**Live Out Loud** Heather Wardell,2011-08-31 Amy's a hobbyist songwriter with big dreams, but not the usual 'making it as a musician' kind. No, Amy wants to honor her late best friend by finally starting the support center for teenage girls they'd dreamed of when they were just girls themselves. She doesn't know where to start, but when one of her songs becomes an overnight internet sensation she sees a quick path to the money she'll need to make the center a reality. As white-hot pop sensation Misty Will, Amy finds a whole new world opening to her and realizes she loves being on stage holding an audience spellbound. She also loves how her young fans look up to her and draw strength from her songs, but of course they don't know the awful thing she did after her friend died and how badly she could have used a support center herself. She knows, though, and also knows that she simply has to leave her new pop princess identity behind and become Amy the center director as she's dreamed of for eight years. Doesn't she?

*Live Out Loud* Marie Meyer,2017-04-30 I thought I'd live in silence forever . . . and then I met him. I'll never be able to hear, but music has always been a source of comfort for me. Rather than listen to the rhythm, I can actually feel the beat pulsing through me. It's pure bliss. So the moment I saw Thorin playing his guitar, I was mesmerized. I'd never seen anything more beautiful . . . or intimate. I couldn't tell where his body ended and the song began. He's everything I need in my life . . . I'm falling fast, hard, and deep. I want him more than anything. But while I live in silence, Thor lives in secrets. He's holding something back-something that's keeping this intensity, this longing from being real. And the silence may be too loud to bear . . .

**Learning to Live Out Loud** Piper Laurie,2011-11-01 An intimate memoir by three-time Oscar nominee Piper Laurie, one of Hollywood's most gifted and respected actresses At the age of seventeen, in the glory days of movie-making, Piper Laurie was living every little girl's dream. Having been selected by Universal Studios to be a contract star, Piper was removed from her acting class and provided with stylists, chaperones, leading roles, and handsome dates, and elevated to the heights of Hollywood. Her beauty was admired by the likes of Ronald Reagan, Howard Hughes, Paul Newman, Tony Curtis, as well as dozens of directors and legions of fans. Her name was emblazoned on marquees across America for hit movies of the fifties such as the The Prince Who Was a Thief, The Mississippi Gambler, and Ain't Misbehavin'. But Piper discovered early on that the little girl's dream was not her own. Mortified by the shallowness of the roles and movies she was given, she longed for the freedom and fulfillment of her own artistic vision. After years in the studio system, shy Piper Laurie found her voice and the courage to burn her contract. It was only after she left the oppressive studio culture that she began to star in the TV shows, plays, and films that truly became the hallmarks of her career: The Glass Menagerie on Broadway, the original Days of Wine and Roses, The Hustler, the iconic Carrie, and Twin Peaks. She grew into a three-time Oscar-nominated actress, an accomplished sculptor, and a director. This memoir is the inspiring tale of Piper's perseverance to break from tradition and to practice her craft at the highest level. She started life as a withdrawn, mute child who couldn't find her voice and was transformed into a woman who learned to live out loud by her own rules.

**Songwriters of the American Musical Theatre** Nathan Hurwitz,2016-09-01 From the favorites of Tin Pan Alley to today's international blockbusters, the stylistic range required of a musical theatre performer is expansive. Musical theatre roles require the ability to adapt to a panoply of characters and vocal styles. By breaking down these styles and exploring the output of the great composers, Songwriters of the American Musical Theatre offers singers and performers an essential guide to the modern musical. Composers from Gilbert and Sullivan and Irving Berlin to Alain Boublil and Andrew Lloyd Webber are examined through a brief biography, a stylistic overview, and a comprehensive song list with notes on suitable voice types and further reading. This volume runs the gamut of modern musical theatre, from English light opera through the American Golden Age, up to the mega musicals of the late Twentieth Century, giving today's students and performers an indispensable survey of their craft.

