**Dark's Destiny** Cheyenne Meadows,2023-06-03 Steeped in magical talent but cursed by a prophecy, Dark Arthur would much rather fix up old houses than enter the melee between good and evil in the realm of wizardry. Too bad Fate had other ideas when he steps into the small town bookstore to collect an ancient spell book. He finds a woman who not only possesses remarkable gifts, but also brightens his life with her presence. Protecting her from evil wizards would be difficult enough, but an easy task compared to guarding his heart. Destiny Jones's life has been a roller coaster of late, after taking over her late, great aunt's bookstore. A mystical customer shows up to collect a previously purchased book and Destiny knows he's trouble. The extent of her magical experience includes rumors of low-wattage witches in the family, unless one cares to include her ability to hold two-sided conversations with her cat. Now, she finds herself reading runes in ancient spells and facing dark wizards in her spare time. Dark and Destiny must join forces to overcome the evil sent their way. As the danger increases, so do their feelings for each other. But, in the end, will it be enough?

**Mr. Sammler's Planet** Saul Bellow,2015-11-13 Who is Mr. Sammler? A Jewish intellectual educated in Western philosophy, a one-eyed Holocaust survivor, the future author of the greatest biography ever written of H.G. Wells ... or merely the trusted confidant of countless eccentric New Yorkers, a registrar of follies? Through the chaotic streets of the Upper West Side old Artur Sammler paces, meditating on the human condition; attentive to everything and appalled by nothing; haunted by his past, present, and future. His world seems on the brink of apocalypse; both the recent moon landing and the death of his beloved benefactor have him furiously speculating on the end. With his inimitable tragicomic mastery Saul Bellow delves once again, and the reader with him, into a contemporary and chaotic universe in which the most profound reflections on the meaning of life mingle with the absurd, histrionic, endless minutiae of the every day.

They're planning the ultimate heist aboard a luxury airship cruise liner, and they want Varick in. But more than just Varick's family will want to use him for personal gain.
