Bucket List Book - Conceive Believe Achieve Themes and Bucket Dreams Adventures, 2019-09-16 Bucket List Book - Make Your Own Bucket List of 100 ideas - and use this planner to MAKE IT HAPPEN. A bucket list doesn't always have to be used for your BIGGEST dreams such as travelling the world - it used to create a list of life goals that you've had for a while. For example learning to Ski or to fly a plane. Or you could choose to fill it with simple, local experiences that you want to do over the coming season - a summer list or a winter list for example. There are so many ways you could use this list! Use one for your 'now' goals (things that can happen within the next few months) and have another one for your HUGE goals. Or combine the two lists. It's completely up to you. Other ideas: 100 new foods from around the world 100 new places to visit 100 things to do in my town 100 things to photograph 100 art galleries to visit this year Use this notebook in any way you wish, but USE IT, because if you write down your ideas and your dreams, you will be able to keep track of them and they are much more likely to happen than if you don't write them down.
