All Is Not Forgiven Joe Kenda, 2023-07-25 When murder is your business, solving the case is personal ... The Homicide Hunter's riveting debut novel proves that fiction really can be stranger than truth ... *All Is Not Forgiven* is the debut crime novel by television star Joe Kenda, a former homicide detective, whose hit series *Homicide Hunter* and *Homicide Hunter: American Detective* air on Investigation Discovery, the #1 true-crime channel available in more than 80 million homes. In this first novel, the rookie Det. Kenda investigates a 1975 case that begins with the murder of a beloved Colorado philanthropist and society figure whose husband, a gambler and womanizer, appears to have an air-tight alibi. Mentored by his veteran partner Det. Lee Wilson, a former Nashville singer turned skilled investigator, Kenda's case quickly attracts attention from the FBI, CIA, and Interpol, for its similarity to a string of killings involving wealthy married women. All the murders appear to have been committed by a hired professional whose trademark is the use of an unusual form of lethal ammunition that leaves no trace. Detectives Kenda and Wilson travel across the country, following leads to Las Vegas and a mob "made man" pit boss who moonlights as a matchmaker for hit men. In this first extraordinary case, the detectives join a full law-enforcement blitz to track down a twisted killer who has made murder his business.

First Do No Harm Joe Kenda, 2024-09-10 Former homicide detective and star of Investigation Discovery, Joe Kenda follows his authentic and fascinating debut novel with *First Do No Harm*, another addictive tale of crime and punishment as only he can tell it. A string of overdoses in Colorado Springs has Detectives Joe Kenda and Lee Wilson on the lookout for a bad batch of heroin that has been cut with a drug they've never seen before. Meanwhile, at Springs General Hospital, Dr. Blair Moreland—the notoriously unpleasant head anesthesiologist—has found a way to feed his deepening addiction to the very same powerful new drug: fentanyl. But when Dr. Moreland starts supplying the dangerous painkiller to dealer Lula Lopez—planning to manufacture the drug himself—he angers a Mexican crime syndicate and sets into motion a cycle of death and violence that threatens to engulf the entire city. Detectives Kenda and Wilson must track down the source of this killer heroin before anyone else can overdose—and stop Moreland before he can escape the long arm of the law.

Killer Triggers Joe Kenda, 2021-03-09 The most common triggers for homicide are fear, rage, revenge, money, lust, and, more rarely, sheer madness. This isn't an exact science, of course. Any given murder can have multiple triggers. Sex and revenge seem to be common partners in crime. Rage, money, and revenge make for a dangerous trifecta of triggers, as well. This book offers my memories of homicide cases that I investigated or oversaw. In each case, I examine the trigger that led to death. I chose this theme for the book because even though the why of a murder case may not be critical in an investigation, it can sometimes lead us to the killer. And even if we solve a case without knowing the trigger, the why still intrigues us,

disrupting our dreams and lingering in our minds, perhaps because each of us fears the demons that lie within our own psyche--the triggers waiting to be pulled.

Summary of Joe Kenda's Killer Triggers Everest Media,2022-04-16T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The police were called to a east-side laundromat where a customer had found a man shot in a nearby shopping center parking lot. The man had been dressed in pink running shorts, a red T-shirt, and fancy running shoes. He had been shot once. His wallet and its contents were intact, and his driver's license identified him as Robert Elshire, 71, of Heber Springs, Arkansas. #2 As a homicide detective, you are often the bearer of bad news. You must deliver it as gently as possible, because the heart never heals from this sort of tragedy. #3 The Elshire family lost their patriarch, a good man, because a couple of dopes needed rent money, booze money, or drug money. The trigger pulls on those cheap guns are very light, and many automatically cock when a bullet is in the chamber. #4 The two suspects were dopes, as they returned to the scene of the crime three and a half hours after killing their father. They were jealous of the attention Kenny was giving me, and they growled at him several times.

Summary of Joe Kenda's I Will Find You Everest Media,2022-05-28T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was a rookie police officer in Colorado Springs in 1973 when I was dispatched to the White Spot restaurant on a call of a cop being attacked. I had to help save the cop's life, and my reputation as a head-banging street cop was made. #2 I was once dispatched to a bar to break up a fight, and found a giant Native American fighter throwing people around like rag dolls. I brought him down, but we paid for it. My shit magnet reputation spread beyond the police department and into the community at large. #3 The West Side of Colorado Springs was not the new and shiny part of the city. It was a hot zone, with more bars than churches. It was a rough neighborhood, with residents born there and dying there. Most residents abandoned hope before it abandoned them. #4 I was assigned to the West Side of Colorado Springs, where I arrived to find a chaotic scene of men and women fighting each other at a local mortuary. I arrested the man responsible for the casket assault.

The Setup Pete Crooks,2015-01-13 The pitch went like this: Chris Butler, a retired cop, ran a private investigator firm in Concord, California. His business had a fascinating angle—his firm was staffed entirely by soccer moms. In fact, Butler employed PI Super Moms: attractive, organized, smart, and trained in investigative techniques, self-defense, and weaponry. This American Life host Ira Glass described them as “MILF: Charlie's Angels. When this story came across Pete Crooks's desk when he was working at Diablo magazine in 2010, he was instantly hooked. He'd heard a little bit about Butler and his super moms in the news; they'd been featured in People magazine and on Dr. Phil. What Butler's publicist was offering was too tantalizing to pass up: an opportunity to ride along with Butler and a few of his sexy PIs as they prepared to start filming a reality TV show. But after the ride-along—and after he started receiving mysterious emails from one of Butler's employees—Crooks started to realize something didn't seem right. After doing a little digging, he discovered the “sting he'd

seen only had one real victim...him. The PI bust had been a setup. Crooks wasn't a hardboiled crime reporter. He did lifestyle pieces for a regional magazine. The more he learned about Butler's operation, the more he realized he was in far over his head. But swallowing his fears, he decided he was going to write an expose on Butler and his entire organization. He soon found himself deep in the underbelly of fake sting operations, wannabe celebrities, police corruption, drug-dealing, reality television, double-crossing employees, and more twists and turns than a dozen crime thrillers.

Twisted But True Darren Burch,2020-12-11 Retired Phoenix Police Sergeant Darren Burch captivates you on another wild police ride-along with outrageously macabre and compelling stories from his thirty-year career as a rookie cop, sex crime detective, and night detective sergeant in the Phoenix Police Department's Homicide Unit in this gut-clinching, horrific, and oftentimes laugh-out-loud funny follow-up to Darren's award-winning true-crime book, *Twisted But True*. Darren's dark humor reemerges with a vengeance, starting with death and despair, and then to the hilarious as a rookie cop in "That First Squad," to a case of animal sexual depravity in "Choking the Chicken," and a deadly home invasion beyond belief in "That One Case", which was featured on the ID Channel's American Detective TV series. These thirty true-crime stories mirror the time frame of *Twisted But True*, but this time, Darren goes even deeper and darker by filling in the cracks.

Joe Kenda. Darren’s horrifically brutal and morbidly funny true-crime stories resumes with a vengeance, starting with manic stories like, finding a severed leg in “A Dumpster Fire,” to the savagery of a triple murder in “Easter Massacre,” to acts of depravity from sexual predators in “He’s No Angel” and “Caught Red Faced,” and even the supernatural with an inspirational tale in “Heavenly Sent.”
