*Gone but Not Forgotten: an Ozark Autumn to Be Remembered* Suella Thrasher, 2016-03-16 The tall young woman with sparkling green eyes and long curly copper-red hair stooped gracefully and placed her autumn-colored bridal bouquet on the grave at the base of the tombstone. Five little graves beside hers were testimony to the sorrow and pain of loss as written in the century-old journal held by the young bride. The autumn sun danced through the leaves of red, orange, yellow and gold and on the bent face of the young woman as she whispered, Thank you grandmother...I wish you could see me and hear me. God does answer prayer.. This fictional account is about trusting God in all situations and allowing Him to direct your ways. Points for reflection or group discussion are at the end of the book.

**Gone But Not Forgotten** Suella Thrasher, 2025-06-07 In book 1, *Gone But Not Forgotten: an Ozark autumn to be remembered*, AJ (Autumn Jade) Leddering is a nurse practitioner with a specialty in maternal-child services. Her father and stepmother passed away, and she found out she had been adopted and had no biological relatives. AJ had found her birth certificate in a storage shed along with a journal started by a great-grandmother in 1876. There were many contributors to the journal through the decades ending with her own mother who left a tearstained note in 1988. AJ began a trip from Seattle to the Arkansas Ozarks to search for her biological roots. Along the way, she found many friends and married her best friend in the cemetery where her great-grandmother was buried. In book 2, *Gone But Not Forgotten: an Ozark winter frost*, the story of AJ continues. She and her husband, Patrick, leave Seattle to start their family in the Ozarks and build the Autumn Rose Home and Foundation which is a shelter for pregnant women in decision. The book is a combination of serious relationship challenges as well as comedic incidences encountered on the ranch. You will become more acquainted with AJ's distant cousin Eileen McCleary, who is also featured in book 1. Eileen experiences great challenges in her marriage but firmly holds to the promise that God will answer her prayers. Her husband, Doug McCleary, struggles with a long past loss and, in the end, experiences forgiveness and redemption. AJ and her friends find that in every situation in life, God's Word

can be found as a guide and sustainer, and in any circumstance, God can always be praised for who He is.

You Are Not Forgotten Bryan Bender, 2013-10-29 An inspiring and epic tale of loss and redemption about two American servicemen: a Marine Corps pilot who was shot down in WWII and the modern-day soldier determined to bring home his remains six decades later Major George Eyster V comes from a long line of military officers, dating back to the Revolutionary War. Army service was George's family legacy, but his tour of duty in Iraq left him disillusioned and questioning. He was making plans to end his army career but was offered a posting to J-PAC, an elite division armed with the latest detection and forensic technology. J-PAC's sole mission is to fulfill a solemn promise at the heart of the military code: bring all fallen soldiers home to the country for which they gave their lives. In 1944 Captain Ryan McCown, a dashing young Marine aviator assigned to the USS Nassau, was shot down over the jungles of Papua, New Guinea. McCown's diaries and letters home to his family and fiancée provide a moving, powerful portrait of the fears and costs of a very different war and underscore the pathos of the ultimate cost of duty. Eyster's mission with J-PAC eventually took him and his team deep into the sweltering interior of New Guinea in search of McCown's remains. It would be a fraught mission, complete with tropical diseases and black magic, at the end of which Eyster would not only repatriate a fallen veteran and fulfill a promise to deliver him to his loved ones but would also uncover something lost in himself—a sense of purpose in a promise between soldiers that is still worth fighting for.

**Gone But Not Forgotten** D. Wilmes, 2004-12 Clay Williams is an ambitious Lead Systems Engineer who's worked hard to establish his career and highly regarded reputation at the company. His relationship with his family, however, is deteriorating because of frequent business travel and endless hours at work. While quail hunting in the woods of his Uncle's farm, an unexpected encounter leads him to Hartwin, a quaint, little town along the Missouri River. During his visit, Clay finds new hope by discovering the fragility of life and family, and the timeless influence of choice through the lives of those that lived before him. The journey leads him full circle—back to the woods where it all began.

Cincinnati Magazine, 2005-10 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

**Warren G. Harding** John W. Dean, 2004-01-07 President Nixon's former counsel illuminates another presidency marked by scandal Warren G. Harding may be best known as America's worst president. Scandals plagued him: the Teapot Dome affair, corruption in the Veterans Bureau and the Justice Department, and the posthumous revelation of an extramarital affair. Raised in Marion, Ohio, Harding took hold of the small town's newspaper and turned it into a success. Showing a talent for local politics, he rose quickly to the U.S. Senate. His presidential campaign slogan, America's present need is not heroics but healing, not nostrums but normalcy, gave voice to a public exhausted by the intense politics following World War I. Once elected, he pushed for legislation limiting the number of immigrants; set high tariffs to relieve the farm crisis after

the war; persuaded Congress to adopt unified federal budget creation; and reduced income taxes and the national debt, before dying unexpectedly in 1923. In this wise and compelling biography, John W. Dean—no stranger to controversy himself—recovers the truths and explodes the myths surrounding our twenty-ninth president's tarnished legacy.

The Fall of Berlin 1945 Antony Beevor, 2003-04-29 A tale drenched in drama and blood, heroism and cowardice, loyalty and betrayal.—Jonathan Yardley, The Washington Post The Red Army had much to avenge when it finally reached the frontiers of the Third Reich in January 1945. Frenzied by their terrible experiences with Wehrmacht and SS brutality, they wreaked havoc—tanks crushing refugee columns, mass rape, pillage, and unimaginable destruction. Hundreds of thousands of women and children froze to death or were massacred; more than seven million fled westward from the fury of the Red Army. It was the most terrifying example of fire and sword ever known. Antony Beevor, renowned author of D-Day and The Battle of Arnhem, has reconstructed the experiences of those millions caught up in the nightmare of the Third Reich's final collapse. The Fall of Berlin is a terrible story of pride, stupidity, fanaticism, revenge, and savagery, yet it is also one of astonishing endurance, self-sacrifice, and survival against all odds.

Cochrane, 2001 Lent for Everyone: Luke, Year C provides readers with an inspirational guide through the Lenten season, from Ash Wednesday through the week after Easter. Wright provides his own Scripture translation, brief reflection, and a prayer for each of the days of the season, helping readers ponder how the text is relevant to their own lives today. **The Biography of a Prairie Girl** Eleanor Gates, 2022-11-21 This absorbing work starts with the birth of the central

character on a remote Dakota homestead during a raging storm. The family waits with growing dread for the return of the newborn girl's father, who has gone into the storm for help. The author presented a series of chronological incidents based on her upbringing on a prairie farm in the late-Nineteenth Century. It's a look at frontier life through the eyes of a child.
