

Pestilence The Four Horsemen

Robert H. Smith

Pestilence Laura Thalassa,2018-03-21 They came to earth-Pestilence, War, Famine, Death-four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. When Pestilence comes for Sara Burn's town, one thing is certain: everyone she knows and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed. Too bad no one told her Pestilence can't be killed. Now the horseman, very much alive and very pissed off, has taken her prisoner, and he's eager to make her suffer. Only, the longer she's with him, the more uncertain she is about his true feelings towards her ... and hers towards him. And now, well, Sara might still be able to save the world, but in order to do so, she'll have to sacrifice her heart in the process.

The Four Horsemen T. a. Chase,2015-11-03 For Pestilence, the White Horseman, love becomes the most powerful cure. Having lost his wife and child during the Black Death, Pestilence accepts the fate destiny has given him as one of the Four Horsemen of the Apocalypse. For centuries, Pestilence did his job, spreading plagues and disease around the world. He does it to keep the balance between good and evil, yet he hates every minute of it. He longs to be left alone, but suddenly fate seems to have a different plan for him. When Bart Winston stumbles into an Amazon clearing, he's terribly ill and sure he's going to die. A tall white-haired man with unusual black eyes catches him in his arms and Bart's life takes a turn into the unbelievable. Blaming the whole situation on his illness might have worked, but as he gets better and learns about the strange man who heals him, Bart must accept there are more things in the world than he ever guessed. Pestilence and Bart heal each other, and begin to wonder if there can be a future for the White Horseman and the mortal he's fallen in love with.

War Laura Thalassa,2023-08-15 They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. The day Jerusalem falls to the horsemen, Miriam Elmahdy knows her life is over. Houses are burning, the streets run red with blood, and a traitorous army is massacring her people. There is no surviving this, especially not once Miriam catches the eye of War himself. But when the massive and terrifying horseman corners Miriam, he calls her his heaven-sent wife, and instead of killing her, he takes her back to his camp. Now Miriam faces a terrifying future, helplessly watching her world burn town by town, and the one responsible for it is her seemingly indestructible husband, who

refuses to let her go. But there's another side to him, one that's gentle and loving and set on winning her over, and she might not be strong enough to resist. However, if there's one thing Miriam has learned, it's that love and war cannot coexist. She must make the ultimate choice: surrender to War and watch humankind fall, or sacrifice everything to stop him.

Four Horsemen, at Their Leisure Richard Parks, 2011-02-01 What's a horseman of the Apocalypse to do when the Earth has been picked bare, scoured clean, and burned black? Perhaps a spot of...gardening? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pestilence Klarissa King, 2019-09-11 Pestilence finds her cruelty tested when War, the new Horserider, wakes from his slumber and brings with him news of the end ... News that reaches far beyond the humans. For centuries, Pestilence has tried to fall out of love with Death-the reason for her curse. But with her heart and mind at odds, humanity's fate doesn't stand a chance in her cold, grey hands. She and Shadow, her trusted steed, walk the earth to deliver plagues upon the humans. But, when she's awakened from her slumber to a world she doesn't recognise, Pestilence must learn to navigate the advanced technology of the humans and evade their interest in her. But it isn't long until videos of her destruction are spread across the human world. Soon, Pestilence finds herself with more than just her steed as her shadow. Now, the humans and Death are on her tail. There's something different about War and his mysterious past, or how Death, after centuries, yearns for her again. Something is different about this mission. Something is different about War. And it's something Death needs to fulfill whatever malevolence has taken him from her. Maybe Pestilence is the only one who can stand in his way... Third Book in the ANTHOLOGY series, Feared Fables. If you are sensitive to mature content and these themes, please beware.

Famine Laura Thalassa, 2023-08-15 They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. Ana da Silva always assumed she'd die young, but she never expected it to be at the hands of the haunting immortal who spared her life years ago. Famine. But if the horseman remembers her, he must not care, for when she comes face to face with him for the second time in her life, she's stabbed and left for dead. Only, she doesn't quite die. If there's one thing Famine is good at, it's cruelty. He can't forget the pain humanity has brought him, and he's ready to bring it back to them tenfold. But when Ana, a ghost from his past, corners him for what he did to her, she and her empty threats captivate him, and he decides to keep her around. In spite of themselves, Ana and Famine are drawn to each other. But at the end of the day, the two are enemies. Nothing changes that. Not one kind act, not two. And definitely not a few steamy nights. But enemies or reluctant lovers, if they don't stop themselves soon, heaven will.

