

I Loved Her To The Point Of Invention

Ellen Olney Kirk

The Clean House Sarah Ruhl, 2007 The play takes place in a metaphysical Connecticut where married doctors employ a Brazilian housekeeper who is more interested in coming up with the perfect joke than in cleaning. Trouble erupts when the husband falls in love with one of his cancer patients. The theatrical and wildly funny, whimsical look at class, comedy, and the nature of love gives new meaning to 'I almost died laughing.' --Publisher's description on back cover.

I Love Her, That's Why! George Burns, Cynthia Hobart Lindsay, 2017-07-19 She puts salt in the pepper shaker and pepper in the salt shaker because then if she gets mixed up, she's right. She shortens the electric cords in the house to save electricity. That's the character Gracie Allen has played for years. And for all that time people have asked George Burns, "How do you stand it? Why do you put up with it?" And for twenty-eight years George has been answering, "I love her, that's why!" This story of the life George Burns has led, both B.G. and A.G. (before and after Gracie), is genuinely funny and genuinely moving. Nobody knows more jokes than he—he's used only his best here; nobody knows so well how far down down can be, while very few have been at the top so long. He tells it all, and he tells it well (he admits unblushingly that he has the best collaborator in the business). And he has succeeded in making this love letter to Gracie a letter that will delight anyone lucky enough to read it.

The Other Shoe Matt Pavelich,2012-03-01 Henry Brusett is the only one who can explain the mysterious death of Calvin Teague. He's the only one who truly knows how the young man came to be bloodied and lifeless on his land in Montana's vast backcountry. But Henry won't say anything. His silence and its ripple across his small community form the heart of Matt Pavelich's engrossing second novel, *The Other Shoe*. Henry never wanted much more than a family and his days spent as a sawyer deep in the wilderness. But by middle-age Henry is divorced, disabled, and isolated on a remote plot of land in Montana. After years of self-imposed loneliness, Henry meets Karen, who's half his age and knows nothing but her own willful solitude. Their union is the unlikeliest of bonds, a mix of comfort and guilt for Henry who believes he's too old for Karen. But it's also the spark of his undoing, a decision that leads him toward one of his greatest regrets. As members of Henry and Karen's small town try to both uncover and cover-up the truth surrounding Calvin Teague's untimely death, *The Other Shoe* moves toward the inescapable and shines in the rarity of Pavelich's assured and haunting style.
