

The Flivver King Summary

K Morrison

The Flivver King Upton Sinclair, 1937

The Flivver King Upton Sinclair, 1984

Upton Sinclair Lauren Coodley, 2020-04-01 Had Upton Sinclair not written a single book after *The Jungle*, he would still be famous. But Sinclair was a mere twenty-five years old when he wrote *The Jungle*, and over the next sixty-five years he wrote nearly eighty more books and won a Pulitzer Prize for fiction. He was also a filmmaker, labor activist, women's rights advocate, and health pioneer on a grand scale. This new biography of Sinclair underscores his place in the American story as a social, political, and cultural force, a man who more than any other disrupted and documented his era in the name of social justice. *Upton Sinclair: California Socialist, Celebrity Intellectual* shows us Sinclair engaged in one cause after another, some surprisingly relevant today--the Sacco-Vanzetti trial, the depredations of the oil industry, the wrongful imprisonment of the Wobblies, and the perils of unchecked capitalism and concentrated media. Throughout, Lauren Coodley provides a new perspective for looking at Sinclair's prodigiously productive life. Coodley's book reveals a consistent streak of feminism, both in Sinclair's relationships with women--wives, friends, and activists--and in his interest in issues of housework and childcare, temperance and diet. This biography will forever alter our picture of this complicated, unconventional, often controversial man whose whole life was dedicated to helping people understand how society was run, by whom, and for whom.

Friends' Intelligencer, 1938

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini, people captivate people. A&E's *Biography*, best-selling autobiographies, and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works, including books of fact and fiction, biographies for young readers, and documentaries and movies, all based on the lives of over 500 historical figures from scientists and writers, to political and military leaders, to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources, and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

Maurice Sugar Christopher H. Johnson, 2018-02-05 Christopher Johnson chronicles the life of Maurice Sugar, from his

roots in Michigan's Upper Peninsula, through his resistance with Eugene V Debs to World War I, and on to the struggles of the early 1930s to bring the union message to Detroit. It was Maurice Sugar, labor activist and lawyer for the United Auto Workers, who played a key role in guiding the newly-formed union through the treacherous legal terrain obstructing its development in the 1930s. He orchestrated the injunction hearings on the Dodge Main strike and defended the legality of the sit-down tactic. As the UAW's General Council, he wrote the union's constitution in 1939, a model of democratic thinking. Sugar worked with George Addes, UAW Secretary-Treasurer, to nurture rank-and-file power. A founder of the National Lawyers' Guild, Sugar also served as a member of Detroit's Common Council at the head of a UAW labor ticket. By 1947, Sugar was embroiled in a struggle within the UAW that he feared would destroy the open structures he had helped to build. He found himself in opposition to Walter Reuther's bid to run the union. A long-time socialist, Sugar fell victim to mounting Cold War hysteria. When Reuther assumed control of the UAW, Sugar was summarily dismissed. Christopher Johnson chronicles the life of Maurice Sugar, from his roots in Michigan's Upper Peninsula, through his resistance with Eugene V. Debs to World War I, and on to the struggles of the early 1930s to bring the union message to Detroit. Firmly grounded on the historiography of the UAW, Johnson shows the importance of Sugar and the Left in laying the foundation for unionizing the auto industry in the pre-UAW days. He documents the work of the Left in building a Black-labor coalition in Detroit, the importance of anti-Communism in Reuther's rise to power, and the diminution of union democracy in the UAW brought about by the Cold War. Maurice Sugar represents a force in American life that bears recalling in these barren years of plant closings.