Weekly World News, 2003-10-21 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

An Introduction to Reading the Apocalypse Columba Graham Flegg, Graham Flegg, 1999

Apocalypse Robert H. Smith, 2000 For those searching for a way to demystify the often puzzling book of Revelation or for those seeking a splendid pathway into the Apocalypse, this commentary is an extraordinary aid to grasping the central visions-and to being grasped by them. Albrecht Durer's woodcuts are incorporated together with an introduction that describes both the Seer of Patmos and the artist of Nuremberg and gives a very brief overview of various ways of reading these texts (fundamentalist, mainline, liberation). It is followed by a commentary on the book of Revelation accompanied by and keyed to the woodcuts.

Audionarratology Jarmila Mildorf, Till Kinzel, 2016-04-25 Audionarratology is a new 'postclassical' narratology that explores interfaces of sound, voice, music and narrative in different media and across disciplinary boundaries. Drawing on sound studies and transmedial narratology, audionarratology combines concepts from both while also offering fresh insights. Sound studies investigate sound in its various manifestations from disciplinary angles as varied as anthropology, history, sociology, acoustics, articulatory phonetics, musicology or sound psychology. Still, a specifically narrative focus is often missing. Narratology has broadened its scope to look at narratives from transdisciplinary and transmedial perspectives. However, there is a bias towards visual or audio-visual media such as comics and graphic novels, film, TV, hyperfiction and pictorial art. The aim of this book is to foreground the oral and aural sides of storytelling, asking how sound, voice and music support narrative structure or even assume narrative functions in their own right. It brings together cutting-edge research on forms of sound narration hitherto neglected in narratology: radio plays, audiobooks, audio guides, mobile phone theatre, performance poetry, concept albums, digital stories, computer games, songs.

The Four Horsemen Emily Mayhew, 2021-05-06 The Four Horsemen - War, Pestilence, Famine and Death - first appeared in the Book of Revelations a thousand years ago, but they continue to track us in our own time. This original and inspiring study by celebrated historian Emily Mayhew traces the advances in science, technology and humanitarianism that are enabling us to take them on, one by one. 'The beauty of The Four Horsemen is how she takes her quaking readers to the edge of the abyss . . . I was left moved and uplifted . . . [A] first-class example of popular science' The Times '[A] thoughtful and ultimately uplifting analysis of the unsung heroes of our age' Independent It begins in Mosul, our oldest surviving city, and the extraordinary coalition created in a matter of days to save its people from the worst horrors of the liberation battle against ISIS. As the city and the humanitarian operation that helped it to survive are restructured for a new age, Mayhew shows other people whose work gives us hope for the future, from the search to find new ways to discover and use antimicrobial medicines and the innovations in preventing the spread of deadly viruses; the laboratory work being taken to protect crops from disease and reduce famine, and why the potato, not the banana is the future; to the unique courage and resolution of those dedicated to securing the rights of the dead and their families. Standing in the way of the Horsemen is

what Emily Mayhew calls, 'the most extraordinary alliance ever to come together in defence of our humanity.' These are the doctors, scientists, statisticians, engineers, peace negotiators, pharmacists, historians, forensic scientists, vaccinators and volunteers who are creating solutions to life and death problems which threaten us all. They are the new heroes of our age and this book is about them.

Television, Religion, and Supernatural Erika Engstrom, Joseph M. Valenzano III, 2014-02-19 Television, Religion, and Supernatural examines the text of the CW network television series Supernatural, a program based in the horror genre that offers viewers myriad religious-based antagonists through the portrayals of monsters, which its two main characters "hunt" and destroy, as well as storylines based on the Bible. Even as the series' producers claim a nonreligious perspective, the authors contend that story arcs and outcomes of episodes actually forward a hegemonic portrayal of Christianity that portrays a good-versus-evil motif regarding the superiority of Catholicism. The depiction of its protagonist brothers, Dean and Sam Winchester of Lawrence, Kansas, provides a pro-American perspective regarding a more generalized fight against evil in contemporary times.

