**City - Simple English Wikipedia, the free encyclopedia** People live in cities because it is easy for them to find and do everything they want there. A city usually has a "city center" where government and business occur and suburbs where people live outside the center. No rule is used worldwide to decide why some places are called "city," and other places are called "town." *City | Definition & History | Britannica* 2 days ago · city, relatively permanent and highly organized centre of population, of greater size or importance than a town or village. The name city is given to certain urban communities by virtue of some legal or conventional distinction that can vary between regions or nations. *List of United States cities by population - Wikipedia* This is a list of the most populous municipal corporations of the United States. As defined by the United States Census Bureau, an incorporated place includes cities, towns, villages, boroughs, and municipalities. [a] A few exceptional census-designated places (CDPs) are also included in the Census Bureau's listing of incorporated places. [b] Consolidated city-counties represent a ... *WHAT IS A CITY? - UN-Habitat* Cities are productive systems through which most of the 21st century challenges such as poverty, inequality, unemployment, environmental degradation, and climate change can be addressed. *Bracket City - The Atlantic* Solve nested clues to reveal a satisfying fact about this day in history. Climb the ranks from tourist to kingmaker (or beyond?). *CITY Definition & Meaning - Merriam-Webster* The meaning of CITY is an inhabited place of greater size, population, or importance than a town or village. How to use city in a sentence. *History of Cunningham | City of Cunningham* Communities developed for a number of reasons. Some started with one family, joined by friends or relatives. Many grew around a church. A trading post, fort, or a way station gave birth to others. In western Kansas, many towns were started by capitalists hoping to turn a profit. **CITY | English meaning - Cambridge Dictionary** Many of the world's cities have populations of more than five million. capital city Wellington is the capital city (= centre of government) of New Zealand. The city of Ely has about 15,000 ... **What Is The Difference Between A City And A Town? - WorldAtlas** Oct 19, 2021 · Cities are distinguished from other urban centers like towns and suburban by their relatively large size, function, population, and status conferred by the government. A city is ... **City - Wikipedia** In Australia, the definition of what constitutes a city varies between the states. In the United Kingdom, city status is awarded by the Crown and then remains permanent, with only two exceptions to this rule due to policy changes.
