Life Sucks and Then You Die Todd Harris Goldman, 2011-10-25 Ah, life. Generally speaking, it is a gift to celebrate. But when you get down to the specifics, a lot of it sucks! Inside, pop-artist extraordinaire Todd Goldman delightfully disses the daily dilemmas of life—from flat tires to getting fired; from getting food caught in your teeth to getting caught picking your nose—with snappy illustrations and pithy punchlines. With over 100 sharply satiric gags about all those things that get your goat, this book will help take the bite out of life.

The Complete Jessica Darling Series Megan McCafferty, 2010-12-21 Growing Up Can Be Perfect in Its Imperfection The Jessica Darling series chronicles one young woman's coming-of-age in the first decade of the 21st century. Over five books and ten years, Jessica Darling fumbles her way into adulthood. She evolves from a sixteen-year-old cynic, snarking in her diary about catty cliques, unrequited crushes, and other high school indignities, into a jet-setting twenty-six-year-old urbanite searching for more meaning in her life. Through all her misadventures in high school, college, and beyond, Jessica gets long-distance support from her best friend, Hope. But it's her on-again/off-again love of her life, Marcus Flutie, who can always be counted on to complicate her life in ways that are infuriating, intoxicating, and ultimately irresistible. SLOPPY FIRSTS: Meet Jessica Darling—and fall for Marcus Flutie—in this high school comedy of many, many errors. A fresh, funny, utterly compelling fiction debut, *Sloppy Firsts* is an insightful true-to-life look at sixteen-year-old Jessica's predicament as she embarks on another year of teenage torment—from the dark days after her best friend, Hope, moves away through her months as a type-A personality turned insomniac to her completely mixed up feelings about Marcus Flutie, the intelligent and mysterious Dreg who works his way into her heart. SECOND HELPINGS: Can Jessica survive senior year without losing her mind . . . or her heart? This time, Jess is going through the social and emotional ordeal of her last year at Pineville High. Not only does the mysterious Marcus Flutie continue to distract her, but Hope still lives in another state, and she can't seem to escape the clutches of the Clueless Crew, her annoying so-called friends. To top it off, Jessica's parents won't get off her butt about choosing a college. Will Jess crack under the pressure of senioritis? CHARMED THIRDS: Jessica is in college . . . and smart girls have more fun! Jessica has finally left her hometown/hellhole for Columbia University; she's into Marcus more than ever (so what if he's at a Buddhist college in California), and she's making new friends. But Jess soon realizes that her bliss might not last. As she and Marcus hit the rocks, will she fall for her GOPunk, neoconservative RA . . . or for the hot grad

student she's assisting on a summer project . . . or for the oh-so-sensitive emo boy down the hall? Will she even make it now that her parents have cut her off financially? And what do the cryptic one-word postcards from Marcus really mean?

FOURTH COMINGS: Is the real world ready for Jessica Darling? At first it seems like she's living the New York City dream. She's subletting an apartment with her best friend, working for a magazine that actually cares about her psychology degree, and is still deeply in love with Marcus. But when Marcus proposes—giving her only one week to answer—Jessica must decide if she's ready to give up a world of late-night literary soirees, art openings, and downtown drunken karaoke to move back to New Jersey and be with the one man who's gripped her heart for years.

PERFECT FIFTHS: Does Jessica and Marcus's journey end here? Or is it just the beginning? . . . Now a young professional in her mid-twenties, Jess is off to a Caribbean wedding. As she rushes to her gate at the airport, she literally runs into her former boyfriend, Marcus Flutie. It's the first time she's seen him since she reluctantly turned down his marriage proposal three years earlier—and emotions run high. They have both changed dramatically, yet their connection feels as familiar as ever. Is their reunion just a fluke, or has fate orchestrated this collision of their lives once again?

