

Letteratura Italiana Manuale Per Studi Universitari Vol 1

Associazione italiana editori

Female Cultural Production in Modern Italy Sharon Hecker,Catherine Ramsey-Portolano,2023-04-13 This book is the first critical interdisciplinary examination in English of Italian women's contributions to intellectual, artistic, and cultural production in modern Italy. Examining commonalities and diversities from the country's Unification to today, the volume provides insight into the challenges that Italian women engaged in cultural production have faced, and the strategies they have deployed in order to achieve their objectives. The essays address a range of issues, from women's self-identification and public ownership of their professional roles as laborers in the intellectual and cultural realm, to questions about motherhood and financial remuneration, to the role of creative foreign women in Italy. Through critical analysis and direct testimony from new and typically marginalized voices, including an Arab-Italian writer, an Italian-Dominican filmmaker, and a transgender activist, new forms of ongoing struggle emerge that redefine the culturally diverse landscape of female intellectual and creative production in Italy today. The volume rethinks a solely national "Made in Italy" reading of the subject of female intellectual labor, demonstrating instead the wide network of influences and relationships that have existed for Italian women in their professional aspirations.

Manuale di linguistica italiana Sergio Lubello,2016-07-11 Questo Manuale di linguistica italiana intende fornire un quadro d'insieme aggiornato (in particolare post 1988) sulla lingua italiana e anche dare conto di ricerche e ambiti maggiormente esplorati negli ultimi venti anni come, in diacronia, le scriptae italo-romanze, l'italiano fuori d'Italia (dal Medioevo a oggi), le varietà d'italiano nel passato, la sintassi dell'italiano antico. Il volume è suddiviso in tre sezioni: l'italiano nella storia; l'italiano contemporaneo; i luoghi della codificazione / le questioni / gli sviluppi recenti della ricerca. Nella seconda sezione un capitolo sull'italiano di oggi illustra i tratti più significativi della lingua che cambia (a sé è trattata la

morfologia con la formazione delle parole), mentre molto articolata è la parte dedicata all’italiano variazionale la cui architettura è più complessa rispetto a pochi decenni fa dato il quadro sociolinguistico notevolmente mutato e l’influsso significativo dei media anche sui fatti di lingua. Alcuni settori hanno avuto inoltre un incremento notevole di studio: la pragmatica, la linguistica testuale, la linguistica dei corpora, come del resto anche la didattica dell’italiano, che si è consolidata anche nella prospettiva della L2 grazie a importanti studi di linguistica acquisizionale.

Gli studi slavistici in Italia nell’ultimo trentennio (1991-2021). Bilanci e prospettive Rosanna Benacchio,Andrea

Ceccherelli,Cristiano Diddi,Stefano Garzonio,2024-12-01 Il volume raccoglie i bilanci degli studi slavistici italiani compiuti negli ultimi trent’anni e delinea le prospettive di quelli futuri, con riferimento a numerose aree tematiche, a cominciare da quelle a carattere più generale quali la storia della slavistica, la filologia e la linguistica slave, per passare a quelle caratterizzate da una prospettiva interdisciplinare come la teoria della traduzione, la teoria della letteratura, la comparatistica letteraria, le arti. Bilanci approfonditi riguardano poi gli studi delle letterature più studiate in Italia, come quella russa, polacca e ceca, ma non vengono trascurate le ricerche riguardanti altre aree disciplinari coltivate negli atenei italiani, come la slovenistica, la serbocroatistica, la bielorussistica, l’ucrainistica e la bulgaristica.