The Revelation Problem John T. Spivey, 2013-03 John T. Spivey breaks Revelation free from the confusing futurist interpretations and shows that St. John wrote to the Early Church to build its faith during persecution by the Roman Empire. He further shows that St. John predicted the fall of the Roman Empire. Mr. Spivey calls on many ancient historians and Early Church fathers to present their testimonies to show that Revelation's predictions are subject to analysis and proof. He shows that St. John described the desolation of Judea and the deliverance of the Christian community from the destruction of Jerusalem in the Roman-Jewish War of AD 66-70 as completed events to build confidence in what would happen in the time of Roman persecution. Mr. Spivey also explains the millennium and the end of time in fresh, new ways that are scientifically sound and that affirm the Bible at every point.

Imagining the End James Craig Holte, 2019-11-11 Imagining the End provides students and general readers with contextualized examples of how the apocalypse has been imagined across all mediums of American popular culture. Detailed entries analyze the development, influence, and enjoyment of end-times narratives. Imagining the End provides a contextual overview and individual description and analysis of the wide range of depictions of the end of the world that have appeared in American popular culture. American writers, filmmakers, television producers, and game developers inundated the culture with hundreds of imagined apocalyptic scenarios, influenced by the Biblical Book of Revelation, the advent of the end of the second millennium (2000 CE), or predictions of catastrophic events such as nuclear war, climate change, and the spread of AIDS. From being raptured to surviving the zombie apocalypse, readers and viewers have been left with an almost endless sequence of disasters to experience. Imagining the End examines this phenomenon and provides a context for understanding, and perhaps appreciating, the end of the world. This title is composed of alphabetized entries covering all topics related to

the end times, covering popular culture mediums such as comic books, literature, films, and music.

Contemporary Verse Howard S. Graham, 1919

Delhi University M.A English Entrance Exam 2022 Dr. VB Singh, 2021-12-30 1. The book is a complete study guide for the preparation of DU MA in English Entrance 222 2. Model solved Papers 221 – 219 are given to help you understand the trends of questions deeply. TOC Model Solved papers [221-219], Literature, Grammar.

Doomsday Nigel Cawthorne, 2025-09-01 Just how near is the end of the world? Behind the veil of safety of everyday life in the West lurks the sinister reality of a chaotic universe. Doomsday reveals the very real threats posed to modern civilisation as the 21st century progresses, and asks the question: Is humanity on the path to destruction? War, famine, plague, global warming, nuclear meltdown: all have the potential to extinguish life on Earth forever. While our technology can help us overcome these perils, that same technology may itself contain the seeds of catastrophe. In fifty compelling essays, including entries on mega-tsunamis, a new ice-age, a giant meteor strike, nuclear holocaust and nanotechnology running amok, Doomsday depicts the possible scenarios of annihilation to come and assesses our chances of survival, if any.

The Book of Revelation Leonard L. Thompson, 1997-02-13 About seventy years after the death of Jesus, John of Patmos sent visionary messages to Christians in seven cities of western Asia Minor. These messages would eventually become part of the New Testament canon, as The Book of Revelation. What was John's message? What was its literary form? Did he write to a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire? In search of answers to these penetrating questions, Thompson critically examines the language, literature, history, and social setting of the Book of the Apocalypse. Following a discussion of the importance of the genre apocalypse, he closely analyzes the form and structure of the Revelation, its narrative and metaphoric unity, the world created through John's visions, and the social conditions of the empire in which John wrote. He offers an unprecedented interpretation of the role of boundaries in Revelation, a reassessment of the reign of the Emperor Domitian, and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province. Throughout his study, Thompson argues

that the language of Revelation joins the ordinary to the extra-ordinary, earth to heaven, and local conditions to supra-human processes.

Pestilence The Four Horsemen Introduction

In the digital age, access to information has become easier than ever before. The ability to download Pestilence The Four Horsemen has revolutionized the

way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Pestilence The Four Horsemen has opened up a world of possibilities. Downloading Pestilence The Four Horsemen provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Pestilence The Four Horsemen has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit

from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Pestilence The Four Horsemen. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pestilence The Four Horsemen. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of

content. When downloading Pestilence The Four Horsemen, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Pestilence The Four Horsemen has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Pestilence The Four Horsemen Books

1. Where can I buy Pestilence The Four Horsemen books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
