**Film Quotations** Robert A. Nowlan, Gwendolyn W. Nowlan, 2016-04-30 Certain lines define a movie. Marlene Dietrich in Morocco: "Anyone who has faith in me is a sucker." Too, there are lines that fit actor and character. Mae West in I'm No Angel: "I'm very quick in a slow way." Jane Fonda in California Suite: "Fit? You think I look fit? What an awful shit you are. I look gorgeous." From the classics to the grade-B slasher movies, over 11,000 quotes are arranged by over 900 subjects, like accidents, double entendres, eyes (and other body parts!), ice cream, luggage, parasites, and ugliness. Each quote gives the movie title, production company, year of release, speaker of the line, and, when appropriate, a comment putting the quote in context.

**I'll Go to the Gym When I Lose Weight** Madalyn S. Kinsey, 2018-07-04 "One of the best books I've read in ages! All the little things we women face on a day-to-day basis, the author describes in side-splitting detail. I couldn't stop laughing!" Christy Phillippe ~ Dog Ear Publishing Editor Since when did ordering at Starbucks require an advanced educational degree? What are the proper rules for regifting these days, and how can I avoid regifting the candle my friend gave me last Christmas back to her? Why does Siri seem to have an attitude if I ask her the same question more than once? These are the musings of real-life, middle-aged-and-proud-of-it Madalyn Kinsey, who allows us to laugh along with her as she candidly reveals the weaknesses she has that we all know only too well. She belongs to a gym she's never visited, and she shudders at the thought of running into friends at the grocery who'll see the cookies, chips, and soda in her shopping cart. This candid and funny book is a breath of fresh air for women (and men) who want to enjoy the humor of a smart and bewildered woman as she not only examines her own foibles, but also the absurdities of the world around her. She may not have all the answers, but she makes examining the issues a whole lot of fun!

**Sex** Daniel Orrells, 2015-04-30 Sex is fundamental to society. We cannot think about politics, power, identity or culture without also thinking about sexuality. Despite this, the scientific study of sexual behaviour is a relatively recent phenomenon. Doctors, legal experts and other intellectuals have all pondered challenging questions in an attempt to stay abreast of the latest sexual research. How might we separate talking about sex scientifically from discussing and consuming pornography? How do we speak objectively about desire and pleasure? And how do the words that we use to talk about sex affect what we are able to say about it? Such questions increasingly inform public discourse across a variety of media. Showing how ancient words and ideas have left a significant imprint on present-day ideas about sex, Daniel Orrells offers a bold new narrative of how the scientific study of sexuality came into being. Uncovering the intriguing story of how the obscene and erotic verse of Roman epigram and love poetry became the sanitised language of nineteenth-century sexual science, this divertingly readable book demonstrates how the reception of both Latin and Greek texts was central to the development of modern sexology and psychoanalysis. Ranging from Sappho, Catullus and Martial to Michel Foucault, Richard von Krafft-Ebing and Sigmund Freud, the author reveals just how profoundly classics has shaped the landscape of sexual identity that we inhabit today.

**Simple Sayings and Thoughts for the Mind, Heart and Soul** Joe Cervantes, 2016-06-08 Wisdom, knowledge, and understanding are similar to finding a treasure chest full of diamonds and nuggets of gold. How can anyone not take advantage of such an abundance of wealth? In the midst of so much confusion, one needs to take the time to believe that there is wealth in the word of God and from his people to overcome such daily adversaries. We are challenged in our everyday lives, but may you take that first step of faith living for God and in helping others with love where there is failure. I know many books have been written with different opinions and advice by different writers about God and life. As the author

of this book, I've tried to give some simple wisdom and understanding in so many areas of our lives, making it simple to understand, of course, with some sense of humor. As one who goes alone through the maze of life, sometimes it requires us to learn quickly in order to find the key to the cross. So where advice isn't available, we are tempted, get off course, and learn the hard way, which gets more complicated if we become stubborn. Just like the whole armor of God protects every part of our spiritual and physical bodies, taking some good advice and motivation will help us progress as a child of God. For those who love to make things possible by taking advice, may this book help you to change your route and save you time. There are over six thousand thoughts of my personal sayings, which can be used as a text starter for a sermon or a conservation piece for inspiration. Please enjoy them; you've struck it rich with some great wisdom. Joe Cervantes.

*Elizabethan Women and the Poetry of Courtship* Ilona Bell, 1998 This 1999 book offers an original study of lyric form and social custom in the Elizabethan age. Ilona Bell explores the tendency of Elizabethan love poems not only to represent an amorous thought, but to conduct the courtship itself. Where studies have focused on courtiership, patronage and preferment at court, her focus is on love poetry, amorous courtship, and relations between Elizabethan men and women. The book examines the ways in which the tropes and rhetoric of love poetry were used to court Elizabethan women (not only at court and in the great houses, but in society at large) and how the women responded to being wooed, in prose, poetry and speech. Bringing together canonical male poets and women writers, Ilona Bell investigates a range of texts addressed to, written by, read, heard or transformed by Elizabethan women, and charts the beginnings of a female lyric tradition.

