Annelies Wilder-Smith

[The Fairy Bargains of Prospect Hill](#) Rowenna Miller, 2023-03-28 A warm-hearted yet fierce fairy tale.—H. G. Parry In the early 1900s, two sisters must navigate the magic and the dangers of the Fae in this enchanting and cozy historical fantasy about sisterhood and self-discovery. There is no magic on Prospect Hill—or anywhere else, for that matter. But just on the other side of the veil is the world of the Fae. Generations ago, the first farmers on Prospect Hill learned to bargain small trades to make their lives a little easier—a bit of glass to find something lost, a cup of milk for better layers in the chicken coop. Much of that old wisdom was lost as the riverboats gave way to the rail lines and the farmers took work at mills and factories. Alaine Fairborn’s family, however, was always superstitious, and she still hums the rhymes to find a lost shoe and to ensure dry weather on her sister’s wedding day. When Delphine confides her new husband is not the man she thought he was, Alaine will stop at nothing to help her sister escape him. Small bargains buy them time, but a major one is needed. Yet, the price for true freedom may be more than they’re willing to pay. Praise for *The Fairy Bargains of Prospect Hill*: Brimming with folk magic and delightfully sinister hidden worlds. Truly enchanting.”—Leslye Penelope A beautifully written tale of feminine power, sisterly devotion, and magic as old as the hills themselves.”—Louisa Morgan For more from Rowenna Miller, check out: *The Unraveled Kingdom* *Torn Fray Rule*

The Scholar and the Last Faerie Door H. G. Parry, 2024-10-22 From the author of *The Magician's Daughter* comes *The Scholar and the Last Faerie Door*, a mythic, magical tale full of secret scholarship, faerie curses, and the deadliest spells of all—the ones that friends cast on each other. All they needed to break the world was a door, and someone to open it. Camford, 1920. Gilded and glittering, England's secret magical academy is no place for Clover, a commoner with neither connections nor magical blood. She tells herself she has fought her way there only to find a cure for her brother Matthew, one of the few survivors of a faerie attack on the battlefields of WWI which left the doors to faerie country sealed, the study of its magic banned, and its victims cursed. But when Clover catches the eye of golden boy Alden Lennox-Fontaine and his friends, doors that were previously closed to her are flung wide open, and she soon finds herself enmeshed in the seductive world of the country's magical aristocrats. The summer she spends in Alden’s orbit leaves a fateful mark: months of joyous friendship and mutual study come crashing down when experiments go awry, and old secrets are unearthed. Years later, when the faerie seals break, Clover knows it’s because of what they did. And she knows that she must seek the help of people

she once called friends—and now doesn't quite know what to call—if there's any hope of saving the world as they know it.

The Palace of Illusions Rowenna Miller, 2025-06-10 The Palace of Illusions brings readers to a Paris breathless with excitement at the dawn of the twentieth century, where for a select few there is a second, secret Paris where the magic of the City of Light is very real in this enchanting and atmospheric fantasy from the author of *The Fairy Bargains of Prospect Hill*. In the run up to the 1900s World's Fair Paris is abuzz with creative energy and innovation. Audiences are spellbound by the Lumiere brothers' moving pictures and Loie Fuller's serpentine dance fusing art and technology. But for Clara Ironwood, a talented and pragmatic clockworker, nothing compares to the magic of her godfather's mechanical creations, and she'd rather spend her days working on the Palace of Illusions, an intricate hall of mirrors that is one of the centerpieces of the world's fair. When her godfather sends Clara a hideous nutcracker for Christmas, she is puzzled until she finds a hidden compartment that unlocks a mirror-world Paris where the Seine is musical, fountains spout lemonade, and mechanical ballerinas move with human grace. The magic of her godfather's toys was real. As Clara explores this other Paris and begins to imbue her own creations with its magic, she soon discovers a darker side to innovation. Suspicious men begin to approach her outside of work, and she could swear a shadow is following her. There's no ignoring the danger she's in, but Clara doesn't know who to trust. The magic of the two Parises are colliding and Clara must find the strength within herself to save them both.

The Bound Worlds Megan E. O'Keefe, 2024-06-25 Worlds will collide and fates will be rewritten in the thrilling conclusion to the *Devoured Worlds* space opera trilogy by award-winning author Megan E. O'Keefe. Naira and Tarquin have found a new home on Seventh Cradle. But the peace they've built is short-lived as mysterious assailants ambush the settlement and Naira is haunted by visions of a monstrous future. Catastrophe strikes when Tarquin uncovers a plot to bring about the end of the universe. As humanity races against the clock to prevent their extinction, old secrets come to light and loyalties fracture, and Naira realizes she may be the key to saving the world—or ending it. *The Devoured Worlds* *The Blighted Stars* *The Fractured Dark* *The Bound Worlds* For more from Megan E.
