**Alejandro Brittes**

Global Perspectives on Nationalism Debajyoti Biswas, Panos Eliopoulos, John C. Ryan, 2022-12-16 Global Perspectives on Nationalism takes an interdisciplinary approach informed by recent theorisations of nationalism to examine perennial questions on the topic. The idea of nationalism centres on questions of ethnicity, culture, religion, language, and access to resources. What determines consciousness of nationalism? How is nationalism manifested, shaped, or countered through literary and cultural productions? The contributors highlight topical areas in studies of nationalism including ecology, natural resources, sustainability, globalisation, the Anthropocene, postcolonialism, indigeneity, folklore, popular culture, and queer theory. They develop innovative perspectives on nationalism through in-depth analyses of the theoretical, political, literary, linguistic, cultural, and ecological dimensions of nationalism in Argentina, Australia, Bangladesh, Bosnia and Herzegovina, China, Germany, Greece, India, Indonesia, Lebanon, Nepal, Nigeria, Poland, Scotland, Turkey, the United States, and elsewhere. This volume underscores the importance of generative dialogue between disciplines in assessing the implications of nationalism for everyday life through five thematic sections: (I) Ethnicity, Ideology, and Narration; (II) Religion, Identity, and Heritage; (III) Linguistics, Tradition, and Modernism; (IV) Music, Lyricism, and Poetics; and (V) Ecology, Environment, and Non-Human Lives. This book will be of particular value to students and researchers in philosophy, literary studies, and political theory with interests spanning ecology, ethnicity, folklore, gender, heritage, identity, linguistics, nationalism, nationhood, religion, and sexuality.

**Estudios sobre músicas populares en México I** Pablo Alejandro Suárez Marrero, Liliana Jamaica Silva, Agustín Rodríguez Hernández, Anel Hernández Arciniega, Jorge Amós Martínez Ayala, Eduardo Martínez Muñoz, Juan Antonio Vargas Barraza, 2025-03-02 Durante las jornadas del 20 y 21 de octubre de 2022, aconteció el I Congreso de Músicas Populares en México, organizado por la editorial Son de Papel. Dicho evento académico emergió de una creciente necesidad por generar información y conocimientos sobre las músicas populares como parte sustancial de la diversidad cultural mexicana. En un sentido enunciativo general, se entendió como populares a “[...] aquellas expresiones musicales cuya caracterización se nutre de diferentes estilos, [...] que han trascendido fronteras y temporalidades, adaptándose a las circunstancias y cambios de la humanidad”. Con base en ello, se concibió un espacio de diálogo y convivencia entre creadores, estudiantes, docentes e investigadores de disímiles géneros musicales, modos estilísticos y prácticas sonoras pasadas y presentes, que se relacionan

con las músicas populares actuales que tienen presencia en el país. En ese sentido, se entrecruzaron cuatro perspectivas disciplinares: la histórica, la antropológica, la filosófica y la musicológica; con sus respectivas herramientas teóricas, conceptuales y metodológicas. Lo referido con anterioridad se puede constatar en el presente volumen, integrado por capítulos que trascienden las exposiciones orales de ponencias realizadas en el congreso, para convertirse en documentos reflexivos independientes. Después de un acucioso proceso de arbitraje y dictaminación de trece propuestas recibidas por la editorial, pares académicos resolvieron aceptar siete textos para su publicación definitiva: ¡Más allá de la tarima! El papel de las mujeres en el fandango jarocho, de Liliana Jamaica Silva; Don Francisco Berrones: el patriarca de la tradición arribeña, de Agustín Rodríguez Hernández; La educación musical no siempre es como la pintan: pensamiento y músicas de la Huasteca potosina, de Anel Hernández Arciniega; ¡Puro Michoacán!... El arpa grande: sonido, tradición e identidad en el occidente de México, de Jorge Amós Martínez Ayala; “‘Me quitaron lo mariachi’ La apropiación del traje de charro por el Mariachi. Una mirada desde la prensa y el cine (1956), de Eduardo Martínez Muñoz; El Noreste Caliente. Convergencia de migraciones y tecnología, de Juan Antonio Vargas Barraza; y Los Tres Tristes Tigres y sus performances para campañas publicitarias (2016-2022): un análisis músico-audiovisual, de Pablo Alejandro Suárez Marrero (UNAM), que son los que conforman los Estudios sobre músicas populares en México I.

