

# A Small Place By Jamaica Kincaid

## Moirra Ferguson

**A Small Place** Jamaica Kincaid, 1988-07 The author presents a lyrical and sardonic essay on Antigua, a ten-by-twelve-mile island in the British West Indies and the author's birthplace, offering an insider's view of the lives and ways of her people.

*A Small Place* Jamaica Kincaid, 2000-04-28 Lyrical, sardonic, and forthright by turns, this memoir is a brilliant look at colonialism and its effects in Antigua, by the author of *Annie John*.

**A Small Place (SparkNotes Literature Guide)** SparkNotes, 2014-08-12 A Small Place (SparkNotes Literature Guide) by Jamaica Kincaid Making the reading experience fun! Created by Harvard students for students everywhere, SparkNotes is a new breed of study guide: smarter, better, faster. Geared to what today's students need to know, SparkNotes provides: \*Chapter-by-chapter analysis \*Explanations of key themes, motifs, and symbols \*A review quiz and essay topics Lively and accessible, these guides are perfect for late-night studying and writing papers

**Jamaica Kincaid's "A Small Place". An Analysis** Lea Williwald, 2021-08-30 Essay in the subject Literature - General, , language: English, abstract: The reflective analysis of Kincaid's observations, ideas and approaches as well as literary style will seek to elaborate the dynamics that dominate the global economy, as well as the economies of singular countries. Furthermore, the parallels between colonization and globalization shall be highlighted. This examination will effectively lead to an answer to the question of whether Kincaid seeks retribution and reparations or complete independence from the Political West and her former as well as current oppressors.

**Understanding Jamaica Kincaid** Justin D. Edwards, 2007 Understanding Jamaica Kincaid introduces readers to the prizewinning author best known for the novels *Annie John*, *Lucy*, and *The Autobiography of My Mother*. Justin D. Edwards surveys Jamaica Kincaid's life, career, and major works of fiction and nonfiction to identify and discuss her recurring interests in familial relations, Caribbean culture, and the aftermath of colonialism and exploitation. In addition to examining the haunting prose, rich detail, and personal insight that have brought Kincaid widespread praise, Edwards also identifies and analyzes the novelist's primary thematic concerns - the flow of power and the injustices faced by people undergoing social, economic, and political change. Edwards chronicles Kincaid's childhood in Antigua, her development as a writer, and her early journalistic work as published in the *New Yorker* and other magazines. In separate chapters he provides critical

appraisals of Kincaid's early novels; her works of nonfiction, including *My Brother* and *A Small Place*; and her more recent novels, including *Mr. Potter*. colonization and neocolonization and warns her readers about the dire consequences of inequality in the era of globalization.

**Jamaica Kincaid** Moira Ferguson,1994 As a writer who has been quoted as saying she writes to save her life- that is she couldn't write, she would be a revolutionary- Antiguan novelist Jamaica Kincaid translates this passion into searing, exhilarating prose. Her weaving of history, autobiography, fiction, and polemic has won her a large readership. In this first book-length study of her work, Moira Ferguson examines all of Kincaid's writing up to 1992, focusing especially o their entwinement of personal and political identity. In doing so, she draws a parallel between the dynamics of the mother-daughter relationship in Kincaid's fiction and the more political relationship of the colonizer and the colonized. Ferguson calls this effect the doubled mother- a conception of motherhood as both colonial and biological.

Jamaica Kincaid J. Brooks Bouson,2012-02-01 Haunted by the memories of her powerfully destructive mother, Jamaica Kincaid is a writer out of necessity. Born Elaine Potter Richardson, Kincaid grew up in the West Indies in the shadow of her deeply contemptuous and abusive mother, Annie Drew. Drawing heavily on Kincaid's many remarks on the autobiographical sources of her writings, J. Brooks Bouson investigates the ongoing construction of Kincaid's autobiographical and political identities. She focuses attention on what many critics find so enigmatic and what lies at the heart of Kincaid's fiction and nonfiction work: the mother mystery. Bouson demonstrates, through careful readings, how Kincaid uses her writing to transform her feelings of shame into pride as she wins the praise of an admiring critical establishment and an ever-growing reading public.