The Sabotage Cafe Joshua Furst, 2009-04-22 As a teenager in the 1980s punk scene, Julia suffered an unspeakable trauma. Years later, she has made a new life for herself in the suburbs, desperately working to maintain a sense of normalcy. But when Julia's sixteen-year-old daughter, Cheryl, goes missing, Julia is forced to envision her every move. From the city's back alleys to the abandoned Sabotage Café, Julia watches her daughter retrace her own coming-of-age, a mélange of sex, drugs, and random acts of violence.

Shelter Us Laura Nicole Diamond, 2025-07-30 Gorgeously written and deeply felt, this heartrending, ultimately hopeful narrative about motherhood, loss, and the meaning of life becomes a true page-turner. Lawyer turned stay-at-home-mom Sarah Shaw is struggling to be present for her two young sons and law professor husband, three years after the death of their infant daughter. Then one day, walking in L.A., Sarah's heart catches at the sight of a young homeless mother and toddler, and saving them becomes her secret, obsessive mission. When tragedy threatens them, Sarah discovers she is capable of deceptions and transgressions she never imagined. Her lies unleash a downward spiral that will threaten her marriage, family, and her sanity. *Shelter Us* speaks to the quiet joys and anxieties of parenthood, and illuminates the shadowy space between unconditional love and fear of unbearable loss.

If a Place Can Make You Cry Daniel Gordis, 2002-10-15 A firsthand, personal view of a family on the front lines of war in Israel “An outstanding work . . . powerfully and movingly written.”—Jerusalem Post **WINNER OF THE “BOOKS FOR A BETTER LIFE” AWARD** In the summer of 1998, Daniel Gordis and his family moved to Israel from Los Angeles. They planned to be there for a year, but a few months into their stay, Daniel and his wife decided to remain in Jerusalem permanently, confident that their children would be among the first generation of Israelis to grow up in peace. Immediately after arriving

in Israel, Daniel had started sending out e-mails about his life to friends and family abroad. These missives—passionate, thoughtful, beautifully written, and informative—began reaching a much broader readership than he'd ever envisioned, eventually being excerpted in The New York Times Magazine to much acclaim. An edited and finely crafted collection of Daniel's original e-mails, *If a Place Can Make You Cry* is a first-person, immediate account of Israel's post-Oslo meltdown that cuts through the rhetoric and stridency of most dispatches from that country or from the international media. Above all, *If a Place Can Make You Cry* tells the story of a family that must cope with the sudden realization that they took their children from a serene and secure neighborhood in Los Angeles to an Israel not at peace but mired in war. This is the chronicle of a loss of innocence—the innocence of Daniel and his wife, and of their children. Ultimately, through Daniel's eyes, Israel, with all its beauty, madness, violence, and history, comes to life in a way we've never quite seen before.

In the Beginning Ben W. Gardner, 2005-01-25 When a retired Seal, Mike Angel, discovers an inexpensive new space drive and begins launching satellites from his suburban back yard, the local law takes notice. When he refuses to turn his invention over to the military, the government takes notice. When he blackmails the American and Russian governments into helping him with the first manned expedition to Mars, the world takes notice.

Your Jesus Is Too Safe Jared C. Wilson, 2011-10-28 A provocative new book that calls Christians to stop making Jesus so convenient

Billy. Going where darkness fears to tread Colin Palmer, 2025-03-04 He was unique. Or so he believed. He packed a lifetime into his 21 years of Life and now waits for the return of an uncontrollable evil created by Mother Earth herself. Or is it?

Afterland Lauren Beukes, 2020-07-28 *Children of Men* meets *The Handmaid's Tale* in this smartly written and splendid thriller about how far a mother will go to protect her son from a hostile world transformed by the absence of men (Stephen King). Most of the men are dead. Three years after the pandemic known as *The Manfall*, governments still hold and life continues—but a world run by women isn't always a better place. Twelve-year-old Miles is one of the last boys alive, and his mother, Cole, will protect him at all costs. On the run after a horrific act of violence and pursued by Cole's own ruthless sister, Billie—all Cole wants is to raise her kid somewhere he won't be preyed on as a reproductive resource or a sex object or a stand-in son. Someplace like home. To get there, Cole and Miles must journey across a changed America in disguise as mother and daughter. From a military base in Seattle to a luxury bunker, from an anarchist commune in Salt Lake City to a roaming cult that's all too ready to see Miles as the answer to their prayers, the two race to stay ahead at every step . . . even as Billie and her sinister crew draw closer. A sharply feminist, high-stakes thriller from award-winning author Lauren Beukes, *Afterland* brilliantly blends psychological suspense, American noir, and science fiction into an adventure all its own—and perfect for our times.