**Love Unfolded** Abdur Rahim, 2019-08-08 Where there is love there is life. But what love is? To understand love at the deepest level, we need to know what love is and how it is explained? This book attempts to share inspiring insights, anecdotal experiences and perhaps incomplete yet valuable materials and viewpoints of general and notable people across the global cultures over time, which is presented precisely, easy to read, and understand to the readers on the matter of love, marriage and sexual behavior towards fulfilling the life's most intrinsic desire and happiness. The book is for the general public of all sections of global society and culture. The three key messages readers shall take away from this book. They are: a) love is the essence, b) marriage is a bond, and c) sex is the ultimate supreme pleasure of life. Explaining these themes, attempts have been made to broadly discuss about the topics, bringing together various ideas from diverse sources, historical periods,

cultures, and philosophical perspectives, along with contemporary empirical work from psychology, sociology, anthropology, and neuroscience. The readers not only will enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love, marriage, relationships, and observed or unobserved differences between men and women, and what social, historical, cultural, political, evolutionary, or biological factors might influence them. Nonetheless, the substance of the book tells the inner most words of every men and women that are being preserved since their young age. Finally, the book will be of good values and understanding with readers' own journey of love, marriage, and relationship. These are the reasons why the readers will buy the book. *Reinventing Couples* Julia Carter, Simon Duncan, 2017-10-24 This book presents a new approach to understanding contemporary personal life, taking account of how people build their lives through a bricolage of 'tradition' and 'modern'. The authors examine how tradition is used and adapted, invented and re-invented; how meaning can leak from past to present; the ways in which people's agencies differ as they make decisions; and the process of bricolage in making new arrangements. These themes are illustrated through a variety of case studies, ranging from personal life in the 1950s, young women and marriage, the rise of cohabitation, female name change, living apart together, and creating weddings. Centrally the authors emphasise the re-traditionalisation involved in de-traditionalisation and the connectedness involved in individualised processes of relationship change. *Reinventing Couples* will be of interest to students and scholars across a range of disciplines including sociology, social work and social policy.

Sex and Eroticism in Mesopotamian Literature Dr Gwendolyn Leick, 2013-01-11 Sex and Eroticism in Mesopotamian Literature is a new contribution to current debates about sex and eroticism. It gives an insight into Mesopotamian attitudes to sexuality by examining the oldest preserved written evidence on the subject - the Sumero-Akkadian cuneiform sources - which were written between the 21st and the 5th centuries B.C. Using these long-neglected and often astonishing data, Gwendolyn Leick is able to analyse Mesopotamian views of prostitution, love magic and deviant sexual behaviour as well as more general issues of sexuality and gender. This fascinating book sheds light on the sexual culture of one of the earliest literate civilisations.

*The 8 Myths of Marriaging* Richard Eyre, Linda Eyre, 2019-07-01 New York Times #1 bestselling authors of *Teaching Your Children Values* and relationship experts Richard and Linda Eyre explore the eight most common myths about marriage and the truth about how to have a successful and fulfilling marriage. Exploring equality versus synergy, completion versus individual quest, harmony versus productive debate, a test drive versus constant commitment, and more, the Eyres show that popular opinions and behaviors toward successful marriages actually reduce the chance of marriage fulfillment. Drawing on more than fifty years of marriage and hundreds of interviews across the world, *The 8 Myths of Marriaging* is a must-read

book for anyone considering marriage or currently nurturing their marriage of many years.

Love, Sex, Gender, and Superheroes Jeffrey A. Brown,2021-11-19 Impossibly muscular men and voluptuous women parade around in revealing, skintight outfits, and their romantic and sexual entanglements are a key part of the ongoing drama. Such is the state of superhero comics and movies, a genre that has become one of our leading mythologies, conveying influential messages about gender, sexuality, and relationships. Love, Sex, Gender, and Superheroes examines a full range of superhero media, from comics to films to television to merchandising. With a keen eye for the genre's complex and internally contradictory mythology, comics scholar Jeffrey A. Brown considers its mixed messages. Superhero comics may reinforce sex roles with their litany of phallic musclemen and slinky femme fatales, but they also blur gender binaries with their emphasis on transformation and body swaps. Similarly, while most heroes have heterosexual love interests, the genre prioritizes

homosocial bonding, and it both celebrates and condemns gendered and sexualized violence. With examples spanning from the Golden Ages of DC and Marvel comics up to recent works like the TV series The Boys, this study provides a comprehensive look at how superhero media shapes our perceptions of love, sex, and gender.
