Black Theatre USA James Vernon Hatch, Ted Shine, 1996 Du Bois, Angelina Grimke, Zora Neale Hurston, Langston Hughes, Richard Wright, and James Baldwin. The chronology begins with William Wells Brown's *The Escape: or, a Leap for Freedom*, based on his own life as an escaped slave. Two expatriot authors, Ira Aldridge and Victor Sejour, provide glimpses of life in Europe, while at home, playwrights struggled with the issues of birth control, miscegenation, lynching, and migration.

City of Ice and Dreams J.G. Follansbee, 2018-02-15 What if the key to your past lay at the South Pole? In 2261, Sento, a beautiful, intelligent, tormented young woman, is obsessed by Isorropia, a city in Antarctica that is half-myth, half-legend. Surviving a shipwreck, Sento resolves to trek south with immigrants on a suicidal one-way journey across the melting ice. She leads the pilgrims across a raging river, weeps beneath a massive natural sculpture draped with blue ice, and defends an endangered fur seal. Meanwhile, in the secretive city, First Citizen Elita Soares watches the growing threat of the pilgrim train. She wants no more climate refugees within the city walls. When Elita learns her half-sister may be among the immigrants, she vows to stop the newcomers at all costs. Will the pilgrims reach the fabled city before Antarctica's harsh climate kills them? And why is Elita afraid of her half-sister? *City of Ice and Dreams* is a dystopian thriller full of action and suspense. The author is a winner of awards in the Writers of the Future program, including an honorable mention for his novelette, *The Mother Earth Insurgency*, the first book in this series. The other books in the climate fiction series *Tales From A Warming Planet* include *Carbon Run* and *Restoration*. Categories: dystopian, thrillers, adventure, science fiction, climate fiction

A Nation of Amor Christopher McConnell, 2016-04-26 In the West Town area of Chicago, pushed from neighborhood to neighborhood to the burned-out back end of the city, the Puerto Rican Latin Kings gang reigns supreme. Begun in the 1960s by the three brothers of the Matos family, Angel, Bobo, and Reynaldo, the original Latin Kings protected Puerto Rican

families from other gangs. Since then, Bobo was elected a city councilman, Reynaldo did time for his involvement with a radical political group, and Angel was shot dead during a race riot. As in royalty, Latin King leadership passed on to Angel's eldest son Flaco.

The Art of Creating with Succulents Mariana Córdova, 2022-03-18 Look deep into nature, and then you will understand everything better. - Albert Einstein With this quote, the author encourages us throughout the book to contemplate nature (in this case, with succulents as protagonists) to reveal what inspires us and access that creative potential that struggles to find expression. The Art of Creating with Succulents has that vocation. Connect with the Earth, make us feel its essence. Succulents are a perfect example of that invincible vitality that animates existence and ourselves in it. The art of designing with these beautiful plants can take the form of a myriad of gardening projects, with a great range of decorative possibilities. These plants have earned a privileged place in this century, revolutionizing modern gardening. In this book, among experiences, projects, botanical techniques, and anecdotes, the author provides a passionate and detailed guide on growing succulents to get closer to Mother Nature, and along the way, our spirit.

In a Dragonfly's Eye Wright L. Cooper, 2013-04-25 For Lucas Gault, his twenty-third birthday brings with it the gnawing sense that his privileged life isn't adding up. A sense driven deeper as he examines himself through the lovely eyes of a poised young woman he meets at a New York nightclub. To Luke she represents getting back to the values his father raised him and his twin brother on--if only he can convince the disciplined and focused working man's daughter, that he is more than just a shallow celebrity. However, Luke has some major issues to work out, not the least of which are, toning down his decadent British rocker lifestyle and reining in his impulsive sexual nature. These challenges and breaking away from his controlling brother prove to be harder than he thought. Worse yet, just when he begins to make headway with her, he finds himself embroiled personally in the burgeoning AIDS epidemic of the '80's. Raena, wants to be more than Daddy's little girl, an insurmountable endeavor, especially considering who her father is and the far-reaching influence he wields on either side of the Atlantic. Initially Raena does try to take her more worldly-wise cousin's advice and remain a good girl, focusing her attention on her studies and her passion, dance. However, the power of coincidence, curiosity and physical attraction prove to be strong pulls for her and she soon finds herself heading down a questionable road she is not equipped to travel. A road she has paved with deceptions that could very well lead to something way worse than heartache.

The Meaning of Consuelo Judith Ortiz Cofer,2025-05-21 La nina seria, the serious child. That's how Consuelo's mother has cast her pensive, book-loving daughter, while Consuelo's younger sister Mili, is seen as vivacious--a ray of tropical sunshine. Two daughters: one dark, one light; one to offer comfort and consolation, the other to charm and delight. But something is not right in this Puerto Rican family. Set in the 1950s, a time when American influence is diluting Puerto Rico's rich island culture, Consuelo watches her own family's downward spiral. It is Consuelo who notices as her beautiful sister Mili's vivaciousness turns into mysterious bouts of hysteria and her playful invented language shift into an incomprehensible and chilling language of birds. Ultimately Consuelo must choose: Will she fulfill the expectations of her family--offering consolation as their tragedy unfolds? Or will she risk becoming la fulana, the outsider, like the harlequin figure of her neighbor, Mario/Maria Sereno, who flaunts his tight red pedal pushers and empty brassiere as he refuses the traditional macho role of his culture. This affecting novel is a lively celebration of Puerto Rico as well as an archetypal story of loss, the loss each of us experiences on our journey from the island of childhood to the uncharted territory of adulthood.
