Write Choices Sue Hertz,2015-03-18 *Write Choices: Elements of Nonfiction Storytelling* helps writers cultivate their nonfiction storytelling skills by exploring the decisions all writers confront when crafting factual narratives. Sue Hertz focuses on examining the common choices all true storytellers encounter, whether they are writing memoirs, literary journalism, personal essays, or travel essays. And since today's writers are no longer confined to paper, *Write Choices* also includes digital storytelling options, and advice on how writers can employ technology to enhance their narratives. Key Features Challenging Choices boxes in each chapter highlight how writers have decided to proceed at a particularly difficult juncture in their writing process. Web Choices sections in each chapter detail the decisions involved in creating additional multimedia to complement prose narratives. Try Tim writing exercises throughout the text provide opportunities for readers to apply and explore writing strategies presented in each chapter. Content gleaned from interviews with over 60 nonfiction storytellers exposes readers to established writers and editors representing all styles of nonfiction writing. Book jacket.

The Fighting Man Adrian Deans, 2018-11-01 A Tale of Love and Revenge Set Against History's Bloody Backdrop... In the year 1060, young Brand Holgarsson's family are wiped out in a Viking raid arranged by Brand's treacherous uncle Malgard. Malgard is named thegn of the town of Stybbor in East Anglia while Brand is made outlaw and hunted through the woods by Malgard's men, determined to extinguish the last possible claim to Malgard's thegnship. Aided by a strange young woman, Valla, who claims to be 242 years old, Brand escapes and is befriended by Harold Godwinson, Earl of Wessex and the choice of the Saxon nobles to be king after the childless Edward (the Confessor). Brand nurses his dream of vengeance over Malgard while sharing Harold's perils and waiting for Valla who will only return from The Place of Dreams if Brand has remained true to his promise to lie with no other woman. All stories come together at the Battle of Hastings, where Harold's great banner, The Fighting Man, flew above the field at Senlac Ridge in opposition to the papal cross carried by William the Bastard Not since reading Sharpe have I felt such a sense of being in the story. Outstanding. - Stuart Quin, Full Circle Films I read it on the train, walking down the street, well after my usual bed time and when I was supposed to be working. Even though I knew exactly where the story was headed, I was compelled to know what happened next. - Jane B Rawson, From The Wreck

The Planetary Emergency Kent D. Shifferd, 2021-02-02 Earth and its inhabitants face an unprecedented crisis--the human-caused destruction of the planet's life support systems. Deteriorating climate bringing super storms, mass forest fires, melting glaciers, droughts, extreme heat and rising seas, a decline in food production, soil loss, water pollution and declining fisheries all threaten the future of life on earth with a looming extinction event not seen for 60 million years. Beginning in the 17th century, we developed a civilization based on radical materialism, exploitation of natural resources and the myth of endless economic growth. For all its technological wonders, this hypercivilization has proven unsustainable. This book explores ways we can create an ecocivilization compatible with the laws and limits of nature--a new way of living already developing, with new technologies, new forms of social organization and a new story about ourselves and the Earth.

Teach Encourage Empower Mentor (Teem) Yolanda J. Lomax, 2021-03-22 Although author Yolanda J. Lomax had a successful thirty-two-year-career in the US Army, she longed for the mentorship of her sisters in arms who wore the ranks of sergeant through command sergeants major or lieutenant through general. She yearned for the opportunity to seek their

professional advice, as well as have a sister to go to, just to share a personal moment. Lomax realized that as she rose through the ranks as a woman, it was lonely at the top. In Teach Encourage Empower Mentor (TEEM), she proposes a military female mentoring program to encourage sisters in arms to plant seeds, tend them as the roots take hold, emerge, and break through to reveal strong trees with branches. Lomax believes when women teach, encourage, empower, and mentor present and future military forces, it demonstrates that no weapon used against females can prosper. Teach Encourage Empower Mentor (TEEM) delivers the message that when women can set aside trivial bickering and display unity, they are truly a force to be reckoned with. It demonstrates that average females are capable of achieving exceptional results.

Awaken 101 Christopher Uhl,Melissa DiJulio,2020-10-01 Discovering our meaning and purpose--our reason for being--can seem like an impossible task, especially given the tumultuous times in which we find ourselves. Through challenging provocations, uplifting narratives, and profound insights, this book emboldens readers to experience their lives, not as spectators, but as reflective, courageous and purposeful participants. We can turn toward the problems, look them in the eye, and begin the work of setting things right--we can begin the process of awakening. Organized as a five-part journey, it explores, both cognitively and experientially, what it might mean to assume the rightful authorship of your life. By breaking out of the dominant narrative of how life should be lived, and by becoming more aware of the world around us, we can gain the tools essential for becoming open-minded, embodied, introspective and soulful human beings.

Deacon King Kong (Oprah's Book Club) James McBride,2021-02-02 Winner of the Anisfield-Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's Favorite Books of the Year Oprah's Book Club Pick New York Times Readers Pick: 100 Best Books of the 21st Century Named one of the Top Ten Books of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of *The Heaven & Earth Grocery Store*, the National Book Award-winning *The Good Lord Bird*, and the bestselling modern classic *The Color of Water*, comes one of the most celebrated novels of the year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause Houses housing project in south Brooklyn, pulls a .38 from his pocket, and, in front of everybody, shoots the project's drug dealer at point-blank range. The reasons for this desperate burst of violence and the consequences that spring from it lie at the heart of *Deacon King Kong*, James McBride's funny, moving novel and his first since his National Book Award-winning *The Good Lord Bird*. In *Deacon King Kong*, McBride brings to vivid life the people affected by the shooting: the victim, the African-American and Latinx residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story deepens, it becomes clear that the lives of the characters—caught in the tumultuous swirl of 1960s New York—overlap in unexpected ways. When the truth does emerge,

McBride shows us that not all secrets are meant to be hidden, that the best way to grow is to face change without fear, and that the seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as *The Good Lord Bird* and as emotionally honest as *The Color of Water*. Told with insight and wit, *Deacon King Kong* demonstrates that love and faith live in all of us.