Zero-Day Rising T.C. Weber, 2020-10-01 In *Zero-Day Rising*, the third book of the BetterWorld trilogy, Kiyoko is tired of hiding and grieving, and has decided to strike back. In the first volume of the critically acclaimed BetterWorld cyberpunk trilogy, Kiyoko's older sister Waylee and their hacktivist friends exposed a conspiracy between MediaCorp and U.S. President Rand to control the flow of information and run the world on behalf of a cabal of billionaires. In volume two, Waylee faced life imprisonment, while Kiyoko and her friends were hunted by a team of ruthless mercenaries. In *Zero-Day Rising*, Kiyoko resolves to free her sister and bring down President Rand and MediaCorp. However, MediaCorp unleashes its ultimate plan: direct mind control with cerebral implants. Can Kiyoko and Waylee's team stop them? Can they penetrate MediaCorp's networks and end the company's grip over humanity? All while eluding the biggest manhunt in history, in a country where everyone and everything is under surveillance?

Hearing the Message of Ecclesiastes Christopher J. H. Wright, 2023-06-27 There is no easy answer to the meaning of life--even when you believe in God. The book of Ecclesiastes seeks to answer the question: What do people gain from all their labors at which they toil under the sun? The book's central character is Qoheleth, who wants to understand the meaning of life as far as he possibly can with the tools of his own empirical observation and reason. He struggles to reconcile the beautiful world that we love and enjoy with the baffling world of injustice, suffering, and death. Qoheleth circles around an abyss of nihilism and pessimism. He lives with unanswered questions. Yet he remains a believer. Old Testament scholar Christopher J. H. Wright invites you to join Qoheleth on a journey through wisdom literature from centuries ago, because the message of Ecclesiastes can be strangely reassuring as we put our faith to the test in today's post-modern era. There will be disorienting twists and turns and the occasional complete impasse as complex topics are discussed, like: The meaning of life Mysteries of time and injustice Ambiguities of work, politics, worship, and wealth *Hearing the Message of Ecclesiastes* won't answer your questions about the meaning of life, but it will ultimately help you live in the tension of God's gifts in Genesis 1-2 and the fallen world of Genesis 3--and still go on trusting in the sovereign goodness of God.

*Crazy Sh*t Old People Say* Geoff Tibballs, 2011-05-26 With old age comes grey hair, dodgy knees, a sudden passion for re-runs of *Murder, She Wrote*, and an apparent God-given licence to speak one's mind and be generally offensive without fear of retribution. Under the guise of passing on the benefits of their experience to family members or just casual acquaintances, old people exercise their right to swear, cuss and insult as they please. These feisty philosophers take no prisoners as they use their scalpel-like tongues to dissect modern life and the younger generations. If challenged over their outrageous comments, they'll play the age card: you know the sort of thing - 'I'm eighty-six, I've fought for my country, and if I want to call you a no-good, lowdown, useless fuckwit, then I'll call you a no-good, lowdown, useless fuckwit, Vicar.' Other gems include: It bugs me when people say, 'Life is short.' What the hell does it mean? Life is the longest damn thing anyone ever does! Are they going to do something that's longer? Son, if it's got tits or tyres, you're gonna have trouble with it. We all have

our disappointments in life, son, and I'm talking to mine right now. The only way in which life resembles a bed of roses is that you encounter a lot of pricks along the way. Sure I'm surprised you can't get a job, son. I heard the world was crying out for someone who is lazy, has no qualifications but can spit gum into a waste paper basket from ten feet. Don't you think you might stand a better chance of becoming a captain of industry if you got rid of some of that metal shit on your body - like the nose stud and the eyebrow rings? Donald Trump may have a crap haircut but I bet he doesn't have pierced fucking nipples. Son, if life was fair, Elvis would still be alive and all the impersonators would be dead. The secret of a happy life is to run out of cash and air at exactly the same time.

