Blessing or Curse Derek Prince, 2006-09-01 Life's trials and triumphs can seem accidental. One person may feel that life is a constant struggle in which pitfalls abound and someone seems out to get him. Another may feel that every day is a gift from God with special blessings just for her. That's because forces are at work in our lives: the blessings of a loving God or the curses of our spiritual adversary. This hugely popular classic work of Derek Prince helps readers recognize if there are curses at work in their lives and shows them how to get out from under those curses to live under God's blessings. This third edition of Blessing or Curse includes an extensive new study guide for small group or individual use.

Included amongst the 95 essays are answers to the following questions: Who is God? Who is Jesus Christ? Who is The Trinity? Who is The Messiah? Who is a Human Being? Who is a Male? Who is Satan? Who is The Son of Man? Who is God the Father? Who is the Word? Who is a Female? Who is the Antichrist? What is Revelation? What is Creation? What is the Truth? What is The Law? What is Praise? What is Glory? What is Prophecy? What is Healthy Living? What is Love? What is Holiness? What is the Tongue? What is Fear?

**Pentecostal Exorcism** Opoku Onyinah, 2019-05-21 Witchcraft and exorcism have long been dominant features of life in African cultures. This unique book provides a thorough, field research-based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana. Anthropological studies generally claim that the ultimate goal of exorcism is modernisation. Using interdisciplinary studies with a theological focus, the author takes a different view, arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry, where the focus is to identify and break down the so-called demonic forces by the power of God and to deliver people from their torment. The deliverance ministry is one attempt to contextualise the gospel for African people. However, preoccupation with demonisation and exorcistic practices is found to bring Christianity into tension with the Akan culture, family ties and other religions. In order to develop a properly safeguarded ministry of exorcism in an African context, the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation, which has strong resonances with the biblical concept of prayer.

**The Generational Curse** Paul Chintapalli, 2004-07 Can a genuinely born-again believer come under a curse? The Church has paid, and continues to pay, a colossal price for its negligence as well as ignorance of this truth? the generational curse. While the Scriptures are not explicit, the underlying truth concerning iniquities and visiting iniquities makes it abundantly clear that a believer can come under the bondage of a generational curse. The words transgression, sin, and iniquity show the progressiveness of human depravity in entertaining idolatry, which essentially causes a Christian to break scriptural commandments. The believer does not lose his salvation for breaking any one of the scriptural laws, but the just consequences of such rebellion take their toll, not only on the perpetrator, but also on the subsequent generations! However, the believer can be set free from these nagging and crippling bondages through God's provision in Christ.

*A Grace Deficit* Read I. Myers,2010-07-16 The Lord has set an open door before the believer who through acts of faith can discover and experience an ongoing and supernatural relationship with the Holy Spirit. The supernatural events recorded in the text of this manuscript have been the ongoing experience of the author for forty years. They serve only to highlight the integrity and authority of the Word of God. Come and live daringly!

**WHAT CAN I DO TO HELP LAZARUS?** Harriet I. Cook,2024-05-06 Domestic abuse concealed within the fabric of Christian life is often foreign to both leadership and laity alike. With a focus on abused wives, *What Can I Do to Help Lazarus?* compassionately gives spiritual and practical ways for leaders and fellow believers to better minister to women whose spouse has cruelly torn apart the marriage covenant. With sensitivity, scripture, and wisdom, the author also brings needed validation to the targets of purposed evil in the institution God designed to be a woman's sanctuary—marital oneness. *What Can I Do to Help Lazarus?* was written as a short article for abuse survivors reading a Christian domestic abuse support site. Reader comments were extremely positive and, with the Lord's inspiration, the author expanded the content. "Yes! YES! Yeeeeesssss! I will be sharing this with many church friends who are absolutely clueless. Thank you for articulating this so well." "Eyes that see and a heart of mercy! So rare!" "There is something about how you write that seeps like water through porous soil. Perhaps your words speak so clearly because they do not yell..." "I don't think there was a single line that didn't make the tears fall a little harder at each one...tears of 'she gets it'."

