition of the Trojan War and offers a linguistic, formal and stylistic analysis. Each section or episode is preceded by a comprehensive introduction, always bringing in all the related bibliography but providing a fresh and reliable view on Triphiodorus.

The Classical Priamel from Homer to Boethius William H. Race, 1982

AKASHVANI All India Radio (AIR), New Delhi ,1966-12-04 Akashvani (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists.