**An Analysis of Jamaica Kincaid's a Small Place** Giorgia Scribellito,2014-07-31 This book analyses critically Jamaica Kincaid's book *A Small Place*. It considers the biography of the author, the history of Antigua and literature by Caribbean women. It also analyses the themes of the book and it situates them in the context of Caribbean and postcolonial literature. It also analyses the Language used by Kincaid and its meaning. It is really an analysis of Kincaid's book and of its importance for postcolonial, Caribbean and women's studies literature. The main themes of the book are Caribbean women, history, colonialism and postcolonialism.

The Post-colonial Studies Reader Bill Ashcroft,Gareth Griffiths,Helen Tiffin,1995 The Post-Colonial Studies Readeris the most comprehensive selection of key texts in post-colonial theory and criticism yet compiled. This collection covers a huge range of topics, featuring nearly ninety of the discipline's most widely read works. TheReader's90 extracts are designed to introduce the major issues and debates in the field of post-colonial literary studies. This field itself, however, has become so varied that no collection of readings could encompass every voice which is now giving itself the name post-colonial. The editors, in order to avoid a volume which is simply a critical canon, have selected works representing arguments with which

they do not necessarily agree, but rather which above all stimulate discussion, thought and further exploration. Post-colonial theory has occurred in all societies into which the imperial force of Europe has intruded, though not always in the official form of theoretical text. Like the description of any other field the term has come to mean many things, but this volume hinges on one incontestable phenomenon: the historical fact of colonialism, and the palpable consequences to which this phenomenon gave rise. The topic involves talk about experience of various kinds: migration, slavery, suppression, resistance, representation, difference, race, gender, place, and reaction to the European influence, and about the fundamental experiences of speaking and writing by which all these come into being. In compiling this reader, the editors have sought to stimulate people to ask: How might a genuinely post-colonial literary enterprise proceed? The fourteen sections include: Issues and Debates; Universality and Difference; Textual Representation and Resistance; Postmodernism and Post-Colonialism; Nationalism; Hybridity; Ethnicity and Indigeneity; Feminism and Post-Colonialism; Language; The Body and Performance; History; Place; Education; and Production and Consumption. Contributors include many of the leading post-colonial theorists and critics--such as Franz Fanon, Chinua Achebe, Gayatri Chakravorty Spivak, Ngugi wa Thiong'o, Homi Bhabha, Derek Walcott, Edward Said, and Trinh T. Minh-ha--in addition to a number of the discourse's newer voices. The Post-Colonial Studies Reader will prove an authoritative compilation, representing an invaluable contribution to the study of post-colonial theory and criticism.

**Jamaica Kincaid** Mary Ellen Snodgrass, 2008-07-23 Changing her name early in her career because her parents disapproved of her writing, Jamaica Kincaid crossed audiences to embrace feminist, American, postcolonial and world literature. This book offers an introduction and guided overview of her characters, plots, humor, symbols, and classic themes. Designed for students, fans, librarians, and teachers, the 84 A-to-Z entries combine commentary from interviewers, feminist historians, and book critics with numerous citations from primary and secondary sources and comparative literature. The companion features a chronology of Kincaid's life, West Indies heritage and works, and includes a character name chart.

**Colonialism and Gender Relations from Mary Wollstonecraft to Jamaica Kincaid** Moira Ferguson, 1993 Against the historical background of slavery and colonialism, this study investigates how white and Afro-Caribbean women writers have responded to feminist, abolitionist and post-emancipationist issues. It aims to reveal a relationship between colonial exploitation and female sexual oppression.