Through lush, poetic prose and rich character development,

Burnett weaves a tapestry of hope and renewal. Set against the backdrop of Victorian England, her narratives resonate with both the innocence of youth and the social dynamics of the era, portraying the struggles of orphaned children who ultimately find solace in friendship and nature. The distinct structure of each story'Âinterspersing magical realism with relatable struggles'Âhighlights the transformative journeys of the protagonists as they unearth their own hidden strengths. Frances Hodgson Burnett, born in 1849, was a British-American author whose own childhood experiences of loss and displacement profoundly informed her writing. Immigrating to America as a child, she often drew from her life experiences, weaving tales that reflected her personal struggles with identity and belonging. Burnett's intimate understanding of childhood hardship and her subsequent triumph over adversity gave her a unique perspective that resonates throughout her works. These classic tales not only enchant readers with their imaginative settings and relatable characters but also serve as timeless reminders of the resilience found within us all. I highly recommend this collection to anyone seeking an insightful journey through the complexities of childhood, as well as the enduring themes of hope and renewal that are especially relevant in today's world.

**Daddy's Little Princess** Crystal L. Narby, 2010-02 Crystal longed for her father's love, but she felt only rejection. Added to that, she grew up in a home where incest and sexual molestation seemed natural-even from a very young age. But when her neighbor raped her and other men abused her she blamed herself. What have I done to make them do this to me? Her low self-esteem and depression led her into alcohol and drug abuse, sexual promiscuity, thoughts of suicide, self-destructive habits and dabbling in the occult. As an adult, she searched for her identity and purpose in life through being a wife, a mother and serving God. But miscarriages, failed adoptions and years of infertility kept her from her dream of being a mother. Crystal turned to adultery to find value in herself. But this only added to her guilt and shame. She believed she didn't deserve to be forgiven. At her lowest point, however, the heavenly Father filled her with His love and revealed her identity to her as Daddy's Little Princess. Crystal Narby served as a youth pastor for ten years and was involved with the Yokefellow Prison Ministry for many years. She was also a volunteer counselor for a domestic violence/rape crisis hotline. Presently she ministers healing and deliverance through Bible studies and speaking engagements. Her mission is to love the Lord and live a fasted life, according to Isaiah 58:6-7, and to go into all the world with the gospel of Jesus Christ, as commissioned in Mark 16:15-18. Crystal resides with her husband, Greg, and their son, Jayden, in Dubois, Pennsylvania.

**Opposable Thumbs** Matt Singer, 2023-10-24 Once upon a time, if you wanted to know if a movie was worth seeing, you didn't check out Rotten Tomatoes or IMDB. You asked whether Siskel & Ebert had given it "two thumbs up." On a cold Saturday afternoon in 1975, two men (who had known each other for eight years before they'd ever exchanged a word) met for lunch in a Chicago pub. Gene Siskel was the film critic for the Chicago Tribune. Roger Ebert had recently won the Pulitzer Prize—the first ever awarded to a film critic—for his work at the Chicago Sun-Times. To say they despised each other was an understatement. When they reluctantly agreed to collaborate on a new movie review show with PBS, there was at least as much sparring off-camera as on. No decision—from which films to cover to who would read the lead review to how to pronounce foreign titles—was made without conflict, but their often-antagonistic partnership (which later transformed into genuine friendship) made for great television. In the years that followed, their signature "Two thumbs up!" would become the most trusted critical brand in Hollywood. In *Opposable Thumbs*, award-winning editor and film critic Matt Singer eavesdrops on their iconic balcony set, detailing their rise from making a few hundred dollars a week on local Chicago PBS to securing multimillion-dollar contracts for a syndicated series (a move that convinced a young local host named Oprah Winfrey to do the same). Their partnership was cut short when Gene Siskel passed away in February of 1999 after a battle with brain cancer that he'd kept secret from everyone outside his immediate family—including Roger Ebert, who never got to say goodbye to his longtime partner. But their influence on in the way we talk about (and think about) movies continues to this day.