**El Origen del Chamamé** Magali de Rossi, Alejandro Brittes, 2022-01-24 Proponemos al lector desafiarse a sí mismo, ampliar su lupa, pensar las fronteras como solo huellas geopolíticas, espacios mutables en el ámbito de la cultura. Tratar de entender la música como resultado de un largo proceso y que cumple una función en el Imaginario Social y en la Memoria Colectiva, porque solo así podremos entender un poco del Chamamé y su ritualidad. La música, la danza, los rituales, la mitología se nutren, dialogan y responden a lagunas, aunque sea imperceptible a nuestros ojos, todas estas expresiones culturales y comportamientos humanos, dan identidad a los pueblos, cumplen una función metafísica y los hacen ir más allá de lo que se les presenta como ciencia. Quizás por eso Chamamé es uno de los pocos ritmos musicales que trae consigo el extraño fervor del cuestionamiento: ¿De dónde salió todo esto? ¿Por qué somos así? ¿Qué historias tiene este ritmo para contarnos?

A origem do Chamamé Alejandro Brittes, 2021-08-11 A origem do Chamamé - Uma História para ser contada

*Bailares Gaúchos de Antanho - Tomo II* José Moacir Gomes dos Santos, Rodrigo Gil Ribeiro, 2020-10-14 BAILARES GAÚCHOS DE ANTANHO traz um punhado histórico, musical e coreográfico sobre temas bailáveis gaúchos de antigamente. Desejamos buscar principalmente um ganho cultural para o Movimento Tradicionalista Gaúcho (MTG), não para hoje, mas principalmente para as futuras gerações. Apresentamos esta pesquisa histórica sobre bailes antigos, buscando informações nos registros do extinto Instituto Gaúcho de Tradição e Folclore (I.G.T.F.) sobre os temas Dandão, Lobisomem, Marrequinha da Lagoa, Riachão, Tremedal, Polca Mancada, Tirana Grande, Sapateio, Chico, Rancheira Marcada, Ratoeira, diversos

chotes, quadrilhas, valsas, dentre outras danças ensinadas pelo Tio Belizário (Augustinho Manoel Serafim). Temos também buscado nos últimos anos prestigiar e divulgar a riquíssima obra da saudosa folclorista professora Lilian Argentina, cujo acervo pessoal somado ao que está nos arquivos do IGTF, trará incontáveis ganhos ao Movimento atual, abrindo um leque com inúmeras novas danças, até hoje desconhecidas do público tradicionalista. Todas as informações trarão um ganho importantíssimo para revivenciá-las no seio dos Centros de Tradições Gaúchas, entidades culturais, e demais sociedades recreativas, estudantis, bibliotecas, etc, para que se possa trazer à tona estes conhecimentos hoje empoeirados e um tanto quanto secretos, podendo vivenciá-los novamente de forma espontânea como novos temas bailáveis, que outrora estiveram vigentes em nosso Rio Grande. A folclorista Lilian Argentina é a mentora mor das principais pesquisas folclóricas do IGTF, tendo ido a campo, revisado e catalogado quase todas as pesquisas que encontramos no MARS, juntamente com as outras bravas pesquisadoras Martly Schol, Rose Marie Reis Garcia e Sônia Campos. Isso merece todo nosso aplauso pois comprova que em pleno século passado, época de todo um preconceito, e até sentimento de machismo, notamos e comprovamos que também foram as mulheres peças fundamentais de todo um processo cultural enriquecedor, mas, infelizmente, o nome delas ficou de lado, por motivos ainda duvidosos, tendo toda a fama cultural em nosso Estado ficado apenas em nome dos homens pesquisadores de danças. Essa será uma oportunidade ímpar de, postumamente, prestarmos nossos agradecimentos a esta pioneira pesquisadora e folclorista gaúcha, Lilian Argentina, que também merece ser estudada pelas gerações futuras. Nosso objetivo maior como pesquisadores na área tradicionalista é que estes temas bailáveis voltem a ser divulgados pelos grupos de danças. Mas não só isso. Fundamentalmente, que retorne ao povo o que é do povo.
