As our culture becomes less and less outwardly Christian, awareness of the belief systems of those around us has never been more vital. The Kingdom of the Cults Handbook Walter Martin, Jill Martin Rische, 2020-01-07 False religions abound in the US and beyond, and Christians need information they can trust. Since the 1960s, *The Kingdom of the Cults* has been a trustworthy, well-researched resource on this topic for pastors, lay leaders, and other Christians. *The Kingdom of the Cults Handbook* takes that same, reliable information and pares it down into a more concise and simplified format. Confronting: the Kingdom of Cults, Counterfeit Christianity, and Hategroups Dr. John Thomas Wylie, 2018-02-07

Characterizing a faction as a religious gathering which claims approval by Christ and the Bible yet dismisses or mutilates the Gospel, Dr. Wylie talks about an assortment of religions, loathe gatherings, and fake Christianity. Recognizing cliques and detesting gatherings, fake Christianity is the thing required for clergy and lay people who will stand up to individuals from such religions. Inquiries in the content for every section make this a fundamental instrument for individual and gathering dialogues. For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables.