The Holy League of Rudy Barton McGuire, 2013-03 The Holy League of Rudy is a strange, mixed bag ... California, the late 1970s: Tall and built like linguini, Bobby Bones Braziano is an affable, mellowing influence on his wise-cracking, socially low-end friends. Calling themselves the Holy League of Rudy, they are a pack of kooks and rowdies whose creative knack for finding trouble is an endless source of pride. Bones' cheerleader girlfriend, a child of privilege and ambition, refuses to consider a future with Bones unless he leaves his humble roots and madcap friends behind. With college looking like death by boredom, Bones volunteers for the Cold War, hoping he can see the world and be all that he can be. Popped down in a Kansas missile silo, he finds all he can be is, well, nothing. A tragedy involving his father and a night spent with a phantom from his past combine to force the truth on Bones: He's no soldier, and his cheerleader's to do list now includes men of her

own kind. Just as he feels beaten and resigned, a horrific missile disaster sets Bones on a quest to recover his sanity. He returns to California and a wild reunion with friends, enemies, and the woman he thought he loved. The truths he discovers about himself and the ghosts that haunt his dreams will leave you laughing, crying, and craving further exploits of Bones and company! Originally from California, Barton McGuire has written two other novels about the Holy League of Rudy.

Doing Literary Criticism Tim Gillespie, 2024-11-01 One of the greatest challenges for English language arts teachers today is the call to engage students in more complex texts. Tim Gillespie, who has taught in public schools for almost four decades, has found the lenses of literary criticism a powerful tool for helping students tackle challenging literary texts. Tim breaks down the dense language of critical theory into clear, lively, and thorough explanations of many schools of critical thought---reader response, biographical, historical, psychological, archetypal, genre based, moral, philosophical, feminist, political, formalist, and postmodern. *Doing Literary Criticism* gives each theory its own chapter with a brief, teacher-friendly overview and a history of the approach, along with an in-depth discussion of its benefits and limitations. Each chapter also includes ideas for classroom practices and activities. Using stories from his own English classes—from alternative programs to advance placement and everything in between—Tim provides a wealth of specific classroom-tested suggestions for discussion, essay and research paper topics, recommended texts, exam questions, and more. The accompanying CD offers abbreviated overviews of each theory (designed to be used as classroom handouts, examples of student work, collections of quotes to stimulate discussion and writing, an extended history of women writers, and much more. Ultimately, *Doing Literary Criticism* offers teachers a rich set of materials and tools to help their students become more confident and able readers,

writers, and critical thinkers.

Nyx #3 Christos Gage, Marc Borstel, 2022-01-12 Nyx once killed Vampirella. More recently, they were tenuous allies. When their paths cross again, will it be as friends, enemies, somewhere in between, or all the above? How does Vampirella fit into Nyx's quest to learn how to live among humanity without harming them, when it's something Vampirella herself has never quite mastered? It could all become moot when old-school Vampirella foes the Cult of Chaos return seeking vengeance, both on Vampi and the disloyal daughter of Chaos who has rejected their mad god. (That's Nyx, FYI.) One thing's for sure - fangs, fists, and flame will fly!

Nyx's mortal side has been growing stronger, troubling her with all-too human emotions. Fortunately (for her), there's still the side of her that transforms into a demon of living flame...and requires her to feed on the life force of living beings to survive. Can a half-demon find her place in our world...happiness...even love? Probably not, as she's about to get dragged into her dad's workplace problem.
