Homeschooling the Heart Kim Cordonnier, 2015-07-30 Homeschooling the Heart is a guide for introducing the great adventure of understanding virtue. From kindness to vigilance, each subject is presented for thorough exploration, yet with enough versatility to fit your schedule. The study gently introduces each topic with an accessible explanation, Scripture, and story references. It then goes on to challenge the mature thinker to apply these principles to the real world with exercises and thought-provoking questions. Packed with Biblical truth, it opens up opportunities for honest discussion of vital issues with all your children.
