My Life Next Door Huntley Fitzpatrick, 2013-06-13 A gorgeous debut about family, friendship, first romance, and how to be true to one person you love without betraying another The Garretts are everything the Reeds are not. Loud, numerous, messy, affectionate. As the two fall fiercely in love, Jase's family makes Samantha one of their own. Then in an instant, the bottom drops out of her world and she is suddenly faced with an impossible decision. My Life as a Prayer Elizabeth Cunningham, 2023-11-07 “One of the most engaging memoirs I’ve read in ages. The wise and feisty voice I’ve come to know and love in Elizabeth Cunningham’s Maeve Chronicles fills these pages and carried me away. Anyone who has forged an independent path through the luminous moments and deepest shadows of a soul-filled life will recognize their own spiritual adventures reflected here.”—Mirabai Starr, *God of Love* In this intriguing spiritual memoir, The Maeve Chronicles author Elizabeth Cunningham traces her dynamic faith journey and its relationship to her writing. As the daughter of an Episcopal priest, author Elizabeth Cunningham was born into community, sacred story, and the mysteries of prayer. For her, “If a writer is one who writes, then a ‘prayer’ is one who prays.” As such, her praying is dynamic, a dance between many opposites—active vs. contemplative, community vs. individual, human vs. wild—and Cunningham sees the divine as both incarnate and transcendent, an intimate beloved and a vast mystery. When she prays, Cunningham is both audacious and reverent, asking tough questions of God—raging, listening intently, and dancing and singing ecstatically. Her storyteller’s imagination opens a path from the known to the unknowable, from despair to wonder. In this nonfiction debut,

Cunningham recounts both her lifelong spiritual quest and her ongoing spiritual questions. Her journey takes her from her childhood church, with its ornate liturgy, to the silence of Quaker meeting; from her ordination as an interfaith minister to an eclectic, earth-centered community where she served as priestess before becoming a hermit, of sorts, making a church of her own backyard. Candid and passionate, Cunningham's memoir invites readers of all faiths—and doubts!—to explore what it means to live life as a prayer in the beautiful, imperiled world we share.

Heteronormativity in a Rural School Community Catherine Thompson-Lee, 2017-04-18 This book presents an exploration of heteronormative discursive practices in the English countryside. A lesbian teacher describes her experiences in the rural school community in which she lived and worked. She prospered at the village school for almost ten years by censoring her

sexuality and carefully managing the intersection between her private and professional identities. However, when a critical incident led to the exposure of her sexuality at school, she learned the extent to which the rural school community privileged and protected the heteronormative discourse. An autoethnographic method of inquiry provides intimate insight which is supported by external data, including email and text message correspondence. As the critical incident eventually became a police matter, police records and evidence from the UK Crown Prosecution Service were sought for use in the research. However, the collection of these data proved problematic, providing an unexpected development in the research and offering additional insight into the nature of rural life. This research offers a vivid insider perspective on the experiences of a lesbian teacher in a rural school community. It examines the incompatibility of private and professional identities, investigates the moral panic that surrounds teacher sexuality in schools and considers the impact of homophobic and heteronormative discursive practices on health, wellbeing and identity. Crucially, this research offers compelling insight into the steps that those in positions of power will take to protect and perpetuate the heteronormative discourse of rural life.

Broken Chains of Addiction Edward Harrison, Darlene Love, 2019-04-04 This book is about six personal life events. These six people have a lifetime of addiction problems and have all achieved sobriety and rescued their lives. Most began hard drug and alcohol use before age ten. The men and women whose lives are in these pages have not only been to hell, many fought against themselves to stay at the same time seeing no way out. Methamphetamine, crack cocaine, alcohol, heroin, self-harm, and abuse in every form you can imagine, these young people have fought against the odds to overcome death and destruction to build hope and freedom for themselves and others. The events in this book are true events, and the people in this book represent real people alive today and free from drugs. They have rebuilt their lives from nothing to become well-respected members of communities. All work in recovery programs that help others still suffering from addiction, abuse, and homelessness.

I Am the Captain of My Soul Edward Greger, 2015-06-24 The proceeds of this book will be given to hungry children in Haiti, Jamaica, and Honduras. Although I write an autobiography, the leitmotif of the work is love and hateagape love, purified love, the love that emanates from the Godhead, not the meretricious and salacious emotion of the secular masses. I show how Satan can surreptitiously gain entrance to the unsuspecting soul. The Satan of whom I speak is not a myth, a comedic figure dressed in red, carrying a huge fork, seeking someone to devour. No, he is an actuality. He is as real as your good angel. His purpose is to control your will, to limit your freedom, and to lead you to perdition. I show you the secret of happinessdeep, joyous happiness anchored in Jesus Christ and leading you to eternal salvation. I point out to you how to live according to biblical injunctions in order to achieve a personal relationship with Jesus.