**Healed at Last** Kathy DeGraw,2025-01-21 Even when we have great faith, it's possible to question whether we can be healed. Maybe we have prayed for healing for months or years and it hasn't come, so we just give up, thinking we are stuck with our physical ailments. But that's exactly what the enemy of our souls wants us to think! He wants us to believe that we deserve to have that ulcer, that cancer, that migraine that won't go away. Prophetic deliverance minister and author Kathy DeGraw knows what that's like—because she has been there too. *Healed at Last: Overcome Sickness and Receive Your Physical Healing* includes Kathy's stories of her triumphs over health ailments as well as prophetic words, prayers, and healing declarations to help you: Realize the power of God's healing Word is for you Understand the root causes of health issues Discover healing principles to use all your life Experience relief from fear and torment Speak directly to your body and command it to function as God intended Learn how to trust God even when you can't see healing Turn worry about your

ailment into a weapon of praise Don't wait another day! God is the great Physician, and He wants you to be Healed at Last!

*God, Family and Sexuality* David W. Torrance, 2011-09-22 This timely book addresses the problem of the family in crisis and challenges us to look at family values from a biblical perspective. Some of these are hard questions and we will not all agree on how to tackle them, but *God, Family and Sexuality* is a wonderful place to start. --Linden Bowing, CARE Christian faith should be marked by a distinctive lifestyle. Nowhere in our culture is that distinctiveness being challenged more than in the area of sexuality. This book is a very welcome contribution from a range of well-qualified people who argue convincingly that the future of the church and our civilization are at stake. --Bill Wallace, Convener, Church of Scotland Board of Social Responsibility ... a series of well-informed and responsible engagements with questions relating to human sexuality... a serious attempt to hear God's word speaking amidst the Babel of voices clamoring for attention on these topics... should be read widely within and outside the Christian community in the interest of a genuinely plural and balanced public dialogue. --Trevor Hart, Professor of Divinity, University of St. Andrews

**The Power of the Sacrifice** Derek Prince Ministries-International, 2005

**God's Money** An Ordinary Guy Production, 2025-04-15 *God's Money: What Tithing Does for You* was written because the author had believed a lot of lies in regard to handling money in a godly way. The best thing "Ordinary Guy" ever did was to decide he was going to stop believing what people told him to think about what is written in the Bible, and just believe what is written. The work of the Holy Spirit in the life of the author as he read the Bible has shown him a lot of truths that he didn't know existed, including about money. The personal testimony included may be similar to the story of many people, or it may be very different, but what the Bible says will be the same, and the impact of believing what is written has led to financial freedom for the author. One of the benefits of the Bible is that the principles within it are timeless, but the tricks the devil uses to prevent people from applying what is written are effective when we are ignorant of what the Bible contains. Faith grows over time, including faith in the blessings of tithing, and like many faith journeys, what you learn along the way is just as valueable as the end result.

**Cursed Britain** Thomas Waters, 2019-10-07 The definitive history of how witchcraft and black magic have survived, through the modern era and into the present day *Cursed Britain* unveils the enduring power of witchcraft, curses and black magic in modern times. Few topics are so secretive or controversial. Yet, whether in the 1800s or the early 2000s, when disasters struck or personal misfortunes mounted, many Britons found themselves believing in things they had previously dismissed - dark supernatural forces. Historian Thomas Waters here explores the lives of cursed or bewitched people, along with the witches and witch-busters who helped and harmed them. Waters takes us on a fascinating journey from Scottish islands to the folklore-rich West Country, from the immense territories of the British Empire to metropolitan London. We learn why magic caters to deep-seated human needs but see how it can also be abused, and discover how witchcraft survives

by evolving and changing. Along the way, we examine an array of remarkable beliefs and rituals, from traditional folk magic to diverse spiritualities originating in Africa and Asia. This is a tale of cynical quacks and sincere magical healers, depressed people and furious vigilantes, innocent victims and rogues who claimed to possess evil abilities. Their spellbinding stories raise important questions about the state's role in regulating radical spiritualities, the fragility of secularism and the true nature of magic.

**Exorcism and Deliverance Ministry in the Twentieth Century** James M. Collins, 2009-11-10 This study seeks to demonstrate that exorcism/deliverance ministry is an innately enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades, through its heyday in the 1970s and 80s, on to creeping routinisation by the end of the century. Two enthusiastic settings, Charismatic and Evangelical Fundamentalist, are identified and examined as the environment in which two related streams of exorcism/deliverance ministry was practiced. Finally, enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism/deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite. As a result important secondary insights are gained into the tidal nature of enthusiastic movements, the role of itinerant preachers in the propagation of enthusiasm, the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes, the relationship between exorcism/deliverance ministry and millenarianism and the practice of this rite within non-Western churches.
