**Never In My Wildest Dreams** Erika Kelly, A blizzard strands two strangers in a cabin on Christmas Eve, and there's only one bed. Neither of them expects the surprise that comes nine months later. Lorelei Calloway was on top of the world. A world-famous pop star, she relied on her inner circle to keep her grounded— until she found out the truth. They'd been betraying her all along. Refusing to break down in front of the paparazzi, she asks her manager to rent a cabin where she can escape to heal her wounds. Booker Hayes is a good man in a world of sharks. When his boss demands he choose money over his conscience, he takes off for Christmas break to his cabin. Exhausted from a long day of travel and fighting a blizzard that's shut down the town, he falls into bed—only to be awakened by a shrieking woman wielding a bat. Well, oops. It looks like, in her distraught state of mind, Lorelei entered the wrong cabin. She promises to leave the moment the roads are cleared. Except...the next thirty-six hours bring them a passion and connection neither of them has ever experienced. But when Wi-Fi returns, reality hits, and it's time to return to the real world. They've chosen not to share names or personal details, so goodbye means forever. Or does it? Two years later, fate decides to throw them back together as maid of honor and best man in their best friends' wedding. Only, Lorelei's changed since she last saw him. She's got a daughter. One with Booker's sea glass-green eyes and daredevil spirit.

In the land of Landof, on the unknown planet Interk, amazing progress is being made by the intelligent, diverse creatures of Moon Glow Wood. They are continuing to follow the lead of Smilecramp the young owl in an attempt to create a contained community of peace and harmony through their newfound attainment of knowledge from learning to read the books of a forgotten library situated in a dilapidated mansion hidden in the wood. The agreed unanimous elimination of preying for their daily survival routine has provided them with precious time and protection. They are utilizing their new knowledge to build a school, a hospital, and to take care of the sick and elderly in their brave pursuit of a harmonious society. With the sudden mystifying disappearance of their treasured Taunch Bowl and its magical powers that provided valuable assistance to their cause, the creatures are left to solve an increasing problem due to their ongoing remarkable success. The gradual overcrowding in the small protected wood is now hindering their advancement. Prior to the bowl's disappearance, Ploff the frog had discovered a number of Secret Scrolls in an underground cave. On learning of this exciting occurrence, Smilecramp's grandfather took advantage of the bowl's powers in order to retrieve a complete set of these scrolls to satisfy his energetic curiosity. Sir Arthur Rennell, who is an expert on creature behavior, is the owner of the private Moon Glow Wood and is now incredibly able to communicate with creatures through prior assistance from the magical Taunch Bowl. He collaborates with Grandfather, the old owl, to successfully decode the Secret Scrolls with an amazingly ingenious method. The two unlikely friends begin to unravel an intriguing story of the Taunch Bowl's origin, which remarkably proves to be from a planet named Earth and also explains the reason for the enigmatic silver adornments of several of these intellectual creatures. The Secret Scrolls then alluringly reveal to them a story of total devastating global warming on this planet Earth, which leads Sir Arthur into an extraordinary, wild solution to the future of the creatures' evolution in their unprecedented quest for peace and harmony. The developing unique tale of tenderness, humor, and intelligence continues to ask the exciting question, what if? To be continued.