**Jamaica Kincaid** Lizabeth Paravisini-Gebert, 1999-09-30 With the publication of her novel *Annie John* in 1985, Jamaica Kincaid entered the ranks of the best novelists of her generation. Her three autobiographical novels, *Annie John*, *Lucy*, and *Autobiography of My Mother*, and collection of short stories, *At the Bottom of the River*, touch on the universal theme of coming-of-age and the female adolescent's need to sever her ties to her mother. This angst is couched in the social landscape of post-colonial Antigua, a small Caribbean island whose legacy of racism affects Kincaid's protagonists. Her fiction rewrites

the history of the Caribbean from a West Indies perspective and this milieu colors the experiences of her characters. Following a biographical chapter, Paravisini-Gebert traces the development of Kincaid's craft as a writer. Each of the novels and the collection of short stories is discussed in a separate chapter that includes sections on plot, character, theme, and an alternate critical approach from which to read the novel, such as feminist. A complete primary and secondary bibliography and lists of selected reviews of Kincaid's work complete the study.

*Postcolonial Travel Writing* J. Edwards, R. Graulund, 2010-11-10 With its inclusion of original essays challenging the view of travel writing as a Eurocentric genre, this book will stand as a benchmark study of future inquiries in the field. It will revitalize the critical debate, sparking a much needed rethinking of a vibrant and highly popular but also volatile genre that has seen many changes in recent years.

*In Praise of New Travelers* Isabel Hoving, 2001 Approaching postcolonial theory through cultural analysis, this book offers an accessible and concrete appraisal of current developments in postcolonial criticism. Detailed readings of a range of Anglophone Caribbean migrant women's texts from the late 1980s and 1990s lead to sharp insights into three issues that are crucial to an understanding of the field: place, voice, and silence. The discussion of these issues allows us to trace current feminist, postmodern, and postcolonial debates about the nature of the speaking subject, as it is emerging from today's postcolonial cultural practices. Postcolonial criticism often understands this subject as hybrid and multiple. This book shows how the specifics of this multiplicity must be acknowledged through analysis of the power structures and the violence through which this multiple subject is established. The book is also a consistent inquiry into reading positions. The argument about the differences between postcolonialist, black and Caribbean feminist, white feminist, and postmodern criticism is conducted as a discussion about the effects, insights, and blindnesses produced by these different ways of reading Caribbean migrant women's writing. Scrutinizing the grain of these texts encourages us to move beyond the kind of general statements for which postcolonial theory has been severely criticized. The author also extends her critique of reading positions to issues of methodology, using these approaches to direct her interpretation. Narratology is supplemented by an analysis of the interdiscursive processes through which texts are created, and psychoanalytic concepts are used to explore the ambiguous merits of postcolonial reading. Above all, *In Praise of New Travelers* celebrates the vigorous, subversive, and liberating creativity of an accomplished generation of Caribbean migrant women writers.

**Global Displacements** Marion Werner, 2015-12-14 Challenging the main ways we debate globalization, *Global Displacements* reveals how uneven geographies of capitalist development shape—and are shaped by—the aspirations and everyday struggles of people in the global South. Makes an original contribution to the study of globalization by bringing together critical development and feminist theoretical approaches Opens up new avenues for the analysis of global production as a long-term development strategy Contributes novel theoretical insights drawn from the everyday experiences

of disinvestment and precarious work on people's lives and their communities Represents the first analysis of increasing uneven development among countries in the Caribbean Calls for more rigorous studies of long accepted notions of the geographies of inequality and poverty in the global South

*Travel and Ethics* Corinne Fowler, Charles Forsdick, Ludmilla Kostova, 2013-12-13 Despite the recent increase in scholarly activity regarding travel writing and the accompanying proliferation of publications relating to the form, its ethical dimensions have yet to be theorized with sufficient rigour. Drawing from the disciplines of anthropology, linguistics, literary studies and modern languages, the contributors in this volume apply themselves to a number of key theoretical questions pertaining to travel writing and ethics, ranging from travel-as-commoditization to encounters with minority languages under threat. Taken collectively, the essays assess key critical legacies from parallel disciplines to the debate so far, such as anthropological theory and postcolonial criticism. Also considered, and of equal significance, are the ethical implications of the form's parallel genres of writing, such as ethnography and journalism. As some of the contributors argue, innovations in these genres have important implications for the act of theorizing travel writing itself and the mode and spirit in which it continues to be conducted. In the light of such innovations, how might ethical theory maintain its critical edge?

*A History of Literature in the Caribbean: English- and Dutch-speaking countries* Albert James Arnold, Julio Rodríguez-Luis, J. Michael Dash, 2001-01-01 For the first time the Dutch-speaking regions of the Caribbean and Suriname are brought into fruitful dialogue with another major American literature, that of the anglophone Caribbean. The results are as stimulating as they are unexpected. The editors have coordinated the work of a distinguished international team of specialists. Read separately or as a set of three volumes, the History of Literature in the Caribbean is designed to serve as the primary reference book in this area. The reader can follow the comparative evolution of a literary genre or plot the development of a set of historical problems under the appropriate heading for the English- or Dutch-speaking region. An extensive index to names and dates of authors and significant historical figures completes the volume. The subeditors bring to their respective specialty areas a wealth of Caribbeanist experience. Vera M. Kutzinski is Professor of English, American, and Afro-American Literature at Yale University. Her book *Sugar's Secrets: Race and The Erotics of Cuban Nationalism*, 1993, treated a crucial subject in the romance of the Caribbean nation. Ineke Phaf-Rheinberger has been very active in Latin American and Caribbean literary criticism for two decades, first at the Free University in Berlin and later at the University of Maryland. The editor of *A History of Literature in the Caribbean*, A. James Arnold, is Professor of French at the University of Virginia, where he founded the New World Studies graduate program. Over the past twenty years he has been a pioneer in the historical study of the Négritude movement and its successors in the francophone Caribbean.

*Democracies to Come* Rachel Riedner, Kevin Mahoney, 2008-01-01 Drawing upon a variety of contemporary sites and social movements, this book explores pedagogical relationships that can be the basis of political and social organizing. The

authors approach pedagogy as a space of learning\_not simply teaching\_whose purpose is to develop an understanding of cultural networks and in so doing develop critical literacies.

**Common Places** Seanna Sumalee Oakley,2011 Preliminary Material -- OUT OF THE ABYSS: COMMONPLACES OF REPETITION AND REDEMPTION -- GLISSANT'S COMMON PLACES -- WALCOTT'S ALLEGORY OF HISTORY -- A BACKWARD FAITH IN WALCOTT'S "THE SCHOONER FLIGHT" -- CLAUDIA RANKINE: JANE EYRE'S BLUES AT THE END OF THE ALPHABET -- DEAR DIARY: AMANIFESTO - WEREWERE LIKING'S ELLE SERA DE JASPE ET DE CORAIL -- RITUALIZING UTOPIA IN ELLE SERA DE JASPE ET DE CORAIL -- MASKS OF AFFLICTION IN FRANKÉTIENNE'S HAITI -- FRANKÉTIENNE'S LOGORRHEA: AN EXCESS OF SEEMING -- "THE HORIZON DEVOURS MY VOICE": NOTES ON TRANSLATION -- BIBLIOGRAPHY -- INDEX.

**Frantz Fanon and the Future of Cultural Politics** Anthony C. Alessandrini,2014-07-01 This book focuses on a reading of Frantz Fanon's work and life, asking how the work of a revolutionary writer such as Fanon might be best appropriated for contemporary political and cultural issues. Separate chapters introduce Fanon's life and examine the question of Fanon as our contemporary; review the field of "Fanon studies" that has grown up around his work; bring Fanon into conversation with the critical contemporary figures Edward Said, Michel Foucault, Jamaica Kincaid, and Paul Gilroy; and turn to Fanon's work to think through the contemporary popular uprisings that have come to be known as the "Arab Spring." The book concludes by arguing that a reevaluation of Fanon's life and work can provide us with a particular set of lessons about solidarity—lessons that are crucial for the contemporary political struggles that face us today and that will continue to confront us in the future. *Finding Something Different: Frantz Fanon and the Future of Cultural Politics* is inspired by Fanon's unsparing struggle against the depredations of racism and colonialism, and his lifelong commitment to finding something different.

The Enigmatic Realm of **A Small Place By Jamaica Kincaid** : Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **A Small Place By Jamaica Kincaid** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of people who partake in its reading experience.
